Hello, and thank you for your interest in one of our bullie babies. Our puppies are mostly AKC registered, however some are ABKC registered. All of our puppies ARE registered. A \$500.00 deposit down will hold a puppy for you in the order that the deposits are received. Deposits may be made through PayPal, Venmo, Zelle, Bank Wire Transfer, Western Union, Cashier's Check or Money Order. Whichever payment method is easiest for you. When making a deposit, please make sure and specify in the notes section if you are wanting a male or female, and what color that you are looking for. This DOES NOT mean that I will force you to stick with that selection, I only use this information for my records. You may change your mind at any time if "the right" puppy comes along. I am a very good communicator, and whenever I get your deposit I will notify you immediately. The final payment for your puppy will be due the day that you pick up your puppy. If your puppy is to be shipped, payment is due one week prior to shipping.

When pups become available, I start showing pictures to the people with deposits in the order that the deposits were received. When it comes your turn – if you do not like any of the available pups, you may pass for another upcoming litter. Your deposit is transferable but non-refundable. You may do this as many times as you wish in order to get the perfect baby that steals your heart. My best advice is to never settle, but rather be patient for "the right" puppy that is perfect for your family. Although I am not a puppy mill with tons and tons of puppies, I do have new litters on a regular basis.

I send pictures regularly of your baby as it is growing and developing. I know how exciting this time is for you! Thank you for trusting me and my bulldogs. I promise that I will be committed to you and your bullie for the entire life of your puppy. If you have questions or concerns about training, nutrition, health or anything else please contact me. I am here for you. I have many references available at your request, including my vet.
