

I AM BULLDOG PUPPY SHIPPING POLICY

DEPOSITS: We ask for a \$500.00 deposit per puppy, and then we can begin to schedule shipping details. This deposit is non-refundable. Deposits are partial payments toward the purchase price of your puppy to be placed on hold for you where no one else can purchase that puppy. Puppies can only be picked up or shipped when weaned and paid for in full.

We will hold the puppy you select until the age of weaning (normally 8 weeks old). Arrangements must be made in advance if you are not going to be able to have your puppy picked up/shipped/or delivered by the time the puppy is of weaning Age.

There will be an additional \$20 per day charge for keeping a puppy for an extended period of time past 8 weeks. All vaccinations and worming will be up to date at time of pick up/shipment/delivery of puppy.

SHIPPING: We provide two methods of shipping: ground shipping, and air shipment through our puppy nanny. Both are excellent ways to ship, and we have done both with great success. We will ship puppies if and when weather permits or if a flight is available through our flight shipping service. We ship through the airlines on a regular basis with no problems and we are very comfortable with doing so. We will walk you through the process every step of the way. The health certificate, crate and cost of shipment is usually around \$500.00 for domestic flights in the United States. We do ship internationally but prices will vary depending on country and costs of importing the puppy into that country. We also now offer a partial delivery service where we can make arrangements to meet you with an additional delivery fee to cover costs for fuel and time. For our customers who are in Texas or the surrounding states, it is a good option to allow you to be able to drive a shorter distance to pick your puppy up and get back home quicker without having to be on the road all day.
