

Jeremy Katchuba is the District Vice President with the Duluth Area Family YMCA. Jeremy started with the Y as a volunteer in 1999 and has worked in the Mentor Duluth program, Sports and Recreation, Project Management, and on the executive team in his 21 years of service at the Y.

Jeremy is a native of Lake Orion, Michigan, and a graduate of Northern Michigan University, in Marquette, MI, with a degree in Sociology. He moved to Duluth, with his wife (Gina), to stay close to family and due to a love of the outdoors. They spend time with their two children hiking, biking, skiing, and playing outside. When he is not at work, or spending time with family, you can find him coaching the rugby club at the University of Minnesota Duluth.

Jeremy is excited to learn and grow with the Hermantown Area Chamber of Commerce. Jeremy helped open the new YMCA at the Essentia Wellness Center, and is excited to get more active in the community!

“The Hermantown community has been so welcoming to us at the new YMCA. I am excited to continue growing relationships with the business community, and look at different opportunities to serve the region!”
