### Working capital can make or break a business

Dear Friends,

You know that having **working capital** can make or break your business.

You also know how hard it can be to qualify for a loan, and the hours it takes to do the paperwork.

That's why we are now offering **Quick-Action Short-Term Loans** for business owners like you.

These Quick-Action Loans cut through the red tape to get the money you need quickly with:

- An easy pre-qualification process
- A quick-decision approval process
- Highly competitive/below market rates that let your money work for you

**Call us or email us** if you have:

- Annual revenues of \$100,000+
- An average positive bank balance of \$1,000
- No more than 4 overdrafts per month
- Made at least 5 bank deposits per month

These loans - of **\$10,000 to \$50,000** - could help make all the difference for your business.

Please **call me now** to find out if you qualify.

Best regards,  
Leonid Ostrovsky
