Disclosure of Program to Parents Regarding Supervision

GNBCC Student Scholarship Program at: _________________________________
(Name of Laboratory/Research Facility)

We, the parents/legal guardian of ____________________________, a student participant of the GNBCC program, fully understand that the Great Neck Breast Cancer Coalition’s student summer scholarship program at the ___________________________ consists of the following regarding supervision of our son/daughter, the participating student:

1. The student will be supervised at the ___________________ facility during agreed work hours.

2. The student will not be supervised at the residence hall or in the cafeteria, or on the grounds at _________________________________.

3. The student will not be supervised or chaperoned Monday through Friday, before or after work hours at the ________________________________; and will not be supervised or chaperoned during the weekends when the ________________________________ is closed.

4. GNBCC does not have any personnel to provide any supervision of the child/student. The complete responsibility for supervision of the child/student must rest with the latter’s family.
