

Today's Code:

"Our Vision is for Anyone but not for Everyone."

2 Kings 3:9-20 (The Message)

No one can else DIG your DITCH.

If you want to share in the BLESSING, you have to share in the LABOR.

To all the diggers:

You can start SMALL, but start SOMEWHERE.

LITTLE ditches catch LITTLE water.

It's probably going to be MESSY and PAINFUL.

Expect OPPOSITION.

The water is COMING.
