Organizations We Help

Since we started as an improvement club in 1932, we have provided assistance to many local charities and several national charities on a regular basis. We often support local school programs, fire and police departments, the local senior center, and youth sports activities. Quarterly donations are also made to five local food banks. Every year we donate to many local groups to help provide needed assistance to the Kitsap County community. Without the help of our members and the funds generated from bingo, we would not be able to help all the people we do.

How Can I Help?

You can help by becoming a member, becoming active in club events, or by playing bingo at our hall on Tuesday, Wednesday or Thursday. With your help we can continue providing assistance to our community as we have for over 80 years. You're invited to attend a monthly meeting the first Monday of each month (except July and August) at 6:30 pm and stay for refreshments.

Bingo Hall

Our bingo games are the number one provider of the funds which we give to specific charities, groups and organizations. Our bingo hall has been in operation since 1961, and is a well known attraction for bingo enthusiasts. If you are looking for something fun to do on any Tuesday, Wednesday or Thursday night, come on down and help support us and the community by playing some bingo. We have high paying jack pots and delicious hot food prepared in our kitchen. The doors open at 4:00 pm, early birds start at 6:00 pm, and packets start at 6:30 pm. Bingo is usually over by 9:30 pm.

Hall Rental

If your family, group or organization needs a place to meet, we have several medium sized rooms, one large room (with a stage), and a full kitchen available. Our hall has internet service, the capacity to hold 250 people, and plenty of parking. We have provided rental space for weddings, receptions, banquets, social events, meetings and many other occasions for over eighty years. Whether your event or party is large or small our facilities can fill your need. For more information, contact our Rental Manager, Pat Sisson, at 360-710-4291.

West Side Improvement Club, Inc.

The West Side Improvement Club (WSIC), located in West Bremerton at the corner of National Avenue and E Street, has been in existence for over 80 years—yet many people have never heard of it. If you are wondering what an Improvement Club does, or how it can benefit you, please read on!

If you, or someone you know, enjoys playing Bingo, that is one of the activities we offer. The payouts are generous and the staff is efficient and courteous. We also offer hall rentals for large or small occasions, provide community events throughout the year and maintain the Viewpoint Park, a nearby neighborhood park on McCall Blvd.

The WSIC uses monies from Bingo and the hall rentals to help local charities, and benefits the community in other ways as well.

Our goal is to increase community awareness of and participation in the WSIC so that it may continue to serve the community. Please visit our website at www.westsideimprovementclub.org for the complete story of YOUR Improvement Club.
