

A Letter to Our Customers Regarding COVID-19

At LA Pipeline Rental & Industrial Supply, LLC, we understand that there are many uncertainties during this time concerning the COVID-19 outbreak, and our hearts go out to everyone around the world being impacted by this current pandemic.

As we navigate through this unprecedented and uncertain time, LA Pipeline has aligned its business operations and employee procedures to meet or exceed the restrictions set by local and federal agencies regarding social distancing.

LA Pipeline is considered an essential business per the State of Louisiana Government guidelines, and as a manufacturer's redistributor and supplier, we are open for business and continue to meet the needs of our customers. We continue to remain vigilant in monitoring updates from public health officials and government agencies so that we can make ongoing assessments quickly.
