- Build a better continuity and engagement across PGA's- Establish a permanent website and list-serve including each year's LOC organizations
- Strengthening alliances

### Themes

- The Global Compact on Migration
- Sustainable Development and Migrant Organizing
- Anti-Racism/Xenophobia

Organised by

## Global Coalition on Migration

The **Global Coalition on Migration** (GCM) is a multi-sector alliance of civil society organizations that strives to impact global policy on migration, migrant and labour rights, by sharing strategies, empowering, mobilizing and leading in common action towards advancing human rights and global justice for migrants and their families. GCM members comprise regional and international networks of migrant led organizations, migrants rights organizations and advocates, trade unions, faith groups and academia, covering every region around the world.
