*At predetermined points in the tournament, the chip leader(s) will be removed from play and awarded their seats. When the number of players left to be eliminated is equal to the final number of tables to be used, there will be a total redraw of balanced tables, and the tournament will run as a reverse shootout. Once one player is eliminated, the rest of that table receives their seat (see chart).*

It is the casinos policy that In order to register/collect winnings, players must have a Commerce Casino Player's Card, and a valid ID (Passport for non US Residents. Real ID Driver's License or SSN for US Residents.) The casino is required by State and Federal regulations to withhold upon day of payout.
