CC: Mill Valley Professional Firefighters, Mill Valley Police Officers Association

To the members of the MVPF and MVPOA:

In my four years on the Mill Valley City Council, I have enjoyed a positive working relationship with each of your organizations. I know that both organizations have considered endorsements of candidates for the Mill Valley City Council.

I wanted to thank you for your consideration of all the candidates and let you know that I will not be seeking your endorsements at this time. As a councilmember, I am currently participating in labor negotiations that affect your membership. Although I would love to have your support in my campaign, this feels like too much of a conflict at this time.

I value your input, and I look forward to continuing our positive relations if I am re-elected. Although we may not always agree, you know that my door will always be open for communications with labor.

Thank you for your understanding.

Sincerely,

Sashi McEntee

Candidate for Mill Valley City Council 2020
