

## REGISTRATION DETAILS

**\*Festival Fee** includes attendance at all lectures, Master Classes, clinics, workshops, access to practice pianos, and tickets for the evening recitals.

**\*\*Performance in Master Class** is optional. If you are interested in performing, then please submit a CD or mp3 or mp4file, and the titles of two pieces with your application. All Festival participants are welcome to attend the Master Classes as enthusiastic observers.

**Meals** are available for purchase at several dining locations on the MSU Campus.

*“A flawless piano technique is not a mysterious talent, but consists of many physical motions, the understanding of which leads to technical control without tension or risk of injury. Dorothy Taubman has developed a profound understanding of the way the hand moves at the piano, and has helped many professional pianists and others overcome injury and solve technical problems.”*
