

Folks: Attached is the tournament results for October 2019, held at Roosevelt Lake; a two-day tournament with five boaters and two co-anglers. Ken Landry pulled out another victory with two five-fish limits...but Gus Brisco was right behind him with two four-fish days...just a little over 1 pound behind. Gus had big fish on day one...Gus is simply wishin' he could keep fishin' and pull in #5 for either day!!! But either way, they both were on some decent fish...apparently up in the Salt River area. Most of the other anglers were spread out around the lake...Angelo Messina brought in the big fish for day two...a nice 2.86 smallmouth. It appears that the fishing was relatively tough with numbers of bites tough to come by...but obviously some found the quality fish to bring in the heft. Baits were primarily square bill cranks and spinnerbaits with a few fish being taken on drop shot as well. The mornings were cool and the days were pleasant; a little breeze on the water for day one but day two did not seem to have as much wind. Water temperatures were in the upper 60's and lowest 70's as the day went.
