# Improve the health of the Southland communities

*Join the family of our founder, Frederick Ingalls, in becoming a lifetime member of our Legacy Society by making a planned gift to the Ingalls Development Foundation.*

Perpetuate the future of UChicago Medicine Ingalls Memorial hospital through a planned gift. Planned gifts are among the most valued to our organization as they are larger in nature and provide significant resources to secure the future of the hospital.

### **A Family Tradition**

Ken & Sallie Hoekstra have added their names to a family legacy that includes Ken's father Herman who served on the hospital board for many years. Ken & Sallie decided to make a planned gift through their family trust following a tradition that started nearly 100 years ago with a charitable trust beneficiary designation by hospital founder Frederick Ingalls that is still making distributions to the hospital today!

### **OPTIONS:**

- You can take advantage of a gift that costs you nothing during your lifetime by naming the Ingalls Development Foundation as a beneficiary of your will, trust or life insurance policy.
- You may also access special tax benefits by naming the Ingalls Development Foundation as beneficiary of a retirement plan, such as an IRA.
- Transfer cash or property to Ingalls in exchange for a partial tax deduction and a lifetime stream of annual income through a gift annuity.

### **BENEFITS:**

- Gift acknowledgement letter from the foundation recognizing you as a Legacy Society Member
- Your name included under our Legacy Society recognition on our Wall of Honor
- Your name published through the quarterly Ingalls Development Foundation Newsletter
- A Legacy Society gift item
- Invitation to our Annual Meeting of Legacy Society members
