WHAT IS AN INTERGROUP?

The primary purpose of an intergroup is to aid groups in their common purpose of carrying the A.A. message. Niagara Intergroup does this by maintaining meeting schedules, ordering literature for groups, convening local service committees (ie: public information, treatment facilities, etc.), and hosting local A.A. events.

INTERGROUP REPRESENTATIVES

Each home group should have an intergroup representative that speaks for and represents his/her home group. The representative attends the regular intergroup business meeting and ensures we have a group conscious. Contact your home group chairperson if you are interested.

INTERGROUP LIAISON

Niagara Intergroup is looking for a member that attends the District 3 Committee meetings and the Area 50 General Service Assembly meetings on behalf of intergroup. The liaison reports back to the intergroup on what was discussed at these meetings. This role facilitates the free flow of communication between intergroup and the general service structure. Come to the intergroup business meeting to learn more.

PUBLIC INFORMATION COMMITTEE (PIC)

The members of the PIC convey A.A. information to the general public, including the media. If you are interested, come to the intergroup business meeting to learn more. We are looking for more members!

TREATMENT FACILITY COMMITTEE (TFC)

Members of the TFC take meetings into First Step Center, Clearview, Horizon Village, Freedom Village, and others. A minimum of nine (9) months of continuous sobriety is required to run the meeting. There is no time requirement to join TFC. You must however, have a sponsor, home group and working the 12 steps. If you do not have transportation, we will team you up with someone who has a car. Come to the TFC Business Meeting to learn more. We are looking for a secretary!

CORRECTIONS COMMITTEE

The Corrections Committee takes AA meetings into the Niagara County Jail. On a yearly basis the jail officials conduct an orientation so you can be approved to take the meetings into the jail. For more information, come to the intergroup business meeting to learn more.
