

Weather Spotters Wanted!

National Weather Service
Duluth, MN

Skywarn Spotter Training Offered in April 2021

Join us for **FREE Skywarn Spotter Training this Spring!**

Why Take a Class?

- Learn more about NOAA/NWS and what we do
- Understand severe weather basics, like how thunderstorms form and what makes a storm "Severe"
- Help NWS and our communities by reporting severe weather
- Classes are interactive! You can ask our meteorologists questions throughout the live class!

Two levels of classes offered:

- **BASIC:** This is our standard class, which takes around 1-1.5 hours. We'll cover all the basics - no experience necessary!
- **ADVANCED:** Do you really love weather? Take the Advanced class to learn even more about storm structure, how to interpret radar imagery, and more!

Visit weather.gov/dlh/skywarn to sign up for a class!
