

Saskatchewan Crime Watch Advisory Network

WHAT IS IT? When a detachment becomes aware of an incident or crime, they can issue an advisory via the system, and anyone who has signed up for the program will become aware of what happened within minutes! The system will send the advisory to your smartphone or landline, via text message, email, or text to voice (depending on your own preference).

HOW DO I SIGN UP? Signing up to be part of the network is free and only takes a few minutes. You choose which RCMP detachment area(s) you want to receive notifications from (one or multiple), and how you want to receive them - whether it be via text message, email, a text to voice phone call or the app. Note, an app is available, but it is not required. Even residents who only have a landline can sign up and receive the advisories. To sign up visit www.saskcrimewatch.ca

History behind the Program On March 7th, 2019 the Honourable Christine Tell, Minister of Corrections and Policing and A/Commr. Mark Fisher, Commanding Officer of the Saskatchewan RCMP, along with some of our community partners, announced the launch of the '**Saskatchewan Crime Watch Advisory Network**' in Southern Saskatchewan. The system is now expanded to include all communities in the Province.

The concept of the program is simple: sign up to receive advisories from your local RCMP and assist us by serving as the 'eyes and ears' of your community.

This network, along with existing crime prevention programs and strategies, helps to create an environment where all of us contribute to community safety. Crime prevention is the most effective when we all work together.
