Take time to climb among the monastery, tombs, and other fascinating ruins of this remarkable city. Later today, we return to our hotel for dinner and overnight. (B,D)

**DAY 5** **ALLENBY BRIDGE/QASR EL YEHUD/  
NAZARETH/MOUNT PRECIPICE/TIBERIAS**  
This morning we depart Petra and drive to the northern tip of the Dead Sea where we enter Israel via the Allenby Bridge. We go first to a site on the Jordan River known as Qasr El Yehud, believed to be in the area where Jesus was baptized by John the Baptist. It is also traditionally considered to be the place where the Israelites crossed the Jordan River to enter the Promised Land. We pass New Testament Jericho, believed to have been at the mouth of the Wadi Kelt, where Herod had his winter palace. From here we can see the Mount of Temptation. We proceed north through the Jordan Valley and visit Nazareth, boyhood home of Jesus. There we visit Mary's Well at St. Gabriel's Church, the traditional site where the Angel Gabriel appeared to Mary and announced that she would bear the Son of God. Then we drive to the top of Mount Precipice, traditional site where an angry mob tried to throw Jesus off a cliff following his Messianic proclamation in Luke 4. From this windswept hilltop, we take in the spectacular views of Mount Tabor and the Jezreel Valley, and then we continue to Tiberias and our hotel at the Sea of Galilee for dinner and overnight. We continue to Banias (Caesarea Philippi) near the headwaters of the Jordan River. In this area, Peter memorably proclaimed Jesus to be "the Messiah, the Son of the living God" and Jesus affirmed this by declaring "...on

this rock I will build my church..." After our time there, we embark on a rafting trip down the Jordan River. Later this afternoon we return to Tiberias for dinner and overnight. (B,D)

**DAY 7** **MOUNT OF BEATITUDES/CAPERNAUM/

Then we visit the ruins of ancient Capernaum. Jesus came here after being rejected by his hometown of Nazareth and adopted Capernaum as "his own town." Peter, Andrew, James, John, and Matthew all lived here, and this area became the center of Jesus' ministry in the Galilee. Then we continue along the eastern shore of the sea to Ein Gev, where we enjoy a traditional lunch of St. Peter's fish. After a memorable boat ride on the Sea of Galilee, we conclude our afternoon at Yardenit, a baptismal site on the River Jordan located near the southern tip of the Sea of Galilee. We continue to the Mediterranean coast to Caesarea, constructed by Herod the Great several years before the birth of Jesus. The massive harbor could accommodate 300 ships, and the hippodrome could seat over 20,000 people at chariot races. It was in Caesarea that Peter baptized Cornelius the centurion and his household, the first known baptism of a gentile convert to Christianity. Paul visited here between his second and third missionary journeys and was later imprisoned here before being sent to Rome. From there we proceed to Jerusalem and check into our hotel where dinner is included this evening. (B,D)

The route concludes at the Church of the Holy Sepulchre. We continue to Caiaphas' palace, where Jesus was first brought before the high priest. Then we cross the Kidron

Valley to the Mount of Olives, which offers iconic views of the Old City. We follow the "Palm Sunday Walk," tracing the traditional route Christ took on his triumphal entry into Jerusalem. Partway down the hill we pause at the Dominus Fleuit chapel which commemorates the Lord's weeping over Jerusalem. We continue on to the Garden of Gethsemane where Jesus prayed while his disciples slept on the night of his arrest. Then we visit the nearby Davidson Center, situated at the entrance to the Jerusalem Archaeological Park, one of the largest and most significant archaeological sites in the country. There we climb the "Southern Steps" leading to the original main entrance of the Temple Mount in the Second Temple period - stairs that Jesus would have climbed when he visited the temple in Jerusalem. From there we go to Mount Zion and the traditional Room of the Last Supper. Then we visit Gordon's Calvary and the Garden Tomb, where we celebrate the resurrection of our Lord. After riding the cable car back down the mountain, we drive to Qumran to view caves where some of the Dead Sea Scrolls were found. Time permitting, we have the opportunity to swim in the Dead Sea. This afternoon we visit Herodian, a cone-shaped hill near Bethlehem where Herod the Great built a fortress and palace, and where he was buried.
