

Journeys and Letters of Paul (sample itinerary)

“Just seeing and touring Biblical Greece meant so much and made a great impression on me. I really enjoyed all the sites we visited. Our hotels, food, guides, all of it was wonderful.”

N.G., Mississippi

Visit places where Paul once preached and taught. Trace his steps from Mars Hill in Athens to the bema at Corinth; and from the site of his imprisonment with Silas in Philippi to ancient Neapolis, where Paul and his companions first touched Europe. See the excavations of the ancient Jewish community of Berea, whose residents were described by Luke as “noble.”

Explore the contributions of Greek culture and history. Visit Delphi, site of the famed Oracle. See artifacts from the excavated tomb of Phillip II of Macedonia at Vergina. And, tour the restored Olympia stadium where the Olympic flame is still lit by reflection of sunlight in a parabolic mirror and sent on its journey by torch to the place where the games are held.

The sequence of touring and days may be altered to adjust to religious holidays, special closings of sites, air schedule changes, etc. Hotels listed subject to availability. Meal inclusions may vary by departure.

Dominated by the Acro-corinth rising 1700 feet above the ruins, the Market Place is still laid out as it was in Paul’s day

with its stone Bema (judgment dais) where Gallio refused to condemn Paul (Acts 18). Nearby in a prominent place is the Temple of Apollo with its Doric columns. A superb collection of Corinthian artifacts greets the visitor in the museum. We continue to Epidaurus, where we see the 14,000 seat amphitheater, still well-preserved. We drive to Berea, visited by Paul, and see the excavations of the ancient Jewish community, the residents of whom Luke described as "noble" (Acts 17:11). Then we continue to Vergina and the museum with its artifacts from the excavated tomb of Phillip II of Macedonia. Our destination this evening is Thessaloniki and the **Hotel Capsis**. (B,D)
