1 INT. GEORGETOWN MEDICAL CENTER - RIGHT (SEPTEMBER) 1

Electric' doors zip open. ALEC NEWBERRY, a handsome possessor of The Right Stuff, his beautiful roommate LESLIE HUNTER, KEVIN DOLENZ, self-styled, chain-smoking, sardonic, and KIRBO KREAGER, short, hyper, dressed like a waiter -- dash worriedly into the busy emergency room. They are all twenty-two, or barely twenty-two. Only four months out of college, they are in their freshman year of life.

Alec, Leslie, Kevin and Kirbo dash past a cubicle, where a totally naked, three-hundred-pound man paces in a daze. Past this, they find a black nurse talking with two COPS.

ALEC
Wendy Beamish and Billy Hicks?
They were in a car accident?

ELECTRIC DOORS
zip open again, introducing JULIANNA VAN PATTER (JULES), another freshman in life, but her sleek style gives her a certain sexual sophistication. She is accompanied by her dark, interesting DATE as she joins her friends and the Cops.
JULES
They're dead, aren't they?
Everyone ignores her as Alec hands his card to the Cops.

ALEC
Officers, I'm Alec Newberry with Congressman Langston's office.
Leslie whispers to Jules, while Alec and the Cops talk.

LESLIE
I think they're okay.

JULES
Thank God.

WENDY
I'm fine. It's the car my father gave me for graduation that's totalled.

ALEC

(TO KEVIN)
Find Billy. See if you can sober him up.
Kevin always does what Alec tells him to. Meanwhile, Wendy pulls out her Visa card and speaks to the nurse.
WENDY
How much do I owe you?

JULES
He almost killed you. Destroyed your car, and you're paying...?

LESLIE
Jules, please.
As Leslie comforts her, Wendy is looking over Jules' Date who hovers in the distance.

WENDY
Is that your date?
The naked man wanders past them.

JULES
No, that's my date!
As usual, Jules has managed to make Wendy laugh, Just as the Cops approach her.

COP # 1
You pressing charges?

WENDY
No.

The Cops start toward the electric doors as Kirbo and
Alec follow. Leslie helps Wendy with the bill. CAMERA FINDS Jules whispering dramatically to her Date.

JULES
I'll have to be with her all night. They don't know if she's going to make it.

DATE
She looks fine.

JULES
Shock. She could black out at any second... I'll call you... Jules joins Leslie and Wendy.

LESLIE
He's cute.

JULES
Too young... and don't you both start on your father complex theory.

2 EXT. MEDICAL CENTER 2

Alec and Kirbo follow the Cops toward a mobile van.

KIRBO
We're dealing with a first offender here, and since Ms. Beamish doesn't want to press charges, whaddya say we just let this one slide, Officers? They reach the back of the mobile van, where we see BILLY HICKS, a handsome daredevil, playing his saxophone, wearing handcuffs, for two good-looking nurses and Kevin, who is trying to give him black coffee.

COP $1
Okay, you're under arrest. Alec looks to Kevin for information about Billy's condition.

KEVIN
I wouldn't strike a match near his blood.

BILLY

Hey, watch my sax...

(TO NURSES)
. You girls believe in premarital sax?
They laugh as Alec barks at him.

ALEC
Billy -- four months after graduation and you're still acting like every night's a fraternity party. Aren't you even concerned about Wendy?

BILLY

(TRUE PANIC)
Wendy? Jesus, how bad is it?

KEVIN
Severe. She might have finally exceeded the limit on her father's Visa.
Billy smiles with relief as the Cops lead him toward their car.

ALEC
Will you both get serious. He's being arrested for drunk driving.

BILLY
Drunk maybe. But I don't know if you could call that driving.
Wendy, Leslie and Jules come from the hospital, just in time to see Billy being put into the cop car. Wendy rushes to Billy and they embrace.

BILLY
Sorry, babe... sorry.

WEHDY
We'll be right behind you!
They all move toward Alec's car except Kirbo, who suddenly notices 'someone. He becomes mesmerized as he falls away from the group and starts back for the hospital.

She hesitates, somewhat puzzled.

   KIRBO
You don't remember me.

   DALE
I do, but I'm trying...

   KIRBO
Kirby Kreager. You were a senior when I started Georgetown.

   DALE
Kirby... It's been four years. How are you?

   KIRBO
I graduated!

   DALE
I always knew you would.

   KIRBO
And I'm a lawyer.
(as she looks at his waiter's duds)
I mean I'm a waiter, studying to be a lawyer... and you became a doctor... Just like you said you would.
DALE
Almost. I'm finishing my clinical.

KIRBO
Dale Biberman. I can't believe it. Do you still like Woody Allen movies?
There is a big COMMOTION at the other and of the hail.

**KEVIN**
It's still sticky.
WENDY
Oh, God. Wait 'til my father hears the car is totalled.

BILLY
I'm gonna get you a new car, Wendy. Everyone screams in disbelief as they go into St. Elmo's. Alec, Leslie, Jules, Wendy, Kevin holds the door open, but no one thanks him.

KEVIN
You're welcome. You're welcome. A young, burned-out UNDERGRAD (CLAYTON) follows.

KEVIN
You're not welcome, Clayton. How's school?

CLAYTON
Baroque. Thank you very much. How's life after school?

Young professionals, graduate students, and precocious undergrads populate the P.J. Clarke-like bar/restaurant. Kirbo quickly goes back to work waiting tables. Alec gets rid of a group of rowdy undergrads sitting at two tables pushed together. He admonishes WALLY, the burly owner.

ALEC
Wally! You let undergrad punks at our tables???

WALLY
Relax, Alec... they've only been there ten minutes.

ALEC
Yeah, well, we've been here for four years.

Alec, Leslie, Jules, Wendy, Kevin and Billy (still with sax around his neck) take their usual chairs as Kirbo drops off a large pitcher of beer.

BILLY
Hey, I need a real drink.
Kirbo is long gone. Kevin pours.

KEVIN
Waiters are like cops. Never around when you need one.

Kevin and Alec begin bouncing quarters from the edge of a table into their beers -- obviously some ritual.

JULES

KEVIN
Writing obituaries is not writing, Jules. All my characters die in the and. I'd like to write something about the meaning of life for a change.

LESLIE
You'll get your chance, Kevin. Alec suddenly spots TOMMY BANCROFT, an older version of Alec, across the room.
ALEC
Hey, Tommy...

(TO LESLIE)
Tommy Bancroft, Senator Hodges' key guy. Come on, I want you to meet him.
They leave the table as Jules turns to Kevin.

JULES
The meaning of life, Kevin, is fun, good times and a little H-U-M-O-R. Don't you enjoy anything anymore? Like girls?

KEVIN
I enjoy being afraid of Russia. It's a harmless fear. Makes America feel better and Russia gets an inflated sense of national worth from our paranoia... Excuse me, I have to call in my latest epitaphs to the death squad. The presses are waiting.
He gets up and leaves the table, passing Kirbo.

Billy adjusts a framed photo on the wall of him, Alec, Jules, Wendy, Kevin, Leslie and Kirbo in their graduation caps and gowns. He notices a woman's reflection in the glass. He turns to see she is flirting with him from the bar. He smiles back. Kevin arrives and Billy sees a perfect way to get off the phone.

**BILLY**
Here's Kevin, he wants to say hello.
He hands the phone to a more than reluctant Kevin and moves toward the YOUNG WOMAN at the bar.

**BILLY**
Hey, Wally... a double screwdriver.
He joins the Young Woman who is eyeing his sax.

So, you believe in premarital sax?

10 INT. LADIES ROOM - NIGHT 10

I better break this to Alec gently before he finds out the wrong way and destroys his political career by murdering Billy in front of fifty witnesses.

She leaves as Jules looks to Wendy.

Wendy, this is all too destructive.

Life in the-fat lane.

You're not fat.

My thighs are fat. And no diet works. The only way to lose weight on your thighs is amputation.

You have to amputate Billy the Kid.

I know, but I can't.

I don't get it.

BILLY
For some insane reason I thought you'd take it badly.
Kevin and Kirbo rush in.

KEVIN
Don't drown him, he's a father.
Alec releases Billy who comes up with his hair wet and gives Alec a major shove.

KIRBO
I found her again. It's fate. It's true love. I have her hospital schedule!

KEVIN
Love is just an illusion created by lawyer-types like yourself to perpetuate another illusion called marriage to create the reality of divorce and the illusory need for divorce lawyers. Did you know there are more people in law school right now than there are lawyers on the planet?

**I ALEC**

I mean, it's too easy to get out of. You either build to something bigger -- like marriage -- or one day you could make a mistake and the person you were living with is gone.

Alec takes a bite of dinner and cringes.

**ALEC**

I'm going to kill myself.

**KEVIN**

They're only peppers, Alec.

**ALEC**

I can't believe what I just did. I innocently go to buy the nightgown and this amazing blonde salesgirl starts coming on to me... we wind up doing it standing up in front of a three-way mirror in the dressing room.
He lies down on the floor.

**ALEC**
If Leslie would just marry me, I know I wouldn't do stuff like that -- it would be a legal violation.

**KEVIN**
As opposed to tonight's standing violation. You think marriage is going to make you faithful?

**ALEC**
Yes.

**KEVIN**
The idea of two people spending their lives together was invented by people who were lucky to make it to thirty without being eaten by dinosaurs. Marriage is obsolete.

**ALEC**
Dinosaurs are obsolete. Marriage is still around. Leslie screams from the bedroom.

Alec dashes into the bedroom. As he opens and then closes the door, Kevin sees a flash of Leslie looking absolutely ravishing in the nightgown. As they SCREAM and PLAY, Kevin, feeling very alone, stirs the burning dinner.

CUT TO:
33 EXT. BAD NEIGHBORHOOD - NIGHT (LATER) 33

A few hookers work the corner. FOCUS ON a BLACK HOOKER talking to passing car.

BLACK HOOKER
You want a date...? Hi... you want a date...
Kevin passes quietly and she ignores him.

KEVIN
Why don't you ever ask me if I want a date?

BLACK HOOKER
'Cause I thought you were gay.

KEVIN
Why would you think I'm gay?

BLACK HOOKER
'Cause I never see you with a girl. And you always look real strange.

KEVIN
Well, just for your information. I happen to be in love with someone but they don't know it. I guess you wouldn't understand loving someone from afar. He takes a swig from a bottle in a paper bag.

BLACK HOOKER
Delaware's about as far as I've ever gone. Is this person a he or a she? She takes the bottle and takes a swig.

KEVIN
It's a secret. But I guess you wouldn't understand about that, either.
BLACK HOOKER
Oh honey, lots of people come to me for love and it's a secret. He takes his bottle back and goes home.

There are educational...

WOMAN
Jus' give me my check. Wendy hands her the check.

WOMAN
You get some hot clothes, get yourself a man... you won't be worryin' about all this shit. She leaves as Billy arrives in time to check her out.

BILLY
Welfare recipients are getting better-looking these days.
WENDY

Ever feel like you're not accomplishing anything? Billy sits on her desk.

BILLY

I think I'm in touch with the feeling. Let's go get a drink.

WENDY

Billy, why aren't you at work? Billy gives her a look she knows all too well.

35 INT. ST. ELMO'S - DAY (AN HOUR LATER) 35

No more money from you, Wend. But maybe you could help me find another
job.

WEND-Y
Do you have any interest in the janitorial field?
They both smile.

WENDY
You should be playing your music.
Billy...

BILLY
I'm a family man and the rent is due.
Alec, followed by Kevin, storms into the bar and attacks Billy.

ALEC
You dumb shit. You have to start making passes at the women you're supposed to be polling?

BILLY
Actually, they were the ones who suggested another type of pollin'...
He smiles as Alec grabs him.

You got a wife and kid.

You're not the fraternity star anymore. No more Billy the Kid. Billy starts to leave. Alec follows.

ALEC
I didn't bargain for you turning out this way.

BILLY
And I didn't bargain for you turning into a pompous politico. Suckin' up to Hodges. That's it, Al, isn't it?... You've become a Republican!!!

ALEC
And you've become a drunk.

BILLY
Oh, no, not just 'a' drunk, Big Al. One of the great drunks! Born, bred and diseased in the s

U.S.A.

(TO WENDY)
Come on...

(TO KEVIN)
You with us, Kev...?
Kevin hesitates.

BILLY
Oh, I forgot, Kev. You don't do anything Alec doesn't tell you to do. Well, that's-okay, 'cause just remember one thing. You can pick your friends and you can pick your nose, but you can't pick your friend's nose.
Billy leaves. Wendy looks at Alec and starts to laugh.

ALEC
Stay right here, Wendy. She can't and runs after Billy.

INT. ALEC AND LESLIE'S BEDROOM - NIGHT 36

ALEC
Jules, wearing a sexy dress, whispers into the phone.

INTERCUT their phone conversation.

JULES

Leslie watches anxiously as Alec throws on his clothes.

A

LESLIE
You're so wonderful taking care of all of us. I love you. I really, truly love you.
He kisses her.

Alec gives his car to a valet and rushes into the hotel.

The elevator opens and Alec quickly finds the room and knocks loudly.
ARAB VOICE (O.S.)
Yes.

ALEC
Open up.
After a beat, the door is opened by a sedate Arab businessman. Alec pushes past him.

ST. ELMO'S FIRE - Rev.. 10/1/84 34.

41 IXT. SUITE - NIGHT 41
Four additional sedate Arab businessmen sit calmly watching MTV. Jules is pacing nervously by the bar, smoking. She fakes surprise at Alec's entrance.

JULES
Alec, what are you doing here?
He quickly grabs her and they leave the suite. The Arabs hardly notice.

ALEC
Okay, nobody make a move.
42 INT. VAX BUREN LOBBY - RIGHT 42 s
Jules and Alec walk from the elevators.

JULES
You're a real pal. My Indiana Jones. I won't forget how you came to my rescue again.

ALEC
They hardly impressed me as the gang bang type, Jules. Now much coke have you done?

JULES
Shovels full. They've got barrels.

ALEC
You're just paranoid from the coke. You know sometimes I think you just make up these dramas to test me or something.
JULES
That's very interesting, let's stay up all night like the old days and discuss it.

ALEC
I have to be at work in a few hours.

What are you, the new Middle East Ambassador? It's two-thirty. Come on, I'll take you home.

JULES
And waste all this good coke!
As Jules connects with her number, Alec starts to head out of the hotel in disgust. A beautiful older woman is getting her key from the desk and crosses in front of him
toward the elevators. She and Alec check each other out. He smiles. She smiles. As her elevator arrives, she changes her mind and, giving Alec an inviting smile, steps into the dimly-lit bar. Alec is torn between morality and temptation. Temptation wins as he follows the sexy lady.

43 INT. LA PETITE CHATEAU - MORNING 43

Kirbo, dressed in his best, enters the elegant, but empty dining room. Searching around quickly, he begins to try out various tables. He exchanges floral arrangements at one as the austere MAITRE D' approaches as Kirbo peruses a menu.

MAITRE D'
Excuse me, sir. We do not open until eleven.

KIRBO
That's all right. I'll wait.

MAITRE D'

JULES
The president of the bank?

47 BACK TO RESTAURANT 47
The Maitre D' grandly takes the phone from Kirbo's table.

KIRBO
Could you please clean up these crumbs, waiter?

MAITRE D'
I am not the waiter. I am the captain.

KIRBO
Aye, aye, sir.
Dale Biberman rushes into the restaurant in all her splendor. Kirbo is extremely excited.

DALE
Sorry I'm late. Have you been waiting long?

She is gone as the Maitre D' walks over to him with his pad and speaks with exquisite, controlled sarcasm.

MAITRE D'
Have you had enough time to look at the menu?

48 INT. LAUNDROMAT - DAY 48

Kevin and Kirbo fold their laundry.
KEVIN
You cannot go to med school just to impress this girl with whom you have a fleeting infatuation.

KIRBO
This is not just an infatuation and she's not just a girl -- she's the only evidence of God I can find on this planet -- with the exception of the mystical force which removes one of my socks from the dryer every time I do laundry.
Laundry folded, they head out of the laundromat passing the drop-off "Fluff and Fold" facilities.

BILLY
Want some?
Wendy takes a big gulp. They are both awkward and apprehensive. She turns out a lamp. So does he, but knocks it over.

WENDY

She waits, and when she realizes no one has heard the crash, she sits down on the small loveseat. Billy joins her and going to kiss her, knocks her glasses askew.

WENDY
There's your rent money. Just take it and go away. She starts up the stairs. Billy comes to the doorway.

BILLY
Wend... I'm sorry... She is up the stairs and out of sight. Billy feels terrible. He eyes the money on the table and decides not to take it. As he opens the front door, white light from the moon glares INTO the CAMERA, as Billy moves into the light, it becomes whiter, more incandescent -- he becomes a ghostlike shape that eventually disappears and the SCREEN becomes SHIMMERING WHITE as we --

Kirbo is ushering Alec, Kevin, Leslie and Jules to their usual table.

**KIRBO**
Hey, I've been an amateur gynecologist for years.
He is gone as Jules and Leslie wave to Billy and start toward the ladies' room.

So, I went to see my boss and I thought he'd say something presidential like, 'How can I be in banking when I can't even balance my own checkbook.' But instead, he took me to dinner -- several times.

**LESLEI**
I was wondering why you haven't been sleeping over. Jules, I don't think you should start bopping your boss.

WENDY

ALEC

FELICIA

BILLY

ALEC
Listen to me, Billy. There's a hot-shot Korean in town. Big money. He needs a gopher. I don't know, for some reason I think you might be perfect for each other.

FELICIA
Alec. You've been so good to us.

ALEC
But if you blow this one, Billy...

BILLY

**BLACK HOOKER**
Hey, secret love, you want a date tonight?

**KEVIN**
What would you say the meaning of life is?

**BLACK HOOKER**
Got fifty bucks? I'll show you the meaning of life.

**KEVIN**
I don't pay for sex.

**BLACK HOOKER**
Oh, you think if you get some girlfriend, or maybe a wife, you ain't gonna pay? Oh, you'll pay. but you won't ever be sure you're gonna get it. Now with me, you pay, but you get it, and you get it good!

KEVIN
You can't keep ringing doorbells and running away, calling her and hanging up. What are you afraid of?

KIRBO
Rejection. Total and devastating. As long as she hasn't rejected me, there's hope.

KEVIN
I have lived with a secret obsession many years myself. However, I realize the other person has no interest in me -- so I pursue my career which is going even more unsuccessfully.

KIRBO
Who are you in love with?

KEVIN
I don't have to share everything with you...

(GRABBING LAUNDERY)
My underwear is enough. Kirbo, if you must pursue this narcissistic mortification, that you have decided to call love, then you must ask her out on a proper date. Like a young god. Like Alec, our leader, would.

KEVIN

JULES
Moi? Your were worried about moi?

LESLIE
We were worried about you and this affair with your boss.

JULES
Forrester is the greatest...

LESLIE
Forrester is married...

JULES
Leslie, this is the Eighties... I bop him for a few years -- get his job when he gets caught with his hand in the vault. I become a legend -- do a black mink ad, but get caught in a sex scandal. Retire in massive disgrace -- but write a huge bestseller and become the star of my own talk show.

WENDY
Silly of us to be concerned.

JULES
And besides, Forrester suggested some fabulous alternatives for my stepmonster...

WENDY
That's another thing. You seem obsessed with this woman's dying. It's creepy.

JULES

DALE

KIRBO
I know. But I'm obsessed by my fantasy of you. Dale realizes this man needs some help.

94 INT. DALE'S APARTMENT - NIGHT (MINUTES LATER) 94

Kirbo is actually entering Dale's apartment. A shrine.

DALE
I'm a slob... can't even make a bed straight... You ready for more...

(INdicating magazines on a coffee table)

She opens the apartment door as her roommate, JUDITH, arrives home with a bad cold.

DALE
Here's my roommate, Judith. She hates me.

JUDITH

Judith disappears into the bedroom as Dale puts out the garbage. Kirbo sits for a moment alone, stunned. Dale returns.

DALE

TROY

KIRBO

KIRBO
I don't feel it has any relevancy in the world I want to go into.

KIM SUNG HO

KIRBO
The 'real' world. Besides, did you know that there are more students in law school than there are practicing lawyers?

DALE

KEVIN

KEVIN
The best advice I can give you undergrads is to fail. Failure is a virtue in today's society. Human error is a badge of honor. If you're the alcoholic child of a celebrity, you can blame them and earn a year on the best-seller list. If you're a celebrity, your mistake will earn you a People magazine cover. KEVIN
That's not how you're supposed to ask. You're supposed to be a young lady who is very impressed with my mind. Having come from a deep Hungarian film and getting cozy over a brandy, she says... 'Is that... a coffin...?' And, then I say, 'Yes, it's my coffin' . 'Your coffin,' she would gasp, her interest in me growing by leaps and bounds. Then'I would sit back stroking her arm and say 'Yes, I figured we're going to spend a long time in the ground together so I've made friends with it... I've gotten
drunk on it... rolled joints on it. Even made love on it many times!'
It's a prop for affect.

Does it work?

**KEVIN**

How would I know?

Well you better not let Jules see it. She'll steal it for her stepmother. Are these relatives of yours?

**KEVIN**

You remember my family.

**LESLIE**

So I've wandered into a real woman trap here, haven't I?

**KEVIN**

Except you're the first woman I've ever been able to get up here. And I've blown all my props already... So how about
some brandy?
Kevin searches for clean glasses in the debris that passes for a kitchen, Leslie finds photos and political cartoons in his straw box. Eventually, she finds a photo of herself, and then another -- followed by dozens more. Kevin has an entire homage to her in his secret stash. He comes back with the brandy to find her looking at the photos.

   LESLIE
Am I part of your props?

   KEVIN

   (PAINFULLY: SWEETLY)
No... you're the real thing.
He quickly starts pouring the brandy as Leslie looks at Kevin, almost for the first time.

Alec was the first. There were other guys, in high school, boys -- but he was the first love of my life. I always wondered if Alec and I hadn't ended up in the same dorm -- well, I guess I would have
just found someone else. And so would he.

KEVIN
Alec had the luck of geography. Whatever we say about Alec we'll regret tomorrow.

LESLIE
What do you think about our relationship as an outsider?

KEVIN
Oooo -- dangerous question.

(BIG SLUG)
Sometimes I think I just hang around with you and Alec 'cause, well, since he introduced me to you...

LESLIE
Kevin.

KEVIN
And I think the reason I'm not interested in other women... is 'cause I...

There is a mad moment of hesitation and then Kevin and Leslie smash into each other's arms.

KEVIN

I love you... I've always loved you.
They kiss madly, passionately. They fall to the floor in a frenzy. Leslie pulls Kevin's hair.

KEVIN

Aaaah. Ouch...
(as she stops)
No. I love it. I love it!!!
Leslie grabs onto the large throw rug as they roll around the floor. Somehow as they roll and turn, the rug gets wrapped around them. Leslie tears at his shirt, as he yanks her sweater off. Kevin fights madly with the back of Leslie's bra. He is going berserk trying to find the clasp.

LESLE

No... it's in front.
With a flick of her hand she undoes her bra and opens up the wonders of paradise to her old buddy. They kiss madly again as they roll in the rug.

126. SHOTS OF CLOTHES ALL OVER THE ROOM 126
Leslie and Kevin fuck on the floor, on the coffin, in the shower. All over the apartment.

127 EXT. SHOW-COVERED PENNSYLVANIA TURNPIKE - NIGHT 127

The worst turnpike in the world. Kirbo swerves on the slushy lanes. Fortunately he is the only car on the road.

KIRBO (V.O.)

Dear Mr. Iacococca... Recently, in a life and death situation, I had the bad luck to use one of your so-called luxury cars...
Finally, he sees a large sign reading: "SEVEN SPRINGS."

Jules, in a fur coat, is driving Billy home. They both are moving kind of slow, having had too much of everything.

JULES
Which one is yours? I always forget.

BILLY
So do I. You wanna go someplace? He points to a house. Jules stops the Jeep.

JULES
Do I. I've had a shit day.

BILLY
I've had a shit year.

JULES
Where do you want to go?

BILLY
The bars are all closed. How 'bout your place?

JULES
We're going to my place. Good. She STARTS up the JEEP.

BILLY
Jules, you've really grown up into a fine-looking woman.

I don't feel very fine-looking.

Yeah, well, I bet you really won't have so much to say with me in your mouth.
He kisses her wildly as she pushes him away aggressively.

JULES

He grabs the keys from the ignition as the CAR DIES.

JULES

Holding her off with one hand, he shoves the keys into his underwear and then sits back grinning.

BILLY

She attacks him, biting his hands, his neck and his chest. Billy shrieks with laughter and pain.

You break my heart. You break everybody's heart. She drives off in the Jeep. Billy fumbles with his pants and then turns toward his house. Felicia, holding their baby, stands watching from the porch. Obviously having seen most of this, she silently goes back into the house, locks the door and turns out the light. Alone, drunk and bewildered, Billy starts moving away from the house realizing he has no place to go.

MAX (V.O.)
Who is it?
KI RBO
Is Dale Biberman in there?

MAX (V. O.)
Who wants to know?

KIRBO
Kirby Kreager! And who the hell are you?
The door swings open and there stands GUY, a handsome thirty-year-old wrapped in a blanket. Dale comes from the bedroom, fastening a man's robe and staring at Kirbo in disbelief.

DALE
Kirby? What are you doing here?
His entire world has collapsed. He can't swear, shout or cry -- he can only dash toward the car frantically. Falling in the snow once or twice, he eventually jumps into the car and tries to peel out, but it just spins in the snow. Meanwhile Guy has put on heavy boots and comes running out to the car where Kirbo stands on the gas to no avail.

DALE
Kirby, stop. Come inside. He ignores her maniacally as he keeps desperately trying to get out of there.

GUY
You've got no skid chains or snow tires. You've got no traction. Kirbo ignores them.

DALE

KIRBO

I've had second thoughts. Intimacy is dangerous and shattering... but ultimately necessary.

KIRBO
But, Kevin, I used to wait outside her house,. ring the bell and then when she'd come to the window I'd run away. Just to get a glimpse of her.

KEVIN
The night Leslie gave me the kiss-off, I fucked a black hooker three times.

KIRBO
Not Naomi, from our corner?

KEVIN
Naomi from our corner.
KIRBO
I think you better go to the
doctor and get some shots.

KEVIN
I used a rubber. She put it on
me with her mouth.

They stop as they reach St. Elmo's. Looking inside, they
see Alec at his usual table.

KIRBO
I always thought we'd be friends
forever.

KEVIN
Forever got a lot shorter suddenly.
They move on, passing a sign on the door: "WAITER
WARTED." Kevin points to it.

KIRBO
No, as soon as I get back in
school, I'm going to work part-
time for a law firm. Did you know
there are as many people in law
school as there are practicing
lawyers?

KEVIN
Sounds familiar.

KIRBO
How'd she put the rubber on with her mouth?

156 INT. LARGE GLAMOROUS INTERNATIONAL BANKING OFFICES - DAY

A well-dressed female executive secretary looks disturbed as she enters a formidable office. She returns with a distinguished GENTLEMAN in a grey suit. He approaches Leslie who is waiting anxiously.

GENTLEMAN
Yes, may I help you?

LESLIE
I want to see Forrester Davidson Jr.

GENTLEMAN
I am Forrester Davidson Jr.
Leslie is shocked and even more confused.

LESLIE
Well, there must be some mistake.
I've come to see Julianna van Patten and they told me she doesn't work here anymore.

104.

157 INT. SENATOR HODGES' HEADQUARTERS - AFTERNOON (NOVEMBER)

Busy. Active. Alec is on a phone and talking to coworkers at the same time. He looks up to see Leslie, very shaken, waiting across the room. He is immediately angered, but eventually gets off the phone and joins her.

ALEC
Did you forget one of your albums?
I'm sorry to bother you here. It's Jules. After she left for work this morning, the finance company came and took away all her furniture, her Jeep, everything they could get their hands on... I couldn't reach her so I finally went over to her office. Alec -- she was fired three weeks ago! All this time, she's been pretending to go to work every day, and pretending to be still having this affair with her boss. And she's been doing a lot of coke. Well, anyway, I confronted her at the apartment, and at first she denied everything, but then she went crazy -- and now she's locked herself in the apartment and she won't let me back in... I'm really worried about her.

Alec hesitates angrily.

Alec, please. I need your help.

Later

Alec knocks on the door with Leslie.

Jules, open the door.

Leslie puts her key in the door.

Dead locks and a heavy bolt prevent it from opening.

Leslie (O.S.)

She's in there.

(Continued)
159 CONTINUED:

ALEC (O.S.)
â€œ Jules, come on. Just open the door.

160 INT. JULES' APARTMENT

The main room is empty and dark, except for Jules, who sits on the floor dressed only in a thin T-shirt and bikini pants. Thin, tired, no makeup, this is a different Jules than we have seen before. Freezing winds shoot through the open window.

161 INT. APARTMENT HALLWAY

ALEC

Jules, remember my junior year when I went cold turkey on cigarettes? You sat up with me all night in the commons room feeding me emergency carrots...?
No answer.

LESLIE

Jules, if you don't let us in, we're going to have to call the police. There is a beat and then Jules speaks from the depths of hell.

JULES (O.S.)
I'll throw myself out the window before they get through the door.

LESLIE

Not my greatest ploy.

ALEC

Jules, remember the time I flunked art history and I was trying to drink myself to death...?
Kevin and Kirbo come dashing up the stairs breathlessly.

KIRBO

How is she?

LESLIE

She just threatened to throw
herself out the window.
Kevin and Alec have a moment of awkwardness.

LESLIE
The fire escape!

106.

162 EXT. JULES' BUILDING - LATE AFTERNOON 162

Alec, Kevin and Kirbo climb up the fire escape. They arrive at the second floor to find burglar proof grill-work locked in place, but the windows are still wide open.

163 INT. APARTMENT - THEIR POV 163

Through the iron bars they see Jules.

164 EXT. FIRE ESCAPE 164

ALEC
Jules, what are you doing? You'll freeze...
He stops.

KEVIN
To death. Exactly!
The three young men start tearing at the bars frantically.

165 INT. HALLWAY 165

Leslie pounds on the door.

LESLIE
Jules, you're really scaring me now.

166 EXT. JULES' FIRE ESCAPE - LATE AFTERNOON 166

Alec, Kevin and Kirbo cannot budge the bars.

KEVIN
The whole country is falling apart,
but these five bars are made perfectly.

ALEC
We need something that cuts through metal.

KEVIN
Or an experienced thief.

KIRBO
I'll find Billy.
Kirbo dashes down the fire escape.

KEVIN
I was kidding.

166 CONTINUED:

KIRBO
Billy's working at the big Chevron station on Michigan. He must have a hacksaw or something...
Kirbo takes off on his bike as Alec looks at Kevin.

ALEC
Billy is working in a gas station???

KEVIN
He needed the money.
Suddenly, Alec and Kevin become aware that they are alone.

ALEC
I saw your article.

KEVIN
Yeah, well, yesterday's editorial achievement is today's garbage wrapper, right...?
Kevin tries to laugh charmingly. Alec tries to laugh
along with him, but suddenly rage returns.

**ALEC**

You little shit!!!
He grabs Kevin. Kevin tries to fight back, but Alec is so overpowering he pushes Kevin up to the railing of the fire escape, and then pushes him over. Kevin hangs upside down as Alec holds him by his legs. Dozens of scraps of paper fall from his pocket. Leaning out the apartment hallway window, Leslie sees them.

**LESLIE**

Alec, no!!!

167 INT. JULES' HALLWAY - LATE AFTERNOON 167

Leslie runs screaming through the hall and down the stairs, passing Ron Dellassandro who is just coming home from work.

**RON**

What's happening???

108.

168 EXT. JULES' FIRE ESCAPE - LATE AFTERNOON 168

Kevin, still hanging upside down, tries to hang on to Alec. Papers continue to fly.

**KEVIN**

My notes!

**ALEC**

You won't need any more notes on the meaning of life.

**KEVIN**

(upside-down,

**STRAINING**)

I'm kinda betting on you not doing it, Al... think of your political
career. Leslie runs into the alley underneath them.

LESLIE
Alec, stop it! She frantically starts climbing the fire escape.

LESLIE
Alec!!!

BACK TO ALEC AND KEVIN

ALEC
After all I've done for you.

KEVIN
I feel I've done a lot for you, too, Al... so pull me up and we'll call it even.

ALEC
What you did for me was take the woman I was going to marry. The woman he was going to marry arrives frantically onto their landing. She struggles with Alec.

LESLIE
Alec, stop it right now! Below them, Billy and Kirbo pull up in a Chevron tow truck. Billy, wearing Chevron coveralls, jumps out with an acetylene torch in hand, shouting.

BILLY
Looks pretty ultimate up there...

168 CONTINUED:
He helps Kirbo, who is struggling with a two-wheeler dolly holding a large tank of oxygen and acetylene.

LESLIE, ALEC AND KEVIN

KEVIN
You think this is helping Jules? With Kevin's life still in his hands, he suddenly
remembers Jules.

169 INT. APARTMENT - THEIR POV 169

Looking back inside, he sees her still in the same position, freezing.

170 EXT. FIRE ESCAPE 170

He slowly pulls Kevin onto the fire escape.

**LESLEIE**

Are you all right?

Kirbo tries to get the dolly up the fire escape with Billy.

**KIRBO**

Hey! Help.

Kevin goes down the fire escape to help him, leaving Alec and Leslie alone. Leslie kneels by the window with her hands on the iron bars and speaks to Jules.

**LESLEIE**

Oh, my God. Jules, please, it's so cold.

**ALEC**

Very noble how you ran up here to save your lover.

**LESLEIE**

He's not my lover. Jules, listen...

**ALEC**

Bullshit.

**LESLEIE**

I have never lied to you once since the day I met you... you cocky shithead.

(CONTINUED)
Alec knows it's the truth.

LESLIE
Hang on, Jules. We all love you. She has been holding onto the bars with her bare-hands, but the bitter cold makes her wince as she removes her hands. Alec is overwhelmed with feelings as he takes her hands and holds them to his mouth, breathing warm breath onto them. Much emotion passes between them.

LESLIE
Your breath, your breath is so sweet.

ALEC.
Leslie, I'm sorry. I'm so profoundly sorry.

Kirbo and Kevin arrive. Billy races down the alley.

KIRBO
Blowtorch, anyone?

ALEC
Give it to me.

KEVIN
Do not hand him a blowtorch! Kevin takes the torch and goes for the bars. SPARKS and fire fly. Suddenly there is a PHENOMENAL POUNDING from inside the apartment at Jules' front door. It stops everyone on the fire escape.

171 INT. JULES' APARTMENT 171

The POUNDING jolts Jules.

172 EXT. JULES' HALLWAY - LATE AFTERNOON 172

Billy pounds on the door as Ron watches nervously.

BILLY
(FRIENDLY)
Jules, it's Billy. Open the door.

(NO REPLY)
Okay, Jules... Open up the goddamn door, or I'm coming right through it.

No reply. Billy spots a large metal fire extinguisher at
the end of the hall.

114.

178 CONTINUED: 178

LESLIE
You want some coffee, Ron?
Ron enters tentatively and joins them as JULES and BILLY start SHOUTING and LAUGHING LOUDER.

RON
You know, until today I thought gay people were nuts.

179 INT. UNIDENTIFIED APARTMENT - MIGHT 179

Billy sits on the floor playing his sax soulfully.

WIDER ANGLE
REVEALS it's Wendy's apartment. It is partially painted and a large ladder stands in the room. A small wing chair has fabric swatches on it. Cartons, books, etc. Wendy sits on the floor watching Billy.

WENDY
Then what happened?

BILLY
That was it... We came out of the bedroom and had coffee with everybody.

WENDY
You saved her life.

BILLY
Let's not get dramatic.

WENDY
So, when did you get so sane?

BILLY
When I realized how insane I've
been all this time tryin' to be like Alec and Leslie... and you and Kevin... I'm not part of this post-college Georgetown life; marriage and jobs. Felicia and Melody'll be better off without me.

WENDY
Did she get remarried already?

BILLY
Three or four weeks...

BILLY (CONT'D)
I was thinkin' of hanging around tryin'to be one of those in-the-neighborhood dads... but it would just confuse everybody... especially me. New York'll suit me fine. if somebody'll let me play sax.

(INdicating apartment)
This is great.

WENDY
I'll tell you what's great. Last night I woke up in the middle of the night and made myself a peanut butter and jelly sandwich... and you know it was my kitchen, and my refrigerator and My apartment. and it was the best peanut butter and jelly sandwich I've ever had in my life. They chuckle together and then they become more serious.
WENDY
So you're goin', huh...?
She picks up his sax and blows a few comic notes.

BILLY
So, are you still a virgin?

WENDY
Why is my sexual status so important to you?

BILLY
Have I abused our relationship too much? Or could I be so bold... as to ask you for a going-away present...?
Wendy is moved.

181 EXT. BUS TERMINAL - NIGHT 181
A large bus pulls out as Leslie stands at a coffee vending machine. Alec approaches.

ALEC
Need someone to blow on your hands?
She smiles, but shows him her gloves. As she searches for change in her pockets, Alec stops her and puts his own coins in the machine. He presses buttons as he talks.
ALEC
Did you know that I always wanted to make you coffee? I tried once -- when you were in the shower -- but it didn't turn out right, so I threw it out and cleaned everything up so you wouldn't know. I don't like doing things I'm not good at -- like making coffee and saying I'm sorry...
He looks at her sincerely as he hands her the plastic cup from the machine.

ALEC
Leslie, I'm sorry.
They exchange a tender glance, and then Leslie takes a sip from the steaming cup.

LESLEY
Alec, this is soup.

ALEC
What?

LESLEY
This is soup.
Alec's nervousness turns to embarrassment as they both start to laugh. Old feelings surge.

LESLEY
I love you.
They look at each other for a moment.

LESLEY
We need time.

ALEC
I know.
