FADE IN -- Title:

For nearly forty years this story has given faithful service
to the Young in Heart; and Time has been powerless to put its
kindly philosophy out of fashion.

To those of you who have been faithful to it in return

...and to the Young in Heart --- we dedicate this picture.

UNCLE HENRY
Don't bother us now, honey -- this old incubator's gone bad, and we're likely to lose a lot of our chicks.

DOROTHY
Oh -- oh, the poor little things. Oh, but Aunt Em, Miss Gulch hit Toto right over the back with a rake just because she says he gets in her garden and chases her nasty old cat every day.

AUNT EM
Seventy -- Dorothy, please!

DOROTHY
Oh, but he doesn't do it every day -- just once or twice a week. And he can't catch her old cat, anyway. And now she says she's gonna get the sheriff, and --

should have a little more heart yourself, and have pity on her.

    DOROTHY
    Well, gee, I try and have a heart.

    HICKORY
    Now look, here's something that really has a heart. This is the best invention I ever invented.

    DOROTHY
    This?

    HICKORY
    Sure. It's to break up winds, so we don't have no more dust storms. Can you imagine what it'll mean to this section of the country? I'll show you. It works perfectly now. Here's the principle. You see that fan -- that sends up air currents into the sky. These air currents -- Oh, stop it!

DOROTHY
Oh, that's very kind of you -- but this could never be like Kansas. Auntie Em must have stopped wondering what happened to me by now. Oh, Scarecrow, what am I going to do?

SCARECROW
Look -- here's someone who can help you!

I have?

SCARECROW
Then why didn't you tell her before?

GLINDA
Because she wouldn't have believed me. She had to learn it for herself.

TIN MAN
What have you learned, Dorothy?

MCU -- Dorothy -- Lion behind her -- she speaks --

DOROTHY
Well, I -- I think that it -- that it wasn't enough just to want to see Uncle Henry and Auntie Em -- and it's that -- if I ever go looking for my heart's desire again, I won't look any further than my own backyard. Because if it isn't there, I never really lost it to begin with! Is that right?

MCS -- Tin Man, Dorothy, Glinda, Scarecrow and Lion on platform -- they speak -- Glinda points down to Dorothy's slippers --

GLINDA
That's all it is!

SCARECROW

TIN MAN
Now I know I've got a heart -- 'cause it's breaking.

DOROTHY
Oh -- Goodbye, Lion. You know, I know it isn't right, but I'm going to miss the way you used to holler for help before you found your courage.

LION
Well -- I would never've found it if it hadn't been for you.
