793:15 MS Sid and Ayesha

Well not professionally but I hope... Siddharth tell me something about Bombay

You ask me about something

If you want to show me one place of Mumbai and that too within this night then where will you take me?

The sea has always been special for Bombay. I guess I can see why. This city where everything keeps changing only the sea does not change, you is always here you know

Actually Ayesha you should see it in the rains. Bombay rains is what people keep complaining. The floods, traffic but I love the monsoons. Whenever it rains the sea looks amazing then and can see it really awesome

Wow I am going to remember that

Ayesha can I ask you something

If anything more it left ask it

You are alone in Bombay, are you not scared

Are you kidding Siddharth? You don’t know how scared I am. I have never been alone like this. You know what everything will be alright. It was dream to come to Bombay and now that I am here I cannot be scared. There is so much to be done here that there is no place for fear

I think you are really tough. Ayesha really I mean. I couldn’t have done anything what you are doing. So I guess cheers to your dream

MCS Ayesha in the cyber café.

VO: So you know I am and haan... then news is

MCS Ayesha comes to the magazine office.

VO: Aaj mei magazine office gayi thi mere pahale interview ke liye and Sid it was amazing you know kuch persons ki personality hi ayesi hoti hai. Milte hi dost ban jate hai. Tumhe kabhi ayesa laga hai. Magazine ke creative director se appointment thi. It went off quite well actually Amit magazine ka head photographer bhi hai tumne kaha than a tumhe is magazine ke photos acche lagte hai. Mujhe naukri mil gayi na to tum kisi din office aa jana. Mera final interview kuch din baad hai. Keeping my fingers.

Dude why are you scared of Neha? She has challenged your independence. What are you doing, I will ring you up in a while

Can we do some work Sid

Ofcourse dad that's why I am here

Okay Sid this is your last Pizza in my office. In fact from today you will not enter my office without my permission. This is not your house, it is my office. There are some rules here, is that clear. Your work will be out with the staff. Because you have to know everything about the Mehra furnishing company. You will have to read the literature of the company, background, location everything. And then next Tuesday is the meeting and till then you will tell me which department you want to join. In the beginning everything will look dull but then if you concentrate you will find it interesting. One more thing Sid, you are not my spoilt son here, you are a trainee and you have to understand the working of a big company. You are very lucky.

Hello my first Bombay friend, how are you? I was thinking about you today

I had gone to the magazine office today, it was my first interview and Sid it was amazing you know, some personalities are like that. They become friends as soon as you meet them. Have you ever felt like that. I had a appointment with the creative director of the company. It went off quite well actually Amit is the head photographer of the magazine. If I get the job you can come to my office. My final interview is after some days. Keeping my fingers crossed.
CS Sid in office

Sid    Tum aur mei dost to ban gaye which is great. Par socho to ham kuch aur bhi ban sakte the, you know dost se bhi jyada. To tumhe kya lagta hai ayesha kyun nahi hua?
Ayesha  Sid because bas nahi hua ham dost hi thik hai Sid aur mujhe nahi laga ki I could fall in love with someone like you that’s why?

Sid    Now seriously Ayesha, mujh mei kya kami hai
Ayesha  It’s not tum mei kuch kami hai. Sid mujhe iske bare mei baat nahi karni hai tumhe bura lagega.
Sid    Are bura kyun lagega. Pyaar thodi na karta hun tumse. Come on I think you talk on this
Ayesha  Okay mere khyaal se tum abhi bhi baccie ho Sid. Thode immature ho childish bas wo nahi ho jise mei dhund rahti hun
Sid    Okay this is going to be fun, so tum kise dhund rahti ho Ayesha?
Ayesha  I guess somebody jo independent ho for starters status, jiska koiy definite career ho koiy goal ho life mei. Jiske ideas mujhse milte ho. In short a man not a boy
Sid    Basically mere exact opposite
Ayesha  Basically tum meerliye bilkul galat profile ho Sid.
Sid    Vaise mei bhi soch raha tha mei l aht young hun tumhare liye. Tumhare liye koiy serious type hi accha rahega. Wo jo tumhari age ka ho

Anything you are a very good friend

Ayesha shall I ask you something?

Ask

You and I became friends which is great but if you think we can be something else also, you know more than a friend. Then what do you think why is it not like this?

Sid because it is not enough we are friend that’s enough Sid and I don’t think I could fall in love with someone like you that’s why?

Why? I mean I am kind of perfect

Yeah

Now seriously Ayesha, what is less in me

It’s not that anything is less in you. Sid I don’t want to talk about this you will feel bad

Hey why would you feel that. I don’t love you. Come on I think you talk on this

Okay I think you are still a kid Sid. You are a bit immature, childish and not the one I am looking for

Okay this is going to be fun, whom are you searching for Ayesha?

I guess somebody who is independent for starters status, one who has a definite career has a goal in life, whose ideas meets mine. In short a man not a boy

Basically mere exact opposite

Basically you are a wrong profile Sid

I was also thinking that I am very young for you. Some serious type man would be fine for you. The one who is of your age
I knew that you will feel bad. What do you think what is my age

30

Seriously

Look I am 27 now if you irritate me then I will throw you down from this tank

Oh that's neat, i was busy. But you know you have applied for the post of my assistant you should know that I am always busy. You know my last assistant Edna brilliant absolutely brilliant and absolutely brilliant and she became pregnant. My bad luck I suppose and your good luck. So Ayesha Banerjee your application letter is interesting but the CV is a bit weak, you have worked for 2 months in the Calcutta state library.

But you were editor for two years of the college newspaper
Miss Banerjee but I am talking about the real experience, serious work which we do here. I am workaholic, I want it easy for you to work with me. I am not sure that you can do.

Of course I can do. I have come so far from Calcutta to become a writer. I will learn a lot from you.

Writer you want to become a writer then why did you apply for this post. This is my assistant’s post only clerical work it won’t be any creative. To clear my table and anyway our magazine about Bombay and you are not from Bombay.

But you were also from Bangalore when you had joined this magazine and became editor in ten years. I know everything about you. Actually I thought a lot before joining this job. In fact I have imagined a thousand times in my mind. I had not thought that I would be so nervous and you so handsome, you know I will clean very creatively this desk needs cleaning.

Siddharth let me clarify one thing. Ye tumhara ghar nahi hai ye mera ghar hai. Agar is ghar mein rehna chahate ho to mere rules ke mutabik chalna padenge okay

Sid don’t you dare walk out you will wait there and listen to me quietly. At your age my father died and I was married. I took the responsibility of the whole house. We used to stay in a chawl in Jogeshwari. I struggled and earned so that I give you all this. This life style your arrogance

You are damn right at least you could do that much

Sid you are.. come on go to sleep. Sid you are okay
Main hu ki hum baat nahi kar rahe aur aap ab bhi naraaz hai mujhe aur mujhe lagta tha ki aap kisi din mujhe phone karenge aur vapas ghar bula lenge. Par aapne aisa nahi kiya maine bhi soch liya ki jab tak aap mujhe khud nahi bulayenge main aapse milne nahi aayunga. Lekin aaj mujhe job mila gaya hai. Ek magazine mein assistant photographer ki post hai aur mujhe ye job karna hai. Ek mahine se photographs le raha hu kaam kar raha hu main bahut khush hu. Main janta hu ki photography ke bare mein maine kabhi baat nahi ki aur hamara family business bhi hai. Lekin pata nahi kyo mujhe lagta hai ki aap mujhe samajh jayenge. Aap samjhenge kyo ki photography mujhe ap se hi mili hai. Main bhool gaya tha ki photography aap ki bhi hobby hai kitne photographs lete the aap. Phir kyo bund kar diya aapne?

You have grown up son. You didn’t have time for my photographs and for me the meaning of photographs was to click your photos.

This is my first pay cheque. For you

Promise me what ever you will do you will do it sincerely

I am sorry pa

What happened Sid? Why did you call me so early?
00:00 MS Ayesha and Sid

Sid Thank God tum aa gayi Ayesha. Tum believe hi nahi karogi ki aaj kya hua?

Ayesha Kya?

Sid Aaj main dad se milne gaya aur sab kuch thik ho gaya. Unhone mujhe ghar aane ke liye kaha hai. Main ghar ja raha hu. Ayesha finally apne ghar ja raha hu. Ayesha kuch kaho

Ayesha That's great Sid. That's really great to kab ja rahe ho?

Sid Abhi dad mujhe lene aate hi honge

Ayesha Itni jaldi chale jaoge

Sid Ha Ayesha ab ye kabadkhana phir se tumhare ghar ban jayega

88.17 MS Ayesha and Sid. Both argue

Sid Tumne mujhe yaha itne dino tak rehne diya. Thank you so much for everything. Ye tumhare liye

Ayesha Mujhe nahi chahiye

Sid Ayesha maloom hai chota sa gift hai. Lekin ye tumhare liye hai

Ayesha Mujhe nahi chahiye tumhare ye stupid gift okay

Sid Ayesha tum itni upset kyo ho rahi ho

Ayesha You are so right. Papa nahi main kyo upset ho rahi hu. After all mujhe pata tha ki yahi hone wala hai. Parents se ghussa the to yaha reh gaye. Ab ghussa nahi ho to vapas ja rahe ho

Sid To kya hua main vapas apne ghar ja raha hu hamesha to yaha nahi reh sakta na.

Ayesha Kvo nahi reh sake vaha Sid?

Thank god you came Ayesha. You won't believe what happened today?

What?

Today I went to meet dad and everything was all right. He told me to come back home. I am going home. Ayesha finally I am going home. Tell me something

That's great Sid. That's really great so when are you going?

Dad must be on his way to take me

You will go so soon

You allowed me to stay here for so many days. Thank you so much for everything. This is for you

I don't want

Ayesha I know this is a small gift. But this is for you

I don't want your stupid gift okay

Ayesha why are you getting so upset

You are so right. Don't know why I am getting so upset. After all I knew that this would happen. You were angry with your parents so you came here and now you are not angry and so you are going back

So what happened I am going back to my house I cannot stay here forever

Why cant you stay here Sid?
Ayesha I cannot understand

How will you understand Sid, you will not understand anything. You took this decision and didn’t even tell me. Didn’t even think how would I feel. Like a child you decided in a minute and now you are going. I should have known that you were a child and will always remain a child.

Damn you. Ayesha why are you doing like this what ever I do for you, this will never happen. Yes Ayesha I am a kid and will remain a kid. God I am fed up. I am fed up listening to you that I am a kid. I am fed up proving myself. Since when I have come here I am trying that I change in your views. But no use, what ever I do you will think that I am a kid. Because you cannot see anything. I am just so sick of you Ayesha I am just so sick of you Aish
