TWO MOONS SIT HIGH IN THE NIGHT SKY... MERE MOMENTS FROM 1 A FULL ECLIPSE.

EXT. DARK FOREST. NIGHT

SOMEBWHERE... we see the racing footsteps of FOUR HORSES through the trees. The sound of a thunderous stampede.

SOMEBWHERE ELSE...

A HOODED WITCH looks to the moons and spins around...

HOODED WITCH

The TIME IS NIGH!

A COVEN OF HOODED WITCHES have formed a circle in the forest. A BEAUTIFUL MAIDEN is thrown on to a stone alter. She's terrified, her hands bound.

THE WITCHES begin chanting as an EVIL LOOKING WARLOCK drops a LARGE CHALICE and enters the circle, wiping the remaining liquid from his mouth, smiling a toothy grin at the screaming maiden.

WARLOCK

It has been one hundred years since these two moons have aligned. Tonight under their glow I will fulfill the ANCIENT PROPHECY! And darkness shall return to the land as it did one thousand years ago.

The Hooded Witches hiss with delight. The Warlock strokes the frightened maiden's face.

WARLOCK (CONT'D)

Be not afraid, my dear. This is your destiny. You will bear my dark seed giving birth to a new age. An age of destruction. An age where I rule the universe!!!

THWIP! Out of no where, An arrow with a glowing tip finds its mark through the center of his open mouth... With a surprised look on his face, the Warlock drops dead.

The WITCHES turn as a BAND OF GOLDEN KNIGHTS emerge from the forest and climb from their horses. Their ARCHERS taking aim on the HOODED HAGS.

The WITCHES scream but it's too late... arrows quickly cutting each down in unison. The Maiden can barely believe her eyes as all her captors suddenly lie died.

CONTINUED:

THE HEAD KNIGHT steps forward, taking off his helmet.

HEAD KNIGHT
At ease maiden. You are safe.

He looks up to the two moons now moving away from each other. The eclipse over.

HEAD KNIGHT (CONT’D)
The world is safe.

SECOND KNIGHT
Let us pray that a hundred years from now, when these moons cross again. There is a hero as brave as you to keep the world from tumbling into darkness.

MAIDEN
God pray...

The Maiden clutches the Knight and looks to the heavens.

FADE TO BLACK.

MAIDEN (O.S.) (CONT’D)
(whispers)
...A hero as brave.

TITLE CARD: PRETTY MUCH ALMOST A HUNDRED YEARS LATER...

INT. FANCY TENT - HIGH NOON

A doughy face is red with strain. His veins bulging. His eyes shut tight...

Pull out to reveal -- PRINCE THADEOUS (30) is taking a huge rip from a hookah being held up by THREE ELVES.

ELF #1
You must remain calm My Lord. This will help your nerves. Find your warrior’s heart inside you!

THADEOUS
Gods be DAMNED!

He exhales and coughs like a mad man.

THADEOUS (CONT’D)
I’m ready for anything now!

The elves all laugh and high five the Prince.

COURTNEY (O.S.)

Prince Thadeous?

COURTNEY, a man who serves as the Prince’s trusty minstrel, peeks his head through the tent.

COURTNEY (CONT’D)

Sir, Mr. Tumblebottom is waiting for the duel.

THADEOUS

...The Duel?

EXT. OPEN FIELD - CONTINUOUS

Thadeous pokes his head out of his blue tent. Standing across the field in front of a red tent is the elf, JONATHAN TUMBLEBOTTOM.

Next to him, BIG BEATRICE and a clan of little elves.

Thadeous whispers to Courtney...

THADEOUS

Shit. Can’t do it. I’m too high. I can’t use a sword right now. I’m bound to hurt someone. Probably myself. Song, Courtney. Sing something to get me in the zone.

Courtney strums his LYRE. Thadeous closes his eyes.

COURTNEY

Prince Thadeous would win his love today. By smiting Tumblebottom badly in the face.

THADEOUS

Enough. I hate that song.

TUMBLEBOTTOM

Come out from your hiding Prince Thadeous. You’ve had enough time to prepare. Face your destiny. Prepare to bleed by thy blade.

Thadeous composes himself and steps out of the tent. The stoned elves and Courtney stand behind him. The elves just keep giggling. Blood shot eyes, ripped up.

THADEOUS

Beatrice, look at him. He’s an elf and an asshole.

(MORE)
THADEOUS (CONT'D)
Is this really what you want? His love and sexuality rather than mine? Must we commit murder to decide your fate?

Beatrice shrugs. Tumblebottom smiles.

TUMBLEBOTTOM
She loves you not, Prince Thadeous. Only upon your victory will she be yours.

Thadeous “air measures” Tumblebottom’s height. He puts it around waist height and then pretends to get an air blow job from his measurement.

Tumblebottom takes insult and puts his hand on his sword.

TUMBLEBOTTOM (CONT'D)
How dare you!

THADEOUS
How dare YOU, Sir!

Thadeous grabs his own sword.

THADEOUS (CONT’D)
So we both have our hands on our swords now. There’s no turning back once these blades are drawn.

They begin to circle each other.

TUMBLEBOTTOM
I hope you enjoy bleeding.

THADEOUS
I hope you enjoy bleeding as well. Because that is getting ready to happen to you! If the sword fight happens.

Thadeous grips his sword and then...

THADEOUS (CONT’D)
Fuck this! I am a powerful and beautiful prince! MINSTREL COURTNEY! Fight him and prove your commitment to this kingdom.

COURTNEY, Thadeous’ loyal and little minstrel, shifts nervously as all eyes turn to him.

COURTNEY
Your highness, I’m not trained in these ways-

THADEOUS
DESTROY HIM!

COURTNEY
Yes, Your Highness.

Courtney puts down his LYRE and then steps into the duel, posing no threat. Tumblebottom looks a little intimidated himself. He turns to his right hand man, LORI.

TUMBLEBOTTOM
Lori. You. Go fight this freak instead of me.

LORI
But Sir.

TUMBLEBOTTOM
You are my slave. Do it.

Thadeous leans into Courtney’s ear, sizing up Lori.

THADEOUS
You can take him. You must. The reputation of my manhood is depending on you. Is The Beatrice looking at me?

BIG BEATRICE is eating a TURKEY LEG and pays no attention.

COURTNEY
I don’t believe so, no.

THADEOUS
Harlot. Go on then, murder him.

TUMBLEBOTTOM
To the death!

Courtney steps forward as does Lori.

COURTNEY
I’ve never done this before so-

LORI
This should be easy then.

Lori socks Courtney in the face, grabs him and spins him around. Throws him to the ground.

(CONTINUED)
Gives him an Atomic Elbow and knocks the wind out of him. Courtney scrambles to escape, but is clearly getting his ass kicked for his kingdom. He gets in a few good hits and the wrestling match ensues.

Thadeous gets excited about the fight, an enthusiastic spectator rooting for Courtney. Tumblebottom digs it too, pumping his fist for Lori.

Tumblebottom steps back, lights a joint, takes a drag and hands it to Thadeous who accepts this good hearted gesture.

Beatrice snores.

A ROYAL ADVISOR rides a horse up the hill. Out of breath, he formally calls to his Prince.

ROYAL ADVISOR

Prince Thadeous!

Thadeous hides the joint and Courtney and Lori try to play it cool and pretend they have not been fighting.

ROYAL ADVISOR (CONT’D)

Prince Thadeous, behold! Your father, King Tallious has requested your presence at once. Your brother the great Prince Fabious is soon to return home from his quest. His travel is near to the kingdom grounds.

THADEOUS

Ah, fuck me.

TITLE RISES IN GOTHIC, GOLD, IRON MAIDEN FONT:

YOUR HIGHNESS

EXT. KINGDOM OF DOOBERY – DAY

A beautiful CASTLE sits high above THE KINGDOM OF DUBRIS. A GROUP OF BAD ASS KNIGHTS in shining armor ride into the kingdom atop their THUNDERING STEEDS, their SERVANTS and MINSTRELS in tow kicking up dust clouds.

INT. THE GREAT HALL – DAY

Thadeous stares at his father as he is reprimanded. Courtney stands behind him looking a little beat up. KING TALLIOUS is a kind, weathered king who sits on his THRONE. His ADVISORS stand about.

(CONTINUED)
KING TALLIOUS
Don’t you want to welcome Prince Fabious home?

THADEOUS
Why must I greet my brother, and bow to him because of a silly quest? Whenever I do extraordinary things that deserve a nut sucking nobody puts out rose petals or turkey feathers for me to prance upon.

KING TALLIOUS
Your brother went on a noble journey putting his life on the line to protect this kingdom.

THADEOUS
And I’ve been doing things that I do to be done as well!

KING TALLIOUS
What?

THADEOUS
Courtney, tell him the admirable accomplishments of my day.

COURTNEY
Umm... You took a bubble bath with what’s her name... and ate toast... and had a cat nap and persuaded the kitchen mistress to give you a rectal wash with partridge tears-

The King sniffs the air.

KING TALLIOUS
You smell of wizard’s weed and bloodberry rum. What have I told you about-?!

THADEOUS
-I evacuated a band of heathens in the valley that were threatening our women and children by distributing mind altering substances. They were breathing on me and exuding a stench most foul!
KING TALLIOUS

Why do I find that hard to believe?

Suddenly, THE DOORS swing open, and in trots JULIE, another fey man minstrel with a scroll. A SILENT CROWD follows him in. Julie clears his throat.

Thadeous rolls his eyes, takes one of THE OLD WISE ADVISOR'S GOBLETs and starts chugging.

JULIE

Here ye, here ye! I have come to herald news, and might I add with blossoming personal joy... THE RETURN OF PRINCE FABIOUS!

Everyone in THE GREAT HALL applauds! A BAND plays.

PRINCE FABIOUS, rides in on a LARGE WHITE STEED. Your classic hero, good looks, good hair, and charm out the ass. The Prince dismounts his horse and takes a bow.

The CROWD goes nuts! Fabious WINKS, sending a row of SEXY GROUPIE MAIDENS fainting. Fabious ignores them all as he sees his brother and gets ecstatic.

FABIOUS

Brother Thadeous!!! Oh how I've counted the days until we'd be reunited! I missed you so!

Thadeous back pedals but Fabious is upon him instantly, kissing both his cheeks and hugging him aggressively.

THADEOUS

Yes, all right, please stop that.

Fabious smiles proudly, still holding Thad with one arm, unrelenting even as Thad tries to slide free.

FABIOUS

Dear Brother, Dear Father...I return to the kingdom with only The Fates to thank. The menace that had been causing so much destruction in our kingdom proved to be a formidable opponent indeed.

KING TALLIOUS

Whether you have slain the beast or not, my son, tis not important. (MORE)
KING TALLIOUS (CONT'D)
I just thank the Gods that you
returned in one piece and--

From a large sack, Fabious pulls out THE SEVERED HEAD OF
A CYCLOPS and holds it up for all to see.

FABIOUS
Behold! The mighty Cyclops!

The King and the rest of the hall gasp and burst into
CHEERS. Blood drips from the disgusting head.

THADEOUS
Look, it's dripping all over the
marble. That's disgusting.

The King pays no attention to Thadeous and embraces
Fabious.

KING TALLIOUS
Fabious you have made me the
proudest a father could ever be,
yet again! All the land owes you
it's gratitude and praise!

FABIOUS
Just my duty as a Prince to
protect and defend this kingdom no
matter how grave the danger. And I
must confess there is still more
good news to come. Father,
Brother, Kingdom, I introduce you
to my new love and bride to be,
Belladonna.

The Band kicks in again. Fabious opens the door to
reveal: BELLADONNA standing between TWO KNIGHTS. Smoking
hot. Goddamn. Her looks leave the King at a loss for
words. Fabious skips to her. They embrace and tongue kiss
madly. They compose themselves, and turn to the court.

FABIOUS (CONT'D)
Belladonna, this is my family!

BELLIADONNA
Hi.

INT. GREAT HALL - NIGHT

A FEAST is served. The Royal Family sits at a table along
with Boremont. Julie, Courtney and other SERVANTS hustle
about as THE BAND PLAYS. Fabious recounts his tale for
all. Thadeous watches Belladonna who's eating with her
hands.

(CONTINUED)
She's also wearing a rather unfashionable elaborate dinner gown. Her hair is teased up in a strange style. She's beautiful but there's something that's slightly off... a retard innocence.

FABIOUS
I laid in wait for hours, until I found my moment and sprung upon the creature. He fought hard but I fought harder. Laying him to waste with my blade. But I must not take credit for this victory alone. For I never would have found the Cyclops lair if it weren't for the impeccable navigation skills of dear Simon.

Everyone turns to his mechanical crow SIMON, as it flies through the room and lands on the back of a chair. CAWING as its beady robotic eyes light up.

THADEOUS
Ew, not that disgusting fucker!

KING TALLIOUS
Thadeous, don't talk with your mouth full.

Thadeous chews his stew. Fabious continues...

FABIOUS
It was then two days into our journey home, that the wind carried a most beautiful song from a high tower. And that's where mine eyes found her.

Belladonna nuzzles closer.

BELLADONNA
And mine his! I'd been held captive by the dark sorcerer Leezar in the Tower of Disorder since I was but a babe.

THADEOUS
Leezar? Who is that?

FABIOUS
An evil man, my brother.

KING TALLIOUS
Evil indeed. A dark wizard who has attempted to take over these lands many times.

(MORE)
KING TALLIOUS (CONT'D)
But his treachery has never been a
match for this kingdom's strength.

BELLADONNA
Nor for Fabious. I could barely
believe my eyes when I saw him
climbing the tower towards me. And
before my evil captor was even
aware, we had both slipped away.

Belladonna holds up a fork.

BELLADONNA (CONT'D)
My heart's desire, what is this?

FABIOUS
That's a fork, my love. You use it
for eating.

Fabious demonstrates for her. She stares in wonder.

BELLADONNA
Ahh.

FABIOUS
Spending all of her life in
captivity has left her unaware of
a lot of our customs or...just
things in general.

THADEOUS
So that would explain why she's
wearing that dress?

BELLADONNA
I've never been aloud to pick out
my own clothes. This dress is the
first. DO you like it?

All eyes turn toward Thadeous.

THADEOUS
Uh, it's, well to be perfectly
honest with you--

KING TALLIOUS
The dress is magnificent,
Belladonna. I think no other woman
has graced this hall with such
beauty since my Queen was alive.

Everyone bows their heads with respect.
KING TALLIOUS (CONT’D)
If your mother were here today she
would be very proud Fabious.

Thadeous rolls his eyes.

FABIOUS
Considering the many maidens I
have bedded, I confess that I HAVE
known delight, but until I found
Belladonna, never a pleasure so
gratifying as that of TRUE LOVE.

The two collapse into a full on make out session. Julie,
the minstrel, closes his eyes and strums his lyre. He
scores their passion.

KING TALLIOUS
THE GLORY OF ROMANCE! I will call
upon my Criers to proclaim: Your
wedding will be the greatest this
kingdom has ever seen! Here, here!

All the COURT raises their GOBLETs. Thadeous stands.

THADEOUS
Here, here, here, here! Attentions
please! My turn, now. Shut up
please. Courtney, if you would?

Everyone keeps their goblets up. Courtney begins a rising
tune on his lyre as Thadeous prepares himself.

THADEOUS (CONT’D)
I have a gift for the two lovers
that I have orchestrated. Behold!

MUSIC KICKS IN AS FIVE ASIAN ACROBATS come flipping into
the room, followed by a man dressed up like a baby being
chased by a man in a LION COSTUME.

The lion picks up Belladonna and confuses her as he tries
to dance with her.

Thadeous steps out with a whip to dance and tame as the
ringmaster of the performance. A random, yet somehow
impressive spectacle.

The Acrobats swarm the guest and paw at them like “Cirque
Du Soleil” meets “Cats”. The big baby chases a
frightened Belladonna around the stage.

KING TALLIOUS
What is going on here?!

(CONTINUED)
Fabious thinks it’s funny and nods his head to the music. Thadeous starts cracking his whip and dancing harder. Some sort of Irish Slam Dancing with the Acrobats.

The big baby-man picks up Belladonna and tries to carry her back to the table, but he trips and she lands on the table. It breaks and the feast goes crashing.

Thadeous and the ACROBATS take a bow. The odd Vegas-like show is over, everyone is perplexed.

Belladonna starts laughing hysterically with cake on her face. The King stand, furious:

KING TALLIOUS (CONT’D)
What was that?!

THADEOUS
(proud)
Magical entertainments! They’re our dancing slaves. Even the big baby! I bought them for the kingdom. My gift to you all!!

KING TALLIOUS
Slaves? How and why did you pay for slaves?

Fabious helps his fiance to her feet. Thadeous stews.

KING TALLIOUS (CONT’D)
Thadeous, how did you pay for this?!

The King is getting angry. It becomes very awkward.

THADEOUS
If you must know, I DIDN’T pay for them. I TRADED some of our shittier villages to the South.

King Tallious chokes on his WINE.

KING TALLIOUS
You did what?!

FABIOUS
Thadeous is right, perhaps now isn’t the time to discuss--

THADEOUS
Oh shut up, Fabious! Always kissing father’s ass.
(MORE)
THADEOUS (CONT'D)
No one cares what I do! I’m just as good a son and as you are and you know it!

KING TALLIOUS
You will not speak to your brother this way. Or treat our castle with vulgarities! Apologize. And apologize to Belladonna. She could have been killed!

THADEOUS
Oh boring! I refuse.

KING TALLIOUS
APOLOGIZE!

THADEOUS
I’m sorry for saying mean things and big-baby is sorry for making you fall upon the cake.

BELADONNA
It’s all right Thadeous. All very amusing if you ask me.

FABIOUS
It’s all right, brother. It is good to be home.

THADEOUS
Courtney gather my things, I am done eating dinner with these people!

Thadeous dramatically gets up from the table.

KING TALLIOUS
Thadeous! Come to me.

Thadeous ambles over to his father. Tallious delivers an open handed SLAP that rings Thad’s bell.

KING TALLIOUS (CONT’D)
You will respect me if not as your Father, then as your KING!

THADEOUS
That hurt, King!

KING TALLIOUS
T’was meant to.
INT. THE ROYAL TRAINING QUARTERS - DAY

The doors slam open, and Thadeous enters. He grabs a sword down from a wall of WEAPONS and torture devises. He holds the sword out as if to stop an invisible foe.

He begins FLAILING THE SWORD THROUGH THE AIR. He sucks at this. Eyes closed, swinging wildly with no control.

THADEOUS
Take that, and shove it into your bruce and beans! I’ll show you. I am Thadeous, the greatest sword fighting man to ever live. You will be deceased! - Now do you respect me, father?

He begins lunging the sword. Right then he hears:

FABIOUS (O.S.)
You should swing with your hips brother, you get greater leverage. Here, let me show you...

From behind Thadeous, Fabious appears. He stands behind him like one shows a woman how to golf.

FABIOUS (CONT’D)
Hold your hands here and here, and swing from the hips like so...

Fabious has his hands on his brother’s hips, and gently sways them as Thadeous quickly loses his mind.

THADEOUS
GET OFF OF ME! GODS! I know how to use a sword!

FABIOUS
Oh do you?

Fabious grabs a sword and with a smile begins fencing with his brother. Taking it easy on him. Thadeous bites his lip and swings aggressively. With a few graceful slices through the air, Fabious shows who the athletic brother is. Thadeous stumbles backwards and almost gets his head sliced off by a tripped guillotine.

FABIOUS (CONT’D)
Oh dear! I’m dreadfully sorry Thadeous.

Fabious helps him to his feet.

(CONTINUED)
THADEOUS
You're wrinkling my clothes! I can
manage on my own.

Just then Simon flies into the room and perches on the
window sill. Thadeous steams and points at Simon.

THADEOUS (CONT'D)
No way. Simon, get out of here. I
don't want him in here, Fabious!

FABIOUS
Simon, go back to my chambers.

Simon flies away blinking.

FABIOUS (CONT'D)
Are you alright? You're not cross
with me are you, Thadeous?

THADEOUS
Cross?! Why would I be cross? I
mean besides the fact that
everyone in the kingdom adores you
and loathes me. You're a perfect
brother and a perfect prince and
you'll be the perfect king one
day. A fine King indeed... But
what of me?

FABIOUS
(with a chuckle)
Well, Thadeous, First borns like
me are Kings, second borns are...
(hesitantly)
Well, they can be what ever they
chose to be.

THADEOUS
But I want to be KING!

Fabious grabs Thadeous' hand and holds it in the air.

FABIOUS
We can BOTH be King!

THADEOUS
NO! I want to be King by myself.

FABIOUS
Sorry. Tradition runs deep.
Speaking of which, there is one
more thing I'd like to discuss...
(MORE)
FABIOUS (CONT'D)
Would you do me the honor of being the Best Man at my wedding?

THADEOUS
Best Man?

FABIOUS
Yes, brother. I could think of no one else I’d want by my side. Belladonna wishes it as well.

THADEOUS
Of course she does. Does she even know what a wedding is?

FABIOUS
Truthfully, I had to explain it to her. But she’s all in now. She’s had a tough life and I intend on changing that. So will you share in this most joyous day?

THADEOUS
Sounds tedious and boring, but if I’m not mistaken it is a tradition that the Best Man is permitted to lay with the Bridesmaids... Plural. Perhaps I can move some things in my schedule around and make time for this chore.

Fabious hugs his brother tight.

THADEOUS (CONT’D)
Here we go with the hugging again. I don’t understand how you can be so nice all of the time. You’ve just got back from a long quest. Don’t you ever get knackered or cranky for God’s sake?

EXT. ROYAL COURTYARD/ FABIOUS’ WEDDING – DAY

Under a blizzard of flower pedals sprinkled from the castles highest spires the royal wedding of Fabious and Belladonna is set to go.

INT. THADEOUS’ BEDCHAMBER – DAY

Thadeous is dressed elegantly. He sets his powdered wig and grooms himself in the mirror. Posturing. Satisfied.

(CONTINUED)
THADEOUS
Hello there, Best Man.

With a wink, he departs... Ready.

INT. HALLWAY - CONTINUOUS

Thadeous walks down a hall with his chin held high. He passes a DRESSING ROOM where he hears laughter. SEVERAL KNIGHTS are getting dressed. One Knight, SIR BOREMONT, vents to them.

BOREMONT
Best man? It’s an insult. How many guests have I been on with Fabious? Countless. And yet he chooses Thadeous. In all my life never have I seen such a sorry sack of shit. Such a poor excuse for a prince. He’s nothing more than a self entitled rotten baby.

The Knights laugh. Thadeous shifts from confidence to confusion.

BOREMONT (CONT’D)
I’m sure that dandy will fuck up somehow. Perhaps he’ll dress like a clown and give the entire kingdom a good giggle at his expense, like usual.

Everyone laughs. Thadeous sadly takes his wig off.

EXT. CASTLE - DAY

Thadeous storms away from the castle. He huffs and puffs. He’s pissed.

TWO BOYS run past play sword fighting.

BOY 1
I’m brave Prince Fabious!

BOY 2
No, I’m brave Prince Fabious!

Thadeous snatches both wooden swords out of their hands and snaps them in two.
THADEOUS
That's enough of that, you infants!

He throws the swords on the ground and then begins crying. The boys just look at him weird. Thadeous becomes self conscious and runs away. Courtney chases after him.

COURTNEY
Your Highness... What's wrong?
Where are you going?

INT. CASTLE HALLWAY - DAY

Fabious wanders the hall passing his formally dressed guests as he searches for his Best Man.

FABIOUS
Thadeous?! Thadeous?! Where are you brother?

INT. ELF HOUSE - DAY

Thadeous throws open the door of the little working class elves. Tumblebottom and his friends are working on some experiments in what looks to be a medieval drug lab.

THADEOUS
Tumblebottom. I must inquire as to what we were smoking on the day of our deadly duel!

Tumblebottom turns around with a brick of gorgeous ganja. He winks at the Prince who gives a proper courtsey.

MOMENTS LATER...

Thadeous and his new friends are hitting the wizard's weed and complaining about life in general. Courtney behind him munching on some snacks.

THADEOUS (CONT'D)
Father throws this huge wedding for Fabious and what does he get me? Nothing. He can love him more but he should treat us as equals monetarily. He should buy me a magical steed or a Viking ship. Something.

(continued)
COURTNEY
    Shall we go join the wedding? I feel certain it is about to begin.

TUMBLEBOTTOM
    It's your brother's wedding. You should be there.

THADEOUS
    No. I have decided NOT to attend. I'll remain hidden here with my new friends and let them worry about me.

Thadeous takes a big hit.

EXT. ROYAL COURTYARD/FABIOUS' WEDDING - DAY

The royal party stands on a golden stage. King Tallious and Fabious confer as the ceremony waits.

KING TALLIOUS
    If Thadeous wishes to play forgetful on this his brother's day of days, then wait we shall not!

FABIOUS
    Very well, Father. I fear I can no longer bear not being married to this woman.

Fabious scans the courtyard for Thadeous, disappointed. The King looks to Boremont, the Elite Knights, and Julie.

KING TALLIOUS
    Julie, you're the best man.

BOREMONT
    (under his breath)
    Goddammit.

Julie steps forward, proudly. Boremont bites his lip.

INT. ELF HOUSE - CONTINUOUS

Thadeous and the elves are playing a drinking game and cracking each other up. Shot after shot. They dance in merriment.
THADEOUS
So... I don't get it. What's the difference between dwarves, elves, trolls, midgets and Leprechauns?

The question is a buzzkill. Everyone stops and stares at Thadeous like he crossed the line.

TUMBLEBOTTOM
By Gods are you an idiot? There no such thing as fucking Leprechauns!

Everyone bursts into laughter.

EXT. ROYAL COURTYARD/ FABIOUS’ WEDDING - DAY

The King stands before the crowd.

KING TALLIOUS
As you all know, my eldest son, Prince Fabious, has had many quests, but none so adventurous as marriage.

Everyone gives a polite laugh. Julie claps.

KING TALLIOUS (CONT’D)
This is the proudest day in all my life, and I thank you all for joining with me.

Everyone claps, and Julie steps on stage with a scroll.

JULIE
It has been my great fortune and utter privilege to have the honor of giving over my dedication and loyalty with utter conviction to the very dear Prince Fabious of Dubris.

Fabious gives a smiling nod.

EXT. CASTLE GATE - CONTINUOUS

TWO GUARDS stand at the fortified gate.

A BLIND GYPSY approaches, pulling a WAGON with a large GOLDEN BOX. The guards step forward blocking his path.

GUARD #1
Aye, Stranger. Identify yourself.
BLIND GYPSY
I have come with a gift for the Prince.

GUARD #1
Which Prince?

BLIND GYPSY
The one that is getting married.

GUARD #1
What is the gift exactly?

BLIND GYPSY
It's a surprise!

GUARD #1
A surprise?

BLIND GYPSY
Yes. It's a secret.

GUARD #2
Come no further. We are under specific orders that only guests of the king are to enter the castle walls on this day.

BLIND GYPSY
I say, let me cross or lose your heads.

GUARD #1
Our heads?

The gypsy steps back and with a wicked waving of his arms, a bolt of electricity shoots from his fingers and decapitates both guards. Their heads fall to the ground.

INT. ROYAL COURTYARD - DAY
Belladonna walks down the aisle with her MAIDENS. She joins Fabious at the altar. He takes her hand.

FABIOUS
My darling...

BELLADONNA
My love...

Belladonna then out of nowhere begins singing. She looks into Fabious' eyes. He takes a deep breath and then goes for it and joins her in a duet.

(Continued)
They sing a short verse of a cheesy love song in harmony. *Think Peter Cetera/Amy Grant 1987.

INT. ELF HOUSE - DAY

Thadeous and Courtney are eating a feast with the elves. He is coming down off his drunken high. Thadeous stomps around their small cabin breaking things.

THADEOUS
Ever since Mother died, I’ve gotten the short end up the royal shasta! Aye! My father refuses to see the good in me. Instead, he looks to Fabious: the laziest, drunkest, most disrespectful, arrogant, cockheadedest, prick ANY royal kingdom has EVER seen... I mean really, WHAT IN THE FUCK?!

Thadeous collapses in devastated frustration. Tumblebottom consoles him.

INT. ROYAL COURTYARD - DAY

The song ends. The lovers look into each others eyes.

Simon, the mechanical crow flies around the crowd. He CAWS and goes ape shit. Everyone turns.

Up the aisle the Blind Gypsy pulls his wagon. THE GOLDEN BOX shimmering in the sunlight. The Gypsy has attracted the attention of all. The crowd falls quiet.

BLIND GYPSY
Greetings. I am looking for the great Prince Fabious and his beautiful bride to be.

The crowd murmurs. The King looks to his son and shakes his head with an understanding smile.

KING TALLIOUS
I’m sorry, old man, but now is not the time. Run along. We’re still in the midst of a ceremony.

The Gypsy bows, embarrassed.

BLIND GYPSY
Oh my. A thousand pardons. It appears my timing is off... Or I am just in time.
The King motions to his Knights.

KING TALLIOUS
Help our guest with his wagon.

BLIND GYPSY
Oh, that won't be necessary!

In one swift motion, the figure rips off his cloak revealing his true identity. Decked out in a wizard robe, a skull cap, and wearing some serious Siegfried and Roy Man-Make-Up 'tis... LEEZAR, the evil wizard.

The crowd GASPS. Belladonna faints in Fabious' arms.

KING TALLIOUS
LEEZAR!!

LEEZAR
I've been expecting me!

KING TALLIOUS
KNIGHTS TO ARMS!

THE ROYAL KNIGHTS unsheathe their swords and approach Leezar, who chuckles, twirling a SLEEK JEWELED STAFF.

LEEZAR
King Tallious, do you really think your pathetic band of worms can stop me? You should know better. MOPHINDUS!

Leezar spins his staff sending a BOLT at the approaching Knights. They all DROP THEIR SWORDS, and DOUBLE OVER in agonizing pain.

The Royal Guard writhe on the ground, as Leezar saunters past them across the stage, caressing his staff.

FABIOUS
How dare you show your foul face here on the happiest day of my life!

LEEZAR
How dare I? I only come to reclaim what is MINE. - Belladonna, get that sweet ass over here!

Fabious steps in front of her, sword raised.
FABIOUS
Nothing here belongs to you,
Leezar, except your stinking
heart. And for disrupting my
ceremony we will now stab that and
watch it expire!

The remaining Royal Knights unsheathe their swords and
join the Prince. Leezar chuckles at the display.

Leezar spins his staff sending a BLUE BALL OF ELECTRIC MAGIC
right for The King. Fabious swings his blade,
deflects the ball and sends it back at Leezar, who jumps
as it explodes beneath him.

LEEZAR
Well look at you.

KING TALLIOUS
ENOUGH! Leave MY son and his bride
alone and leave my Kingdom!

LEEZAR
Or what? Perhaps I’ll die at the
blade of Prince Fabious?

FABIOUS
You should be so lucky. Escape
this life with your miserable
soul!

LEEZAR
Ha! You feign honor, a disguised
thief. You come into my lair, and
you take what belongs to me? You
steal from my home? You take MY
TRUE LOVE, BELLADONNA?!

BELLADONNA
I AM NOT YOUR LOVE!

FABIOUS
No one has love for you, Leezar.
And when I end you here today, I’d
wager not a single tear will be
shed. By anyone!

LEEZAR
Perhaps... MOTHERS?!

The GOLDEN BOX then opens and out crawls a RED ROBED
WITCH, followed by another, and another, and another...
The crowd moves away as more ROBED WITCHES... The FOUR MOTHERS OF LEEZAR emerge.

MOTHER #1
We join our son in his decent into darkness and his rise to power!

The WITCHES begin shooting BOLTS of ELECTRICITY at Fabious and the rest of the Knights, sending them flying into the air spinning. Fabious is knocked unconscious.

The crowd goes nuts, screaming and running, total mayhem! In the midst of it all, LEEZAR SNATCHES BELLADONNA.

LEEZAR
Here we are. Brought together in these chains of love.

Belladonna lets out a scream. The witches shriek, as their magic sets the courtyard ablaze! Through the smoke-

KING TALLIOUS
Enough! Mothers and spawn of the dark realm! Leave MY Kingdom!

The KING whips up a crossbow taken from a fallen guard. He lets an arrow fly... speeding right for LEEZAR when--

Leezar slams the ground with his staff sending out a SONIC BOOM! The speeding arrow explodes in the blast. The King is blown off the stage and carried off screaming by his secret service-like GUARDS.

Leezar ROARS in pain, dropping Belladonna. Through his gut, we see the TIP OF A SWORD is sticking out. Behind him, with singed hair, is Fabious with his grip tight and pressing his sword right through Leezar. He withdraws his blade and steps back, grabbing Belladonna.

Leezar looks down to the deep deadly wound...and then in mere seconds the wound closes up and heals itself.

Fabious and Belladonna's eyes go wide. Leezar looks up to them and giggles.

ZAP--! Fabious is frozen in place from the powerful glow of Leezar's staff.

Belladonna screams in HORROR! LEEZAR BINDS HER with colorful energy coils.

The coils bring her right to ground below him. He holds her by the hair, pulls the dagger from his back, and then licks his own blood from the blade.

(CONTINUED)
LEEZAR
Farewell, Kingdom of Dubris. It has been my PLEASURE!

The ROBED WITCHES climb back into the golden box one by one, each disappearing inside.

Leezar sticks his tongue in Belladonna’s ear and snaps his fingers. They disappear in a poof of smoke.

The spell broken -- Fabious springs to life and dives after them into the box... WHAM! The magic doesn’t work for him. He smashes the box and lands on his face.

FABIOUS
BELADONNA! NO!

EXT. CASTLE - NIGHT

The castle stands still in the dark of night. From inside the walls the distinct MOANS of MAIDENS sobbing.

INT. GREAT HALL - CONTINUOUS

Thadeous enters the castle, bleary-eyed and buzzed. Instantly he sees that the vibe is not good. Injured people lay everywhere, the place is in ruins. SERVANTS tend to the King who’s bruised and battered.

THADEOUS
No one get up. I’m just going to my chambers. Very tired.

Fabious sees his brother and runs to him.

FABIOUS
Thank God, you are alive, brother! When you didn’t show up at the wedding I thought the worst. Have you heard?

THADEOUS
Uh, you got married? Congrats. I was going to come but had some things pop up last minute.

FABIOUS
Dear brother I bare horrible news. Leezar has taken my love. He has kidnapped Belladonna!

(CONTINUED)
Fabious wipes his tears. Simon sits in the window sill. He BLINKS and BEEPS sadly.

KING TALLIOUS
Two of our guards were beheaded! And reports have it that you were seen playing grab ass in the Kwispy Swamps with derelict elves!

All eyes are on Thadeous.

THADEOUS
Uh... I don't know who would have said that but their words are lies. Me and Courtney were, uh, we were, Courtney what were we doing?

Courtney coughs. Julie appears in the doorway holding a scroll.

JULIE
Here yee now! All greetings in time of tragedy, The Great White Wizard.

GUARDS escort THE GREAT WHITE WIZARD.

THE WHITE WIZARD
The Wizard has cometh. What is it you seek from me?

FABIOUS
We need your help. My bride-to-be was kidnapped by Leezar!

THE GREAT WHITE WIZARD
Ah, it is revenge you seek. Well be prepared. A wizard such as Leezar will not be undone with your blade no matter how well you wield it.

FABIOUS
This I know. I gutted him and he recovered as if it were nothing.

THE GREAT WHITE WIZARD
You'll need a mystic blade to do this warlock in. A sword made of unicorn horn. The only material immune to this powers.
FABIOUS
Say where I can find such a sword
and it shall be mine.

THE GREAT WHITE WIZARD
Eager, Fabious. The Blade of
Unicorn is hidden in the depths of
an Enchanted Cavern just beyond
Muldiss Darton. You will face your
darkest enemy and if you defeat
it, the blade will be yours.

FABIOUS
I will journey at once!

THE GREAT WHITE WIZARD
Patience, Fabious. Let us fully
understand the nature of the
situation here. Allow me to think.

The Wizard pulls out his LONG PIPE and packs the most
AMAZING WIZARD GRASS Thadeous has ever seen.

THADEOUS
Perhaps could I think as well?

The White Wizard pays him no mind as he sits Indian Style
in the middle of the hall.

The White Wizard He licks his lips and inhales deeply and
then exhales a huge smoke bubble.

The whole court waits on his breath. They all look at
him. Waiting... waiting... his eyes close.

THADEOUS (CONT’D)
Is he sleeping?

KING TALLIOUS
White Wizard?

The White Wizard snaps awake.

GREAT WHITE WIZARD
Yes! Tis I, The Great White-!

He looks around realizing where he is...

GREAT WHITE WIZARD (CONT’D)
-Of course. Now where were we...?
Ah yes. I’ve had a vision.

The wizard takes a hit and exhales another smoke bubble.

(CONTINUED)
GREAT WHITE WIZARD (CONT'D)
Prophecies foretell of a man
impregnating a virgin woman under
the eclipse of the two moons. The
dark child she would bare would be
a demon. A dragon.

KING TALLIOUS
A what?

FABIOUS
Wait, Impregnate her?

THADEOUS
He wants to fuck her so he can
make a dragon? Eww.

FABIOUS
This is horrible.

Fabious' whole body sinks. He leans against his father
for support.

Fabious can barely hold it together. Everyone seems to
get it except Thadeous who continues on unknowingly.

THADEOUS
That is so disgusting. Imagine how
gross that would look. Her legs
spread and a baby dragon all slime
and blood covered with claws and
wings and shit come squeezing out.

Fabious can't bear the thought of it. He pukes. Thadeous
jumps out of the way.

FABIOUS
I can't believe I let this happen.

THE GREAT WHITE WIZARD
Your bride is no good to him if
she's had intercourse previously.

KING TALLIOUS
Ah, then Lizear's plan is foiled!
You have beded her, have you not?

FABIOUS
(nervously)
Well, uh... truth be told. I've
been having concentration problems
as of late.

(MORE)
FABIOUS (CONT'D)
I think it’s the post-traumatic stress of the cyclops skirmish, and well... How exactly do you define intercourse?

The crowd gasps.

FABIOUS (CONT'D)
I’m sorry. I have failed the Kingdom.

KING TALLIOUS
Leezar must be stopped. The destruction he could induce with the aid of a beast as mighty and vicious as a dragon is unimaginable. When is this eclipse, White Wizard?

THE GREAT WHITE WIZARD
Not this Tuesday, but the next Tuesday.

Fabious stands tall. We can see him gathering his courage and so can the crowd. He’s back in form.

FABIOUS
Then we haven’t a moment to lose. I will lead a quest to rescue my love and with the mighty Unicorn Blade--

THE GREAT WHITE WIZARD
It’s actually Blade of The Unicorn.

FABIOUS
Right-- and With the Blade Of The Unicorn I will slay Leezar!

Fabious raises a fist. The ROYAL STAFF cheers his courage. Thadeous steps up.

THADEOUS
And I will wish you good luck, brother. It was nice to have you back, as short as the visit was. We will look forward to the next time. Goodbye. Get lost.

Thadeous raises a fist. The crowd is awkwardly silent. King Tallious glares at Thadeous.
KING TALLIOUS
Save your words, Thadeous for you will be accompanying him.

Thadeous is caught completely off guard. He fumbles unprepared. Julie smiles smugly.

KING TALLIOUS (CONT’D)
It is time for you to become a man ONCE AND FOR ALL. On the open road of a treacherous quest! You must journey with your brother to save Belladonna!

THADEOUS
Not interested. You want me to go on a quest let’s start with something easy, like finding treasure or beating off in front of a pegasus. Beginner’s shit.

KING TALLIOUS
You have neglected my authority and the heritage of this kingdom for far too long. This expedition will prove you are a man worthy to bear the family shield.

THADEOUS
What if I run away right now and hide and you can’t find me? What would happen then?

KING TALLIOUS
The choice is yours Thadeous: You can pack your bags and accompany your brother or pack your bags and enjoy banishment from this castle.

Thadeous just stands there as all eyes are on him. The Great White Wizard exhales another big hit. Him and the White Wizard lock eyes. And then without moving his mouth, the Great White Wizard speaks through Thadeous’ mind.

THE GREAT WHITE WIZARD
You are fucked.

INT. LEEZAR’S TOWER - DAY

Belladonna’s eyes SNAP awake. Unsure of her surroundings. She lays in the center of a pillowy bed, wrapped in the white silks.

(CONTINUED)
The room around her is like that of a LONELY LITTLE RICH GIRL. Pale colors, lace fabric, a small carousel, a puppet theater, giant dolls, etc.

BELADONNA
Hello?

LEEZAR (O.S.)
Welcome home.

Leezar APPEARS by the window and turns.

BELADONNA
Stay away from me!

LEEZAR
Your anger will not last. True happiness awaits upon your submission to my kiss.

Leezar points out the narrow window to THE TWIN MOONS, both little more than slivers that punctuate the day sky like parenthesis slowly marching towards each other.

LEEZAR (CONT’D)
Looky there. The Twin Moons appear almost as halves rather than wholes, fragments of a form... Now we know tis but a trick of the eye and you moons drift complete as ever... Looks can be deceiving.

Leezar smiles a wicked grin and claps his hands.

LEEZAR (CONT’D)
I have raised you in eager anticipation of their eclipse. Just as the moons unite... So will you and I.

He kisses her lips. She spits in his face.

BELADONNA
You’ll regret this! Fabious will return for me. Those ugly eyes I look into now will bleed by the blade of Fabious’ sword!

LEEZAR
That’s actually not true. One, Fabious will never make it back to this tower to save you. I’ll make sure of that. And two, I’m charmed my dear. Blades and swords can do me no harm.

(MORE)
LEEZAR (CONT'D)

Fabious’ mighty sword is useless against me, steel, bronze, all--

Belladonna whips a dinner fork out of her dress and stabs it into Leezar’s hand that’s against the wall. Leezar calmly looks to his hand pinned to the wall.

LEEZAR (CONT'D)

What is this?

BELLADONNA

It’s a fork. It’s for EATING!

He shakes his head and pulls the fork out of his hand. The wound instantly heals before Belladonna’s eyes.

LEEZAR

Didn’t I just say this sort of thing can’t hurt me? Shame. Your anger for me clouds your judgement. But it’s not your fault. I locked you in here alone for all those years. Never showing you attention nor love. Why wouldn’t you want to leave or stab a dinner utensil through my hand? This time it will be different. I will pay you more attention. When we fulfill the prophecy together I hope that it can be an act of love as opposed to, well, you know, rape. Rape is so rude. In the meantime... make yourself at home.

Leezar turns and disappears from the room. Belladonna is left all alone. She runs to the window and screams

BELLADONNA

FABIOUS!!

EXT. OUTSIDE DUBRIS - DAY

Fabious walks determined. Sweeping shots of THE ROYAL PARTY traveling through the countryside. The Royal Knights and Carriages move along ON HORSEBACK.

Boremont leads the gang of GUARDIAN WARRIORS:

MANIOUS THE BOLD, tall, ugly and medieval.

THUNDARIAN, a ripped up black dude on steroids.

DARONIOUS THE SWIFT, carries two handgun sized CROSSBOWS from his side like a gunslinger.

(CONTINUED)
THE BROTHERS MEIN, two identical bad ass Asian martial arts dudes.

FABIOUS
We will follow the Highlands into Muldiss Darton. If we ride fast it should be uneventful.

BOREMONT
Aye, your Highness. But what adventure doesn’t hold a twist or a turn?

Fabious laughs. Boremont sniffs the air. Then looks over his shoulder to Thadeous’ carriage.

BOREMONT (CONT’D)
So, does he plan on remaining in his foul smelling carriage the entire quest?

FABIOUS
He is here to learn, Boremont. It is not our place to judge.

BOREMONT
It is a wonder you were cut from the same cloth. If there ever were two men who were more different-

FABIOUS
We were cut from the exact same cloth. My father’s dick. Let no man forget. I would give my life for Thadeous.

BOREMONT
Noble, Fabious. I’m sure he’d do the same for you.

FABIOUS
My love for him relies not on his actions.

BOREMONT
That is a good thing, Your Highness. A good thing indeed.

INT. THADEOUS’ ROYAL CARRIAGE - DAY

Thadeous puffs away on joint. He lays on fancy pillows. Courtney sits beside him.
THADEOUS
You see Courtney. I alone
understand how to properly prepare
for an adventure. Comfortable
garments, soft pillows to lay
upon. How much booze did we bring?

COURNEY
Ten barrels of mead, and fifteen
cases of whiskey Your Highness.

THADEOUS
Hopefully this journey will not be
too stressful or boring. Either
way, I'd prefer to be wasted the
entire time if no one objects. And
how is Steven doing?

Courtney looks to a large fancy pillow where STEVEN, A
FAT GILA MONSTER, sits.

COURNEY
He seems fine I guess, Sir.

THADEOUS
Fabious has Simon, and now I have
Steven. A far superior creature
companion wouldn't you agree?

Steven just sits there motionless.

COURNEY
I'm sure he'll be most useful.

Thadeous nods. He takes another hit, then sniffs.

THADEOUS
I smell something gross? Did you
break wind?

COURNEY
I believe Steven has shit himself.

EXT. CAMPSITE/FOREST/RUINS - BEFORE DARK

Camp is being set up for the evening in a forest of
STATUE RUINS from an ancient time. Courtney cleans stains
out of Thadeous' Carriage. Steven sits tied to a tree.

The Guardian Warriors finish building a fire. Thadeous
comes out of a large tent with a BOTTLE OF BOOZE.
THADEOUS
Here thee all brave knights who
stand before me. I propose a
toast, let us drink until thine
asses are drunk!

He gulps from the bottle and hands it to Manious.

MANIOUS THE BOLD
Aye, no thank you, Prince.

THADEOUS
This is the finest Goat’s piss
that shall ever touch your lips.
What are you a flat cock?

FABIOUS
Brother, we do not celebrate until
we complete the quest at hand. Tis
code of the Knights Elite.

THADEOUS
Pfft. Code? How about MY code?
Where we all drink like shepherds
and get shitfaced.

BOREMONT
Thadeous, WE DO have traditions of
our own. One of which seems
appropriate for this occasion.

The carcass of a WILD HORNED BOAR is stuck on a stick and
about to be spit roasted over the blazing fire.

FABIOUS
You will enjoy this, brother.
Thundarian the Colossus, prepare
the warrior’s tiding, if you will.

Thundarian rolls up his sleeves.

BOREMONT
Tradition ordains that on the
first night of a quest we partake
of the warrior’s tidings to
strengthen our bond by devouring
the heart of a boar.

Thundarian winks to Thadeous, then plunges his hand into
the boar’s chest and removes its melon sized HEART.

THUNDARIAN
-And if it is the FIRST night of
your FIRST quest... well...

(CONTINUED)
Sly grins all around as Thundarian turns and offers the HEART to a very queasy looking Thadeous. Simon CAWS.

THADEOUS
I think I’ll pass.

MANIOUS
It’s a tradition among men!

THUNDARIAN
Every man must partake!

BOREMONT
Lest we be cursed...!

Thundarian shakes the disgusting, blood filled organ in Thad’s face who reluctantly takes it only to find the sucker is slippery.

Finally he gets a hold of it. The knights start chanting.

ALL KNIGHTS
Eat it! Eat it! Eat it!

Thadeous looks to his brother for help but Fabious has joined in. His attention returns to the heart as he slowly draws it closer and closer to his mouth...

EXT. ELSEWHERE AT THE CAMPSITE - CONTINUOUS

Across the camp, the back flap of one of the larger tents is opened, and a shadowy figure emerges. It’s JULIE.

KNIGHTS (O.S.)
Eat it! Eat it! Eat it...

Julie smiles to himself, slipping away from camp.

INT. CLEARING OF THE WHITE WILLOW - CONTINUOUS

Julie positions a small GEM STONE that hangs by a string from a tree. He then kneels in the dirt and opens his satchel. He removes four crystals that fit together like a puzzle to form a small 8 inch clear PYRAMID. He then finds a small WOODEN BOX in his bag and twists several chambers like a Rubix Cube. He reaches into his mouth and pulls out one of his back teeth. He plants the root of the tooth into the wooden box. It lights up and shoots a beam of light into the gem on the tree that reflects a rainbow prism into the pyramid.

He recites an incantation:

"Your Highness" - Draft 15th April 2009

CONTINUED:

JULIE
Uraylot, puffy muff, fuucous, guttoon...

As he hums these weird words, the rainbow colors merge in the pyramid, and finally becomes a trippy HOLOGRAM OF LEEZAR’S FACE... Active and communicating...

JULIE (CONT’D)
(secretively)
Your most dedicated servant Julie with a report, Master Leezar. We have crossed the Hazel meadows on our way to Muldis Darton. We rest for the night near the Cliffs of Kuneman.

Leezar’s floating head gazes at Julie who respectfully bows, neither scoundrel aware of the figure in the bushes watching: COURTNEY SEES IT ALL WHILE TAKING A PISS.

LEEZAR
Very well. Now that Dubris’ finest warriors have left the stronghold, their vulnerability is in your hands. See that they get no closer to me. Poison them as they sleep.

JULIE
Very well Master.

Scared shitless, Courtney shakes his dick and runs.

INT. THADEOUS’ TENT - MOMENTS LATER

The rowdy laughter of the knights can still be heard.

THADEOUS (O.S.)
I can’t believe you made me do that! Leave me alone!

Thadeous comes storming inside, the front of his wardrobe splattered with puke stains. Fabious follows.

FABIOUS
Thadeous calm down, really. The initiation is over. You passed!

THADEOUS
I puked all over myself in front of your stupid friends!

Just then Courtney, wheezing from running, bursts in.

(CONTINUED)
COURTNEY
Forgive my intrusion, Sirs, but I
was taking a piss and witnessed a
most disturbing incident...

EXT. THE WOODS - MOMENTS LATER

Courtney leads Thadeous and Fabious through forest.

FABIOUS
There must be a misunderstanding.
Julie has been my most trusted
confidant, I just can’t-

JULIE (O.S.)
You can’t what, Your Highnesses?

They are startled as Julie steps out of the shadows. The
lantern reveals the serious look on Fabious’ face.

FABIOUS
Is it true? How could you Julie?

JULIE
Easily. Quite easily in fact.

At that moment Julie whips two of the BRIGHTLY LIT GEM
STONES from his robe and strikes them together creating a
BLINDING FLASH right in Thadeous and Fabious’ eyes!

THADEOUS
Oh fuck! My eyes!!!

FABIOUS
We’ve been FLASH BLINDED!

Julie smashes their heads into a tree and BOLTS away. The
brothers try to follow blinded and dizzy.

THADEOUS
Courtney, murder him for me!

Without hesitation Courtney DARTS OFF LIKE A CHEETAH.

Julie seems to have a good lead until he glances over his
shoulder and spots Courtney. BAM! COURTNEY TACKLES JULIE
and the two fight in some hand to hand combat. Fabious
and Thadeous move BLINDLY through the woods behind them.

FABIOUS
Where are you?
THADEOUS
I’m right here.

FABIOUS
I can’t see you!

COURTNEY
(yelling to Fabious)
Okay?! We’re fighting! Now what?!

Fabious and Thadeous catch up and open their eyes to watch the fight already in progress.

THADEOUS
Kill him!!!

FABIOUS
No! Just hold him Courtney!
Restrain him with all your might!

Courtney wrestles Julie, holding him with both arms as he kicks and flails. Then JULIE SHRIEKS LIKE A CAT IN HEAT!

Fabious and Thadeous run up as JULIE tears away from Courtney’s grip. Courtney STILL HANGS ONTO HIS ROBE.

Thadeous and Fabious regain their vision, and everyone GASPS at the sight before them. Julie stands NUDE FROM HEAD TO TOE, a pale body with one disturbing detail: HE HAS NO GENITALS. Just a smooth skinned KEN DOLL crotch.

THADEOUS
Julie, doesn’t have a dick!

FABIOUS
How unfortunate!

JULIE HISSES AND ATTACKS USING HIS FINGER NAILS AS CLAWS! More demon-cat now than human, he becomes a hissing and scratching, dickless tornado, clawing at everyone!

Fabious kicks Julie away. He hits the ground, recovers, and darts into the forest.

Fabious, Thadeous, and Courtney chase after Julie.

FABIOUS (CONT’D)
Julie hissed at me!

THADEOUS
I’m running on an upset stomach!
INT. MASTER OF ARMS TENT - SECONDS LATER

Fabious, Thadeous, and Courtney run into the large tent.

FABIOUS
Boremont! A turncoat has been discovered!

Boremont turns. Julie hides behind him, nervously.

FABIOUS (CONT’D)
Boremont, seize Julie. I’m afraid he has betrayed us!

Thadeous, totally pissed and pointing.

THADEOUS
That THING is a traitor and a disgusting Eunuch!

BOREMONT
A traitor you say? Well that is most unfortunate. But what is more unfortunate for you, is that he is not the only one.

Julie’s shivering stops and he smiles wickedly.

BOREMONT (CONT’D)
What were our Master’s orders?

Fabious’ jaw goes tight.

JULIE
The orders were simple. Kill Fabious and leave the chubby one as brunch for the beasts of the wilderness!

Boremont and The Rest of the Elite Knights UNSHEATH their SWORDS.

FABIOUS
Boremont, how could you?! We were friends and what about the code of the Knights Elite?

BOREMONT
"Code", you ask? Upon your choice of best man, your “code” became clear to me. I’m ready to serve a master that appreciates what I do for him.

(MORE)
BOREMONT (CONT'D)

Like Leezar will appreciate how I dispose of you and that sack of shit.

Thadeous looks offended. Thundarian and Manious move in. FABIOUS JUMP KICKS them both sending them flying into the crates of LIQUOR which shatter. He slings the lantern at them sending them both ablaze! The TWO MEN SCREAM as they burn alive.

Thadeous grabs a sword, trying to keep the BROTHERS MEIN away.

Fabious has a quick swordfight with Daronious and then slays him. Before Boremont can move in, Fabious KICKS DOWN THE TENT’S CENTER BEAM! It collapses on them all.

EXT. CAMPsite/TOPPLED TENT - CONTINUOUS

With a RIP, Fabious emerges from the tent. He wastes no time taking advantage of the situation by KICKING the shit out of and STABBING every crawling lump under the canvas. Thadeous and Courtney get out and follow suit.

THADEOUS
They were going to KILL US!

FABIOUS
It certainly appears that way. But the Princes of Dubris are not undone so easily! Quick! Those horses!

Fabious darts to THE HORSES and mounts one. Courtney mounts another. Thadeous stands beside another one, uncertain. From beneath the tent, the traitors are trying to cut an exit.

THADEOUS
I don’t like riding on horses fast. Especially while being pursued.

FABIOUS
What?

COURTNEY
Tis true. His majesty hates riding horses fast.

THADEOUS
We’ll have to think of another way to escape.

(CONTINUED)
Fabious takes a deep breath and then sees Boremont emerge from the tent. Fabious snatches his brother’s arm, and jumps up onto his horse.

FABIOUS

NOW! - Hold on!

Fabious gives the horse a kick and they’re off!

Julie, and the battered traitors emerge from the tent.

JULIE

Catch them!

They mount the remaining horses. The chase begins...

INT. FOREST - DUSK

Fab and Thad power through the forest as branches whip by them. Courtney rides better than you’d think.

COURTNEY

Your Highnesses, we have company!

THADEOUS

I’m not looking. I’m just going to keep my eyes closed and pretend that none of this is happening!

Fab looks over his shoulder and spots The BROTHERS MEIN coming up fast. The brothers split up to take Fabious horse from both sides.

FABIOUS

Thadeous, I’m going to need you to take the reins.

THADEOUS

Why?!

The Brothers Mein draw their swords and narrow the distance.

THADEOUS (CONT’D)

Oh shit.

Fabious leaps from his horse and dives onto one of the approaching Mein’s horse. He knocks the sword out of the man’s hand, punches him in the face and then tosses him off the horse and gains control..

Thad is holding the reins of the horse and screaming bloody murder.

(CONTINUED)
THADEOUS (CONT'D)
Too fast! Too fast! Help!

The remaining Brother Mein smiles as he draws his blade and prepares to strike at Thadeous... WHOOSH! Fabious swings his sword finding it's mark right through the remaining Mein's chest. He drops dead. Fab then leaps back onto the horse with Thad. Courtney blazes ahead.

Fabious kicks the horse into over drive as Julie approaches from behind. Julie loads a crossbow...

The arrow goes sailing right past their heads. Courtney and Thadeous turn around and spot Julie.

THADEOUS (CONT'D)
Dickless is back and he's shooting arrows!!

FABIOUS
Duck!

Fabious steers the horse quickly to the left. Taking a narrow path over a fallen tree. A huge branch goes right over their heads as they duck holding each other.

Julie is too busy reloading to notice the branch. WHAM! He smashes into the tree face first and is tossed like a rag doll to the ground.

THADEOUS
Uh, what are we doing, brother?

FABIOUS
We're doing revenge!

Fabious gives the horse a kick.

THADEOUS
Can we pull over, I may throw up again.

Boremont rides up to Julie and halts his horse.

BOREMONT
Get up!

JULIE
The obstacles were unavoidable.

BOREMONT
Save your excuses. They know not where they stray...

(MORE)
BOREMONT (CONT'D)
Strange danger awaits them in the
Valley of Mount Dithens... Regret
soon falls upon the sons of the
great King Tallious.

A smile curves across his face.

EXT. FOREST - NIGHT
Fabious, Thadeous, and Courtney have stopped in a swamp
to water their horses.

THADEOUS
These turn of events have thrown
us entirely off course. We have no
idea where we are! We'll never get
to Muldiss Darton without the
protection of guardians... And I
have no carriage!

Fabious turns, full of passion.

FABIOUS
Granted our pilgrimage will be
more challenging and our road
uncertain, but this does not mean
we surrender the quest. My love
awaits rescue! I would risk our
lives to save her.

THADEOUS
No way! Quest cancelled. This has
become dangerous! I promise you'll
rescue more ladies in your life.
Let's go home and test to see if
you still miss Belladonna.

Just then that FAMILIAR SQUAWKWING... SIMON THE MECHANICAL
CROW flies on to a nearby branch. Fabious looks to him.

FABIOUS
Simon. Where have you been? Where
were you when I needed you?!

Simon CAWS. Thadeous suddenly goes pale, remembering--

THADEOUS
Oh fuck!

Courtney and Fabious spin around--

FABIOUS
What is it?
THADEOUS
I left goddamn Steven back at camp.

FABIOUS
What? Who's Steven?

THADEOUS
He's my loyal animal companion. He's just as important to ME as Simon is to YOU! But I guess I'll never see him again!

FABIOUS
Very well. I understand that bond. It's not ideal but if it's what we have to do, then we'll do it. Let us return to camp, face the traitors, and rescue STEVEN!

THADEOUS
No, fuck it. It's over.

Simon CAWS. Thadeous eyes him.

THADEOUS (CONT'D)
Perhaps it is only fair since my animal companion is gone, you should get rid of yours too.

FABIOUS
That would serve no purpose, Thadeous. It would be the same as me asking you to get rid of Courtney because Julie is no longer with us.

THADEOUS
I'll get rid of Courtney. I'll push him into that quicksand right now if it means fair is fair.

COURTNEY
I don't like that idea.

FABIOUS
Simon can help us. Simon, take this message to Father.

Simon BLINKS and BEEPS.

FABIOUS (CONT'D)
Tell him the Elite Knights betrayed us.

(MORE)
FABIOUS (CON'T)
Tell him to send an army across the valley. Tell them to meet us in Muldis Darton to help claim the Sword of the Unicorn. Hurry. Fly now to Dubris, Simon, and deliver these desperate words! We must run to find my love. We haven't a moment to lose!

Simon BLINKS and flies away. Thadeous watches him go.

EXT. TOWER OF DISORDER - NIGHT
The TWO MOONS continue to rise above Leezar's Dark Tower.

INT. LEEZAR'S LAIR/DINING HALL - NIGHT
THE ROBED WITCHES from the wedding enter the dark hall led by Mother #1. The Arabic looking room of melting candles and pillows is set for a feast.

Leezar lays beside Belladonna who is IN CHAINS and dressed provocatively.

LEEZAR
Nice of you to finally join us, mothers. I have prepared the perfect feast for all of the important women in my life.

MOTHER #1
We are eager to witness your consecration.

Leezar combs Belladonna's hair and smells her.

BELADONNA
Your touch disgusts me!

Leezar smiles and stuffs a napkin in her mouth so she can't speak. He recomposes himself.

LEEZAR
Mothers, I know you know who Belladonna is, but I don't believe you REALLY know who she is. And tonight I've arranged this meal so that we can all take a step towards learning more about one another.
MOTHER #1
Soon the prophecy of our council
will be fulfilled and darkness
shall return to the land as it did
one thousand years ago.

Mother #3 chews her food with distaste.

MOTHER #2
Leezar?! What is this rubbish you
have set before us?

LEEZAR
Why it is bean scoops, wheat
toast, and fish fingers.

She spits it out on her plate. Belladonna rolls her eyes.

LEEZAR (CONT’D)
Are you not pleased with my
cooking?

The other mothers spit out bites of their own. Another
Mother enters the room.

MOTHER #4
Aye, Mothers! We’ve received word
from the Minstrel Julie.

A devilish smile creeps across Leezar’s face.

LEEZAR
Give word. Have my minions given
them food poisoning? Have the
children of King Tallious been
struck with thunderbolts across
thyn eyes?!

MOTHER #4
They are still alive. Julie said
they tracked them as far as the
Valley of Mount Dithens.

MOTHER #1
You fool. You should have killed
the Sons of Tallious when you had
the chance!

Belladonna spits the gag out of her mouth.

BELLADONNA
The will of my love is too great.
I don’t care of what dismay these
bitches tell.

(MORE)
BELLADONNA (CONT'D)

My prince and his strange brother will arrive here in due time.

MOTHER #1 slaps her and puts back in the gag.

LEEZAR

Thank you, Mother. But I can handle her myself.

MOTHER #1

We’ve gone to great lengths to ensure that nothing would stand in the way. Your grandfather Josh failed a hundred years ago. Foiled by the Golden Order of Knights. And what have we done for you?

LEEZAR

You’ve killed the Golden Order of Knights.

MOTHER #1

We tracked down the blood line of the order and delivered each of them to their doom. And why did we do this?

LEEZAR

So there would be no one to stand in our way.

MOTHER #2

So there’d be no one to stand in our way.

MOTHER #1

So why is there now someone standing in the way!

Leezar snatches his staff and holds it up... ready to attack. Blue bolts of electricity singe around the Mother’s fingers. They lock eyes. Leezar calms and lowers his wand.

Belladonna is spooked at the domestic quarrel.

LEEZAR

Mind your place. I will fulfill the prophecy and when I control the beast I will control the world. You’d be wise to remember that. Nothing will stand in my way. Certainly not two foolish princes. Mount Dithens is Marteeetee’s land.

(MORE)  (CONTINUED)
Leezar holds a fish finger up to Belladonna's lips.

EXT. VALLEY OF MOUNT DITHENS - DAY

Fabious, Thadeous, and Courtney are on their horses making their way through the trees and a strange tribal looking MYSTERIOUS FOREST.

THADEOUS
(singing)
Not even fatigue could dampen the raging fire of revenge. Thadeous wished for the traitors lives to end... He swore he would... uh, I'm drawing a blank.

COURTNEY
(singing)
...lay waste to them?

THADEOUS
No. Something bolder. He swore he would slash their faces with cuts from his sword!

Fabious who’s been listening the whole time begins to sing without even looking back at them.

FABIOUS
...He swore that for these crimes he'd show no mercy. Put his blade to work so fiercely, never rest on any quest 'til every drop of blood was flooded from the hearts beneath these villain's breasts!

Courtney and Thadeous exchange a look.

THADEOUS

FABIOUS
Thanks.

They hear a CLICKING SOUND in the woods as they move.
COURTNEY

Hark! Listen!

Thadeous steps closer to his brother for protection.

Standing twenty feet in front of them, a tall white haired PALE SKINNED topless BEAUTY with perfect breasts.

THADEOUS

Whoa! Who the hell is that?

The beauty smiles and summons him with her finger. She turns and disappears behind some trees. Thadeous climbs off his horse to follow her.

FABIOUS

Thadeous, no!

THADEOUS

She might be in distress and need my help.

FABIOUS

We haven’t time for promiscuity!

From behind the tree the VIXEN lets out a playful giggle.

THADEOUS

Trust me. I’ll make it quick!

Thadeous struts into the woods and disappears. Fabious sighs and turns to Courtney.

FABIOUS

Sometimes I think he doesn’t care about this quest.

COURTNEY

What on Earth makes you think that?

THADEOUS (O.S.)

Oh shit!!!

Thadeous comes running back out full speed. He’s crying.

THADEOUS’ (CONT’D)

Run!!!

Suddenly, from around the same corner steps the Vixen and TEN OTHER PALE BLONDE TOPLESS BEAUTIES like her. They approach Thadeous with violent looking primitive weapons.
They turn to escape in the other direction, but discover they are surrounded on all sides. The boys freeze.

   FABIOUS
   White People! - I knew it!

The White People move closer, CLICKING THEIR tongues and GRUNTING in a strange mountain speak.

   COURTNEY
   It must be a trap set by Leezar.

Thadeous looks to see several of them HUMPING trees aggressively.

   THADEOUS
   Eww. What do we do?

   FABIOUS
   I don't know. T'is against the code to strike a woman.

   THADEOUS
   I've had enough of your codes!
   Punch them in the face!

THWICK-- A dart sticks in Thadeous' neck. A PALE AMAZON WOMAN sends a dart flying into Courtney's neck. Then another hits Fabious. All three look to each other.

   COURTNEY
   This is so fucked up.

Our heroes pass out. Courtney falls off his horse.

   CUT TO BLACK.

INT. MOUNT DITHENS - DAY

Fabious awakens slowly. Thadeous and Courtney are beside him in a DARK CELL alive with FIVE OTHER PRISONERS.

   FABIOUS
   Where have they taken us?

   THADEOUS
   Are we dead?

A HOODED PRISONER steps from the shadows.

   HOODED PRISONER
   Not yet.

(Continued)
The sound of distant CHEERS and DRUMS bounce around the walls. A SKINNY PRISONER starts crying and moaning:

SKINNY PRISONER
No please. Please not me. Please don’t pick me!

THADEOUS
What’s he going on about? Sounds like a chamber maid on her period.

HOODED WARRIOR
If you knew what he knew, you’d be on your knees as well.

A DOOR open to reveal a OUTSIDE LARGE ARENA in a primitive tribal looking rock quarry compound. One end of the floor drops out and they slide out of the cell.

INT. ARENA – CONTINUOUS

The doors SHUT BEHIND THEM. The crowd surrounding the cave is a sea of PALE, TALL, MEN’S FACES standing behind bars like psycho albino prisoners with clay in their hair and DNA marred by the generations of inbreeding.

FABIOUS
(to Thadeous)
See what happens when you follow your selfish desires?! I knew the woman in the bushes was a trap. This could be a major setback.

MARTETEE rises. A dirty, no teeth, grotesquely obese man, with WHITE SKIN AND RED EYES. He wears a TURBAN and is escorted to a balcony overlooking the arena, where he is lavished upon by the BEAUTIFUL FEMALES of his species who rub oils on him. FACES OF LOST SOULS yawn and moan within the walls.

MARTETEE
Yes! YES! We found you! Rub me and tend to me my little beans! Pleasure my senses to EXCESS! Welcome. Welcome friends of Leeenezar!!!

On the arena floor:
"Your Highness" - Draft 15th April 2009 55.
CONTINUED:

FABIOUS
A Rodeo of Death! A secret tradition practiced by the mountain mortals for centuries and commanded by Marteeetee.

THADEOUS
What the fuck is Marteeetee?

Up on the balcony:

MARTEEETEE
Good day today. Welcome to my most special of games! I promised Leezar your heads will roll!

Thad turns around as a group of MILKY INBREEDS unlatch a huge lock and crank open a MASSIVE STEEL HATCH...

MARTEEETEE (CONT’D)
Yes my pretties! Tis time to play so I can watch! Oh how I watch thee prancing through my heart’s desires! Enter my bulbus! ENTER DASTARDLY!!

Aggressive MUSIC KICKS in. A fully clothed man, well built and extraordinarily good looking: DASTARDLY enters with long 80’s rockstar hair. He is heavily armed with daggers, swords and leather accessories.

The crowd goes wild.

Dastardly begins what seems to be some sort of medieval strip tease as he juggles knives and gyrates in sexual gestures that seem dangerous considering the sharp metal he’s playing with.

He stalks one of the prisoners and after some fancy sword spinning, he stab him to the death and then takes his shirt off. The crowd sweats in their cages.

THADEOUS
Oh shit, I don’t like this a bit!

FABIOUS
Brother. If I am killed in this arena, will you give me your word to continue our quest? The future of the kingdom is at stake.

THADEOUS
Of course!

(CONTINUED)
FABIOUS

Of course what?

THAEOUS

I will... keep doing quest.

A blade is thrown at Thadeous. With lightning fast speed, Fabious pushes Thad out of the way and snatches the blade. He jumps into the center of the arena. Dastardly bumps and grinds and feeds the crowd kisses.

Marteteetee blows kisses right back and drinks a goblet of wine.

Without skipping a beat, Fabious maneuvers weaponless, trying to find his entrance to the fight as Dastardly dances and tosses his long hair around.

Fabious makes a graceful rampage approach as he runs and leaps off a rock, tumbles on the ground, uses his leg to sweep the leg out from under Dastardly. He quickly grabs one of his swords and gets to his feet. Dastardly finds his stance as well and the fight is on.

As the even match continues, we see why he is the warrior and hero called upon for a lifetime of adventure. - When Dastardly falls with a blade through his heart... Fabious raises his arms in bloodthirsty victory.

THAEOUS (CONT'D)

Oh Gods... I can't breathe. That was insane. Where did you learn how to do that?

Fabious spits. The crowd hushes. Marteteetee stirs...

MARTEETEE

Most impressive in your violent ticklings! Now step back for my child of wonder! WHERE ARE YOU?!!!

An exhale of cool wind and dust drifts from the hole into the air... quiet waiting, then: THE SCREAM OF A VERY LARGE BEAST!

MARTEETEE (CONT'D)

YES MY PET! Come forth and kill, kill, kill, with thy wicked jaws!!

The captives run as a MONSTER the size of a large man comes squealing out. It looks like a pleasant/retarded mix of a Baby seal and a medieval Mr. Potatohead. It’s eyes are where his nipples are supposed to be. Meet: NIPPLE-EYE.

(CONTINUED)
THADEOUS

Observe this unsightly freak. I will gouge him with my finger and show that true bravery runs in our family.

In an instant, as its legs and head remain still, the torso of the monster turns 180 degrees to reveal the alter-ego of this two faced beast: Hideous and far more sinister features...

Thadeous and Courtney scream bloody murder as they run for it. Nipple-Eye comes at them quick...

Fabious tries to keep up but loses his footing, and jumps to the left just as Nipple-Eye pierces the Skinny Prisoner with the reveal of its switchblade bone arm.

The CROWD CHEERS and bangs on their bars

COURTNEY AND THADEOUS run to the far side of the cave...

THADEOUS (CONT’D)

Drop back! The slowest one gets eaten. Make the sacrifice, Courtney!

COURTNEY

Fuck that!

Courtney runs backwards and gets grabbed through cage bars by the prisoners. He struggles.

Martettee eats something disgusting on his perch. The harem around him soothes his tumors.

THADEOUS

Fabious, quick, do more of that fighting!

Nipple-eye corners Fabious... Fabious freezes. The beast slinks back... then it opens its jaw. A very long TONGUE ejects from within.

The tongue shoots out of Nipple-Eye’s mouth and slaps the sword out of Fabious’ hand, before he can move the tongue wraps around his neck!

Fabious fights and plays tug-of-war with the tongue, as Nipple Eye tries to pull him within reach.

Martettee and the crowd CHEER!

(CONTINUED)
Fabious struggles to keep his distance and air. The tongue holds strong, choking him out.

FABIOUS
the--sword, Thadeous--use it! Cut me free!

Nipple eye gets frustrated and roars as Fabious pulls hard on his tongue.

THADEOUS
I can’t-- I

FABIOUS
You can!

Thadeous sees the sword and hesitates...

FABIOUS (CONT’D)
Cut it!

Thadeous closes his eyes and wildly swings the sword. Nipple Eye ROARS in pain. Thadeous opens his eyes and sees that miraculously he’s hit the tongue, nearly severing it off. Blood sprays from cut tongue. The CROWD loves it! The half of the tongue that’s still connected is holding strong. Fabious gasps for air!

FABIOUS (CONT’D)
--AGAIN!

Thadeous raises the sword, he swings with all his might and misses the tongue completely. The sword goes flying out of his hands and lands in the dirt way out of reach.

Nipple Eye runs to Thadeous and pushes him across the arena. He hits the dirt hard. He drags Fabious from the grip of his tongue.

Fabious is about to be choked out...with all his might he pulls hard ripping the cut wide open, until he rips the tongue a part!

Fabious catches his breath. Nipple Eye screams in agony..

The HOODED PRISONER begins BANGING on the wall loudly to draw the beast’s attention, while WHITE PEOPLE GUARDS lunge through their caged wall and violate Courtney. The Hooded Prisoner holds the sword Thadeous lost.

HOODED PRISONER
Come for me!
MARTEETEE
And who have we here then? A sprightly little fighter you are!

Nipple Eye turns and charges the Hooded Prisoner. With sword in hand, the prisoner fights bravely against the beast and dodges swipes of its bone sword.

Fabious looks to his brother, picks up a rock and slings it at Nipple Eye.

FABIOUS
Your time has come!

THADEOUS
No, no. We killed the last one, we did our share. It's that asshole's turn to fight now.

Nipple Eye turns from The Prisoner and ROARS at them. It rears back about to charge the royal brothers when-

The Hooded Prisoner jumps onto the creature's back.

GREEN BLOOD pours out as the warrior drills the sword into the back of the monster's vulnerable neck tissue. The monster drops in a fit of spasms. Dead. The mysterious warrior cuts off a SIX INCH SPIKE that grows on the beast's back and holds it up in victory.

Marteetee throws a tantrum in the stands.

MARTEETEE
My baby! Who is he that dares destroy my beautiful baby!

The CROWD is silent. Thad is impressed from his hiding place. The warrior pulls the sword out of the creature's neck and turns to Marteetee... pulls down the hood to reveal, LONG FLOWING HAIR OF THE BEAUTIFUL... ISABEL.

ISABEL
Two weeks ago, three of my brothers were captured by you and slaughtered by that beast. Today I avenge them. First by killing the beast. Second by killing you, Marteetee! Prepare to have your asshole punched out through your dickhole in a violent circumcision of death!

The crowd goes ape shit.
MARTEESEE
Well, well my tiny bean, it looks
like the most glorious show of all
is about to begin. GET HER!

The gates open and ALBINO INBRED GUARDS storm the arena
after her. She’s too fast, she defends herself like an
ACTION HERO, snatching one of their swords, slashing her
way through the guards!

Thadeous and Fabious rise from their hiding. No one is
paying any attention to them as they try to sneak toward
the main gate. All forces are trying to beat down
Isabel... Thadeous is fixated...

THADEOUS
She’s incredible.

FABIOUS
Should we help her?

THADEOUS
She seems to be doing fine on her
own.

Nipple Eye SPRINGS BACK TO LIFE! It screams as it rises
for the attack again! Thadeous screams as he sees the
massive bone blade swinging his way, hot on his ass! It
flails around in seizure, crashing right into the holding
cells of the prisoners.

The weight of his massive frame CRUSHES the small
structures, FREEING THE PRISONERS. Nipple-Eye ricochets
toward the balcony and knocks over a support post. The
balcony collapses on top of the beast, spilling Marteeete onto
the arena floor. He screams like a bitch as his
escaped captives devour him.

MARTEESEE
Don’t touch me. Love me! I
fucking’ love you!

CRUNCH. He’s dead. Isabel stands near...

ISABEL
GET AWAY FROM HIM! HIS DEATH WAS TO BE MINE!

Fabious grabs Isabel by the shoulder as she tries to make
her way through the crowd of albinos.

FABIOUS
Come on!

(CONTINUED)
Fabious drags Isabel and Thad.

As they escape, Courtney slams the gate latch, sealing the circus of freaks in the arena.

EXT. FOREST/NEAR A POND - DAY

The gang, now armed, comes running out of the woods, to a clearing by a waterfall. They catch their breath. Thadeous and Isabel circle each other.

ISABEL
You almost had me killed back there!

THADEOUS
Wench, who do you think you are?
You can’t speak to me that way.
Courtney, tell her who I am!

Courtney steps forward and sings:

COURTNEY
Oh brave, oh brave Prince Thadeous-

ISABEL
Never heard of you.

FABIOUS
This bickering must stop. We have greater tasks at hand!

ISABEL
I don’t know what your tasks are, and frankly I don’t give a shit.

THADEOUS
(to Isabel)
Listen here, Amazon. We must get one thing straight, I am not to be talked down to. So speak to me with that foul tongue again, and I’ll-

In one swift move, Isabel GRABS THADEOUS’ DICK.

ISABEL
You’ll do nothing before I tear the package from between your legs like I tore this horn from the beast. I will wear it round my neck...

"Your Highness" - Draft 15th April 2009 62.

CONTINUED:

ISABEL (CONT'D)
(holding the horn)
A souvenir of my kill!

Courtney gulps as she immediately pulls away from Thadeous and begins to remove her war gear.

ISABEL (CONT'D)
Now if you'll excuse me, I wish to wash this stench off me.

And with that, she removes the last piece of her gear to reveal: ISABEL WEARING A "RED SONYA" WARRIOR BIKINI, her body is smoking hot. He watches her dive into the pond. Fabious walks up.

THADEOUS
Adventurous slut.

FABIOUS
She knows her way around a foe, brother. Perhaps she can lead us to Muldiss Darton so we can get back on the path.

EXT. FOREST/NEAR POND - LATER

Our Heroes have geared up and are ready for the next leg of the adventure. Isabel gathers her things. Fabious and Thadeous both look at her. Fabious nods for Thadeous to speak to her. Thadeous loses his nerve and shakes his head "No"

FABIOUS
My name is Prince Fabious of Dubris, and this is my dear brother Thadeous and his minstrel Courtney. We'd like to thank you for your help with the beast in that cave.

ISABEL
You handled the stripping swordsman. I appreciate that as well. I have no time for small banter though. My quest continues to the North.

THADEOUS
What a coincidence! We too are on a most important quest and we need your help. Can you guide us to Muldiss Darton?
ISABEL
I have fought in the Crusades at
Londorian, braved the ice tombs of
Korlack, and traversed the hell
deserts of Thinley. Now I am on
the most important quest of all.
Why should I slow my swagger to
lead you?

Just then Courtney comes up with a pair of underwear.

COURTNEY
Here sir, I have cleaned your
soiled undergarments.

Thadeous snatches them out of Courtney's hand and sticks
them down his pants.

THADEOUS
Not soiled, merely--

ISABEL
If you're heading north, you boys
may journey with me to Muldiss
Darton. From there I seek
navigation and march alone.

FABIOUS
We thank you. And if we may, what
is your name?

ISABEL
I am Isabel. The last living
member of the Harshbarger order.

THADEOUS
Well, okay. Now then, despite the
foul way in which you have spoken
to me, my brother and I will
ensure that you will have nothing
to fear while you travel with us.
With our sharp blades we will
protect you. Fear not!

Isabel looks to Fabious like he's out of his mind.

FABIOUS
We will look out for each other
equally, I feel certain.

THADEOUS
But we'll still be looking out for
you, more...Because we're men.
Isabel stares at his tights and raises an eye-brow.

INT. TOWER OF DISORDER - NIGHT

Belladonna looks out her window at the celestial happenings... Constellations, shooting stars, moons moving, etc. She sings an absurd, but emotional and somewhat expository song about "The Shitty Moons".

EXT. FOREST CAMP - NIGHT

Fabious sits under the moons on the bank of a river. He looks out to the night. He awkwardly begins singing the same song as Belladonna...

INTERCUT BETWEEN BELLADONNA AND FABIOUS SINGING, AS THE SONG BECOMES A Duet, until--

THADEOUS
Are you singing?

Fabious instantly stops singing.

FABIOUS
No, I was just out here... uh, by the river, not singing.

Thadeous looks at him suspicious. Fabious shrugs.

Isabel approaches.

ISABEL
We need food. If we pause now, I will hunt. Who will join me?

Fabious looks to Thadeous.

FABIOUS
My feet are killing me. You two should... take care of business.

THADEOUS
Okay.

EXT. FOREST - NIGHT

Isabel stalks the forest, stepping quietly with her bow and arrow drawn on the trail of dinner. Up ahead, a movement in the brush. A DEER wanders from the bush. Thadeous comes stomping out of nowhere, swinging his sword recklessly. The deer is startled and runs away.

(Continued)
ISABEL
May I ask what you are doing?

THADEOUS
Hunting. What does it look like
I'm doing?

ISABEL
Ruining my chances to catch
dinner.

THADEOUS
Quiet your tongue, my lass. I come
from a long line of swordsmen, and
won't be told that I don't know
how to compose myself.

Thadeous takes aim on a few reeds, attempting to show his
skills. He's doing his "eyes closed, wild man sword
swing" and finishes with a half bow.

ISABEL
Perhaps you should open your eyes
when you swing your blade. The
chances of hitting your target
greatly improve.

Isabel snatches the sword from Thad's hands and shows him
a real demonstration of skill, swinging the blade with
poise and grace over and under and slashing mere breaths
from Thadeous' nethers. She points her blade as he covers
his crotch.

THADEOUS
I see.

He leans close and whispers:

THADEOUS (CONT'D)
It appears you are now ready to
surrender to my temptations?

ISABEL
You have much confidence,
Thadeous. But I know the feel of
your cock in my hand, and would
not be so quick to boast. Shall we
continue hunting?

THADEOUS
By all means, Lady warrior, by all
means. I'm just trying to loosen
up and enjoy myself on the quest.
(MORE)
THADEOUS (CONT'D)
For me half the quest is enjoying
the ride. Letting the cards fall
where they may. Just tapping into
the experience.

ISABEL
I'm sorry, but my quest affords me
no such luxury.

THADEOUS
Come on. As if MY quest is any
less important. There's big shit
going on in our quest that you
wouldn't believe. HUGE--

Something SQUISHES under Thadeous foot. He lifts his foot
to reveal a The graphic smashed remains of DEAD FAIRY.

THADEOUS (CONT'D)
Oh, dead fairy, gross.

He quickly rubs his foot on the ground like he's getting
dog shit off.

ISABEL
Did you just step on a fairy?

Thadeous nods.

EXT. CAMPSITE - NIGHT

The camp fire dies down as the remains of a boar are
still burning. Thadeous is fast asleep. Isabel sits watch
at the perimeter.

Fabious looks to the moons up above. Closer than they've
ever been. Courtney stirs.

FABIOUS
Courtney, may I ask you a
question?

COURTNEY
Of course.

FABIOUS
You don't think it weird of me
that I never slept with Belladonna
do you? That we were waiting until
marriage to consecrate the most
sacred of actions.
COURTNEY
No. I mean, yes. I have courted ladies I never got to fuck.

FABIOUS
Oh-

COURTNEY
I worked as a Squire for the Emperor Chief of Xaxxon. A savage tribe in the heart of the jungles. His daughter had the most beautiful afro and a skin with the sweet glaze of honey. At night, she would sneak down to the boweries, knock on my window and we would whisper for hours of a life where love was simple and our feelings were true.

FABIOUS
And were you afraid to go all the way... Or just-?

COURTNEY
Previous to my engagements, she had relations with a certain Marquis who was known throughout the land for his genital fungus, twisted sex games and a legendary fire breathing cock. Also, I had heard she had a vagina with teeth. Some pockets of life I’ve pledged best remain as mysteries.

Taken aback by this passionate but brief confession.

FABIOUS
So... It was more out of precaution and sanitation than any true moral character on your behalf?

COURTNEY
Yeah, I just really didn’t want my prick to fall off.

Thadeous snores loudly. They both turn to look at him.

FABIOUS
Look at him sleeping like an angel. Ah, I have spent a lifetime often envious of my brother.

(continued)
COURTNEY
Envious of Thadeous?

FABIOUS
That's right. All the times when he can sit back and have a laugh and pour another drink. I am the one on stage, wearing make-up to cover my acne. My hair quaffed just so. Always the pressure to be the perfect son.

COURTNEY
I'm sure that Thadeous would see things differently.

FABIOUS
I'm sure he does. I suppose the grass is always greener.

COURTNEY
That it is, Sir.

EXT. OUTSKIRTS OF MULDISS DARTON - DAY

Isabel leads the gang down a well traveled road. Thadeous and Fabious watch Isabel and speak discreetly.

FABIOUS
So tell me, brother. How did you fare with your conquests last eve on your... hunt?

THADEOUS
Satisfaction with a capital "S".

FABIOUS
You performed SEX with her?

THADEOUS
Pleasure burst and boom called upon me no less than five times. As for the lady... she fared even better.

FABIOUS
Good on you, brother. A warrior's thirst can not be quenched by the battlefield alone. Where does that leave you two this morning?
THADEOUS
No strings. Almost as if nothing happened at all.

Isabel turns around to them. Thadeous instantly goes quiet and awkward.

ISABEL
Gentlemen, for better or worse, we have arrived in Muldiiss Darton.

EXT. TOWN OF MULDISS DARTON - DAY

MULDISS DARTON is somewhere between Mos Eisley and Branson, Missouri. A busy MEDIEVAL MARKET VILLAGE. The center of the town is a long street surrounded by shop fronts, pubs, and inns. In the streets, horses are tied to posts and random shit is burning in the background.

COURTNEY
Long have I wanted to lay my eyes upon these streets of lore...

As they walk through the streets, they see: Three BARBARIANS proudly showing off a DEAD DRAGON.

COURTNEY (CONT’D)
M’lady, if this is to be where we part ways then I wish you the blessings of the Eternal Eld.

Respectfully he bows. Isabel embraces him.

ISABEL
May good fortune return you and your friends home safely.

FABIOUS
Isabel, I bid you farewell. I wish you great success on your journey.

Fabious takes a knee, kisses her hand and then leaves. Isabel turns back to find Thadeous standing there.

THADEOUS
So... I guess this is it. Guess we’re really at the end.

Thadeous chuckles to himself nostalgically.

THADEOUS (CONT’D)
Seems but a moment’s time since we were thrust together in combat. (MORE)
THADEOUS (CONT’D)

But alas, tis the nature of the quest.

He looks back to her saying so much with his eyes.

ISABEL
Be careful on your journey. Please stay close to your brother.

THADEOUS
I will protect him. Is there anything we need to talk about... I mean... where does this leave “us”? Should we get a drink and explore our desires?

ISABEL
I have no time for relationships, Thadeous, were I even interested. The balance of life in this land depends on my dedication to my quest. You see I-

THADEOUS
Got it. You’re busy. Me too. I have more than enough stuff to be thinking about on our quest too. I’ll be fine.

ISABEL
Goodbye, Thadeous.

Isabel holds out her hand for a shake but Thadeous has already committed to the hug and open mouth kiss which is really awkward.

THADEOUS
Don’t weep. We will embrace again if the stars align. I believe it to be so.

ISABEL
I’m pretty sure that’s not going to happen.

INT. STABLES - DAY

Courtney, Fabious, and Thadeous look at a small stable filled with HORSES and HAY.

THADEOUS
Tell me you’re joking?
FABIOUS
No, brother, this is where we shall sleep tonight.

Just then a LARGE HORSE stands right in front of Thadeous, its tail whisking in his face. Thadeous shoves its rear as hard as he can... The horse doesn't budge.

THADEOUS
MOVE YOU BEAST!!
(to the others)
Where are we to sleep? Tucked away beneath the shadows of this creature's sagging bean sacks?

Thadeous punches the HORSE in the ass as hard as he can. The Horse remains unmoved.

THADEOUS (CONT'D)
We're Princes, I'm sick of sleeping like dogs. I demand we stay in proper accommodations!

Fabious scans the area outside of the stable. Looking at each MAN that passes.

FABIOUS
We must keep a low profile. Assassins could be chasing a high bounty on our heads as we speak. The eclipse draws near and we can leave nothing to chance.

THADEOUS
Listen, dear Fabious. We've been doing this quest YOUR way from the start and where has it gotten us?

FABIOUS
It has gotten us HERE, a half day's journey from where my love is imprisoned. Thadeous, I am trying to maintain a positive attitude, but honestly, your grievances are beginning to wear on me. Let us rest. At dawn we will face the Enchanted Cavern retrieve the blade of the unicorn and then storm Leezar's lair. We have quite a day ahead.

THADEOUS
Which is why I desire a mead! One beer.

THADEOUS (CONT'D)
If the service is quick, possibly
two, but absolutely no more than
three.

INT. THE HORSE'S PISS - NIGHT

Thad, Fab, and Courtney sit at the bar of a dark and
seedy pub. They're wearing HOODS AND CLOAKS, keeping
their faces hidden from sight.

They look around the bar at the SHADY DARK HEROES that
mill about. THE MOODY THIEF who rolls dice at a table all
by himself. ZULU WARRIORS, ELVES, BARBARIANS, VIKINGS,
IDENTICAL TWIN CLERICS. Every sort of hero from every
tale...

FABIOUS
Many heroes pass through this
town. Many egos. For half of them
it's the night before the big
match, for the other half it's the
night after... Some are
victorious...

IN THE FAR CORNER, SIX TINY MEN are toasting excitedly,
THE TINIEST ONE waves a JEWELLED DAGGER above his head in
victory.

TINIEST ONE
WE DID IT!

FABIOUS
...Others are crushed with failure
and defeat, prone to inexplicable
violence.

ACROSS THE BAR, a DRUNK BARBARIAN smashes his Battle Axe
through a table, then in a blind crying rage, he puts his
fists through the walls of the tavern. He drops to his
knees and screams to the HEAVENS.

BARBARIAN
Damn you GODS! DAMN YOU!!

THADEOUS
Nebbies, all of them. Especially
him.

FABIOUS
Pray that you never know the taste
of defeat like that. I've been
fortunate, dear brother.
(getting emotional)
I've never failed a guest.
(MORE)
FABIOUS (CONT'D)
But I will open up to you now, and
tell you something I have told no
man. In my heart lies a fear,
that one day I will encounter
another who is stronger, faster,
more cunning, and I do not know if
I'm strong enough to-

THADEOUS
Oh shit! Shut up!

FABIOUS
(alarmed)
What?!

THADEOUS
She's here.

They turn around and in walks ISABEL...with SIX BLONDE
SHIRTLESS MEN, oils glistening off their ripped muscles
and handsome faces.

FABIOUS
Look at those men. Those beautiful
men with their sexual ways.

IN A DARK CORNER ACROSS THE BAR, Isabel and the MEN take
their seats.

THADEOUS
I'm going to say something.

FABIOUS
You would risk exposing us?
Putting at risk our chances to--?

Thadeous' gaze shifts from Isabel to the RIPPED FIGHTERS.

THADEOUS
I'm filled with jealous rage right
now and can not be held
responsible for my actions.

Thadeous gets up and make a beeline for Isabel.

FABIOUS
No, Thadeous, wait--!

THADEOUS
Lady warrior, fancy seeing you
here.

ISABEL
Thadeous?
Isabel rolls up a MAP. He plants a kiss on her hand.

THADEOUS
We were just out for a swill before our journey tomorrow, when Courtney brought to my attention that you may be in some sort of a rape predicament with these androgynous rat catchers.

ISABEL
Thadeous, this is Adam Chatsworth, and these are his men.

THADEOUS
Hello Adam, is that woman's hair you wear?

ADAM
Aye, and who might this be Isabel? Answer quick lest I cut his throat.

ISABEL
This is Prince Thadeous of Dubris.

ADAM
Dubris? Isn't that where they make all the cheese?

Adam and his men laugh.

THADEOUS
No, mother fucker, we have nothing to do with cheeses!

ISABEL
Thadeous, that's enough.

ADAM
I take no offense, Isabel. What he says is true. I have indeed fucked his mother.

Fabious still cloaked steps in.

FABIOUS
Perhaps you should watch your tongue when speaking of my family, good sir. Our mother is dead!
THADEOUS
(ignoring him)
Isabel may I speak to you outside
for a moment?

ADAM
Piss off!

THADEOUS
Put a fucking shirt on!

ISABEL
These men have the map I need to
complete my quest.

THADEOUS
Well I may not be able to provide
you with that small offering but I
can give you this...

He pulls out another folded up piece of parchment.

THADEOUS (CONT’D)
A song, that I wrote... From my
heart.

ISABEL
A song?

ADAM
Oh delight! Please entertain us
with one of your songs.

Adam and his men laugh.

THADEOUS
I wrote it after you left and my
heart had a hole in it. T’is
called: NIGHT WARRIORS. My
minstrel Courtney will perform it.
He is a trained artiste.

Thadeous hands Courtney the lyrics. The Bartender hands
him a lyre. Thadeous locks eyes, with Isabel.

THADEOUS (CONT’D)
Every word, Courtney.

Courtney hesitantly strums. The bar goes silent and all
eyes turn to our heroes. Thad looks to Isabel and nods.

COURTNEY
(singing)
LADY WARRIOR. I WILL COME FOR YOU.

COURTNEY (CONT'D)

COME FOR YOU. COME-COME-COME-COME-
COME-COME FOR YOU. LADY WARRIOR, I
WILL COME FOR YOU, COME-COME-COME-

Thadeous mouths the lyrics to himself and then joins him
in duet. Isabel smiles... charmed and looks to Thad.

COURTNEY/THADEOUS

(singing)

COME-COME-COME-COME-COME, FOR YOU,
LADY WARRIOR. NIGHT WARRIORS WE
ARE ONE. I WILL COME. COME ON YOU!

An ELF throws a BOTTLE that smashes near Courtney.

BARBARIAN QUEEN

My night warrior was killed in
battle! This song woes my heart!

ADAM

Thou dost infect mine ears!

ELF

I hate that fucking song!

Thadeous returns by throwing a bottle and nailing the Elf
square in the head.

The enraged Elf runs to Thadeous with FISTS swinging!
Thadeous punches him in the face and he goes down.

FABIOUS

What did I tell you Thadeous?!
Your actions are about to ruin
everything!

THADEOUS

No. See?! I knocked out an elf!

Suddenly FIVE ENRAGED LITTLE PEOPLE emerge from a trap
door in the floor launching a chain reaction of CHAOS.
The entire bar BEGINS FIGHTING. An old school BAR ROOM
BRAWL!

- THADEOUS ducks as a chair goes flying past, smashing
into Adam and his men! He takes a shot.

- ISABEL throws a Viking down the bar after he gives her
an inappropriate snarl of desire. She then chugs an
alcoholic concoction that has a HUMAN TOE in it and then
smashes the glass bottle on the dizzy Viking’s head.

- FABIOUS jumps, DOUBLE KICKING the identical Twin
Clerics into a barrel. He then punches his fist into one
of their DICKS, they BOTH go down screaming!

(CONTINUED)
- ADAM AND HIS MEN move as one oily/sexy unit, taking turns punching a GANG OF ELVES and doing some tag team PRO WRESTLING MOVES.

-COURTNEY crawls under the tables dodging broken goblets, stools, blades, and Thadeous who crashes in front of him!

THE BARTENDER, SCREAMS like a siren... Everyone stops and holds their ears.

BARTENDER
PARTY'S OVER! EVERY ONE OUT!!!

THADEOUS
Did you not like my poem?

Adam swings one last punch, knocking Thadeous down. He collapses on the floor.

ADAM
Be gone you lonesome devils! A goodly apple rotten at the heart! Fuck you and your poetry!

EXT. HORSE'S PISS SALOON - NIGHT

THADEOUS, FABIOUS, COURTNEY and ISABEL are thrown out.

ISABEL
This is a mistake! I am not travelling with these fools!

The door is slammed in her face. She turns to Thadeous.

ISABEL (CONT’D)
How dare you disrupt my bargaining! If I fail the quest before me, I will hold you responsible! - I bid you farewell once and for all!

This comment turns Thadeous' stomach. He is wasted and beaten. She storms off. Thadeous turns to his brother.

THADEOUS
Those are simply emotional walls she has built to ease the pain of our departure. Come, let us find The Blade of Unicorns. Let us rescue Belladonna!

He stumbles, dizzy, drunk.
THADEOUS (CONT’D)
On second thought... Maybe we
should get a good night’s sleep
first.

He blacks out.

INT. TOWER OF DISORDER – NIGHT

Belladonna is fast asleep in her chamber. Then from the
shadows...

VOICE
Awake, my sweet.

Belladonna slowly wakes, her eyes adjusting to see...

BELLADONNA
Fabious? – You came!

Fabious steps out of the shadows wearing a FLASHY OUTFIT.
He takes his shirt off and crawls to the foot of the bed.
Belladonna looks around the room confused.

BELLADONNA (CONT’D)
Here, my love? Now? I thought we
were to save me for marriage.

FABIOUS
Suck upon my bruce and lick my
beans. Take them in your mouth and
hum.

BELLADONNA
There is something afoul here. You
look like my love, but--

She pulls free of his embrace.

BELLADONNA (CONT’D)
What witch craft is this?! Who is
this imposter?

Fabious rolls his eyes and then turns into... Leezar.

LEEZAR
Ta-dal A little game I like to
play.

BELLADONNA
Keep your tricks to yourself.
LEEZAR
That's so YOU, Belladonna. And I, transmogrifying my self into your ex-love is so ME. I will win your heart. And the beast you birth will be so destructive that it's very presence in this world will shift all the power to he who controls the creature. Me. After tomorrow I will be able to give you anything you desire.

Leezar looks at her, long and hard as he seethes. He moves to the window and looks out to the MOONS.

LEEZAR (CONT'D)
What is it that he has that I don't? Tell me. Be honest. Is it my mothers? Because if it is my mothers, you know that I would chose you over them. To be honest, I will feed them to the dragon upon its birth. How about that?

BELLADONNA
What will it take for you to realize that you will never have my love? Never. Do you hear me!? My heart belongs to Fabious!

Leezar takes it in. Then looks to the moons.

LEEZAR
Be that as it may.... Your body will belong to me.

53
INT. STABLES - MORNING
Fabious screams in his sleep.

FABIOUS
BELLADONNA!!!

Thadeous and Courtney are ripped from their dreams.

COURTNEY
Fabious, wake up! What's wrong?

Fabious stirs... He sees some SHEEP and a COW.

FABIOUS
We must move. Belladonna doesn't have much longer.

(Continued)
JULIE (O.S.)
You're telling me.

The guys turn disturbed and curious. They see JULIE STEP OUT from around a corner smiling.

Boremont steps behind him and carries a sword.

BOREMONT
How delighted we were to hear word of a rumble at the saloon. We assumed t'was you Princesses who started the melee.

Julie steps to Fabious. Courtney steps to block him.

JULIE
Step aside Courtney and join us.
My blade yearns to sink into this fucker's flesh!

Julie lunges at Thadeous when Fabious makes a move. He disarms Julie with a kick and then throws him down onto a SLAUGHTERHOUSE CHOPPING BLOCK. A HEAVY BLADE above his head held by a rope.

FABIOUS
Drop your weapon Boremont, or Julie, my FORMER friend will die.

Julie's face is washed with fear as Fabious pins him.

FABIOUS (CONT'D)
Perhaps my father's army will be more entertaining than we. After Simon's message, they should be arriving nigh on now.

BOREMONT
Oh, yes, about that. While I have no doubt that the good king Tallious would send out every last man at the slightest hint of jeopardy befalling his two sons... There is one problem in the communication you extended.

Boremont throws down Simon, who is SMASHED TO SHIT and makes weak beeps.

FABIOUS
SIMON!!!!!
BOREMONT

Now let Julie go and submit
yourself to me.

FABIOUS
Let my brother and Courtney go,
you may do with ME as you will-

JULIE
He's bluffing!

FABIOUS
This blade is trained for your
head, Julie. If you'd like to keep
it, I can assure you, that you are
only taking one Prince today.

Julie remains still. He looks to Boremont.

FABIOUS (CONT'D)
Think, Boremont. What use is the
second born Prince of Dubris?
Never has there been such an heir
so unfit to wear the crown. Of
what use would Leezar have of HIM?

Thadeous winces.

BOREMONT
He could mount his head upon his
wall.

FABIOUS
A trophy of what?! If ever there
was a head to be mounted, surely
it should be mine. I'm Fabious,
slayer of the Gandar Beast,
Liberator of Dawnscreed, First
born son of the Great King
Tallious! Or you could take your
master the fat face of Thadeous,
terrible song writer, self
centered, egotistical, asshole.

Thadeous looks to his brother, hurt.

FABIOUS (CONT'D)
And would not a far more
devastating blow be to leave the
possibility that one day this
buffoon might actually become King
of Dubris?
Boremont considers... then releases Thad and Courtney from his aim and gives them a shove as they pass. Courtney gathers Simon’s broken pieces.

Fabious lets Julie loose and puts his hands on his head.

Thadeous calls to him from the door.

THADEOUS
Is that what you truly think of me, Brother?

FABIOUS
Go, Thadeous! Go in any direction you wish. LEAVE NOW!

Thadeous pouts away with Courtney. He looks back... Boremont kicks Fabious, dropping him to his knees in front of Julie.

EXT. TOWN STREET - DAY

Thadeous and Courtney run like the wind. Thadeous stops, turns to Courtney, drops to his knees.

THADEOUS
Oh gods, Courtney, what has befallen us? What do we do?

Thadeous drops to his knees and screams to the heavens.

THADEOUS (CONT’D)
DAMN YOU GODS!!!

Thadeous jumps up.

THADEOUS (CONT’D)
I’ll tell you what we do, we steal a steed, and ride--

Courtney waits for his direction, ready to save Fabious.

THADEOUS (CONT’D)
--To the next town! Become ghosts, start a new life, one where you still serve me and we become stable boys, and live off the land and bed the fickle wives of farmers... What in the hell is that?!

Thadeous points to the opening of a crooked cave.
COURTNEY
Could that be the Enchanted Cave, sir? The one Fabious was looking for? The one that contains The Blade of Unicorns?

THADEOUS
Or maybe it's some other cave.

Both their eyes find the aged wooden sign that reads, ENCHANTED CAVE.

COURTNEY
Well...

THADEOUS
Let us forget we ever saw this place.

COURTNEY
What about the sword? What about Prince Fabious?

THADEOUS
Don't ever say his name in my presence again. You heard what he said about me!

COURTNEY
Have you ever known your brother to be as negative and insulting as he was moments ago?

THADEOUS
Of course not. But he's changed. I swear to you. Never have I heard such vulgarities!

COURTNEY
I've also heard other things Your Highness that you might not be privy to. I've heard how he wished he could be more like you. How he admired and respected you. How he would defend your name in conflict with others.

THADEOUS
(Getting angrier)
There was no such insight said by stupid Fabious who is always BETTER, BRAVER, SLIGHTLY HANDSOMER!

THADEOUS (CONT'D)

FABIOUS who everyone LOVES, and always looks out for me, and has always been there... when I've needed him, and... Oh gods, Courtney, you're right. Oh gods!

COURNEY

What is it?

THADEOUS

You must turn away. I'm having an embarrassing... epiphany.

Courtney turns away. With utter dread, Thadeous realizes--

THADEOUS (CONT'D)

I MUST SAVE HIM!

COURNEY

Save your brother, Sir?

THADEOUS

Shut up!

Thadeous stomps around in a circle, torn/frustrated. He then stops and looks to the opening of the Enchanted Cave. A low howl blows from it's depths.

THADEOUS (CONT'D)

Fine!

INT. ENCHANTED CAVE - DAY

Thadeous walks into the dark cavern. Fog and large spider webs fill the interior. Courtney stays behind at the entrance holding the broken remains of Simon.

THADEOUS

And is the sword just suppose to be sitting in here somewhere?

COURNEY

I'm not sure.

THADEOUS

Well, we'll find out won't we.

Just then the fog begins to grow thicker.

Courtney?

THADEOUS (CONT'D)

Into the cavern full of jagged rocks. Within the hollow chamber, he hears a faint echoes of familiar voices:

(CONTINUED)
KING TALLIOUS (O.C.)
You smell of wizard’s weed and
bloodberry rum...

Alarmed at the presence, he stands ram-rod straight.

KING TALLIOUS (O.C.) (CONT’D)
You will respect me if not as your
Father, then as your KING!

He searches frantically through the cavernous space when--

VOICE (O.C.)
What are you doing?

Thadeous turns to find a 10 YEAR OLD BOY - that looks
like it could be a younger version of himself and dressed
EXACTLY LIKE HIM.

Unimpressed, Thadeous motions towards the boy.

THADEOUS
Away with you, child. This is no
place for androgenous sprites such
as yourself.
    (pulls up his pants)
This is a journeyman’s cavern. For
men like me. Prince Thadeous! - BE
GONE!

The child stands bold - unflinching.

YOUNG CHILD
But I am Thadeous!

Insulted by the statement, Thadeous storms up to the
child.

THADEOUS
How dare you...

His hand rearing back to strike the boy, when--

ANOTHER VOICE (O.C.)
I am Thadeous!

Stunned, Thadeous spins to discover several OTHERS
dressed exactly like him - All spitting images of
Thadeous, yet pathetic and strange in appearance.

OBESE THADEOUS
I am Thadeous!

(CONTINUED)
FEMALE THADEOUS
I am Thadeous!

ASIAN THADEOUS
I am Tha-dreous!

THADEOUS
Shut up!

All the versions of Thadeous laugh at him.

VERSIONS OF THADEOUS
(mocking)
Shut up!

Thadeous pushes past them, searching for the sword. The strange visitors mocking him and laughing as he searches. And yet, another voice assaults him:

FEMALE VOICE
Thadeous. It is your mother...

Culling a gentleness we have yet to see, Thadeous is lead through the rocks by the voice to stare at an ANCIENT ALTAR. Etched in gold and decorated with gems, a giant MIRROR stands before him – The face of a BEAUTIFUL WOMAN speaking from within its reflection. Thadeous is petrified with emotion.

THADEOUS
Mother? What great sorcery brings us together? Can this be...

BEAUTIFUL WOMAN
Indeed, fair prince. Long have I wished to speak with you, to warn you of your current quest. – Death awaits at every step. Death close with every breath. – Turn back before it is too late.

THADEOUS
But the quest for the blade, my brother, his love... the kingdom.

BEAUTIFUL WOMAN
The kingdom indeed. Consider that if your brother never returns from this journey, you yourself will be crowned king. An empire to lord for yourself. King Thadeous.

Thadeous' considers this royal offering, then his face sours in discontent.

(Continued)
He approaches the mirror, trembling with spite at the mention of his brother’s death. Seeming to stew in his own mind.

THADEOUS
You’re not my mother.

He suddenly THROWS A PUNCH!

Flinching at the show of force, the Beautiful maiden’s face contorts for impact, instinctively MORPHING back into it’s true form - The face of a LEEZAR MOTHER #1. The gig is up.

THADEOUS (CONT’D)
You devil wench!
(points to himself)
You attempt to fool ME? The master of illusion and entertainments!!

Leezar’s Mother lashes out at Thadeous.

MOTHER #1
As a fool, you shall fail harder than even the lowest of your expectations!

THADEOUS
I will not fail.

REFLECTION OF THADEOUS
Yes you will.

THADEOUS
Huh-uh!

Enraged, Thadeous leans back. Now, with all his might, he PUNCHES THROUGH THE MIRROR... shattering his own reflection. Just then the whole cave begins to rumble. Thadeous covers his ears as knife-like shards of the mirror fall around him. Thadeous looks up stunned.

As the smoke and debris settles, there, where the mirror once stood, lies a DOORWAY - Beyond it, a shaft of light streams from within. Collecting himself, he walks through...

The gnarled rocks of the cave seem to fall away from this enclave, as the light adorns TREASURES and GOLD from ancient civilizations past. Thadeous is overwhelmed.

Walking through the piled wealth, Thadeous’ eyes are suddenly drawn to the wall - The SKULL OF A UNICORN gazes into the beyond, mounted on the top of a sarcophagus.

(CONTINUED)
Standing before the mystical steed’s skull, Thadeous inhales a giant breath and he grips the Unicorn’s horn.

THADEOUS (CONT’D)
(to himself)
Destined to fail, so they say...?

Thadeous unsheathes the spike from the bone, revealing a cold steel blade - THE BLADE OF THE UNICORN. Thundering drums and music begin to build as Thadeous raises the cutlass into the shaft of light. Drawing into the blade, the sword splits the beam like a prism, showering the room in the warm hues of a RAINBOW.

THADEOUS (CONT’D)
I ask those who are doubtful to look upon me now! To gaze upon Lord Thadeous and dare speak their ghastly ills! Only a champion would hold the Blade of Unicorn in his hands! - And I, the real Thadeous, is that man!!!

Music floods the cavern along with the rainbow light.

EXT. ENTRANCE TO ENCHANTED CAVE - DAY

Courtney fixes Simon like a jigsaw puzzle. Simon BLEEPs happily and begins flapping its clunky wounded wings.

Wavering in the air ERRATICALLY LIKE he’s shit-housed.

...out of the cave storms Thadeous. He raises the Sword of the Unicorn above his head. The afternoon sun catching the powerful blade just right.

THADEOUS
Let’s quest motherfucker.

Courtney applauds him proudly.

INT. LEEZAR’S DUNGEON - NIGHT

In this TORTURE CHAMBER of sorts, Fabious is chained to the wall with his shirt off and his arms outstretched, Julie whips him and snickers. A GUARD inspects hot coals.

JULIE
It’s not death you face, just a great deal of discomfort as you watch your enemy make sex with your love.
FABIOUS
Leezar has seized hold of your mind.

JULIE
For generations YOUR family has treated MY family like employees.

FABIOUS
But... you WERE employees!

JULIE
I know! But those days are over! Leezar promised to make me a 60/40 partner in his evil empire if I could "unhinge" the great Tallious and the beloved perception of Dubris.

Julie whips Fabious again. LEEZAR ENTERS the chamber with his mothers and looks to Fabious, beaten and chained.

FABIOUS
Leezar! Where is she?

LEEZAR
Where is who?

FABIOUS
You know who!

Leezar gets angry.

LEEZAR
Belladonna belongs to me now. And tonight I am going to take her virginity under the moons and make her toes curl.

Fabious tries with all his might to get free.

LEEZAR (CONT’D)
(to Julie)
Beat him no more. I want him alive to see this ceremony of sorrows.

FABIOUS
And then what?

LEEZAR
And then you die.

(CONTINUED)
MOTHER #1
Indeed you are my son. Leezar,
your eyes will glow and I will
find my smile in the moment of
your destiny.

Leezar exits with a MARCH OF PRIDE. Julie turns to
Fabious and giggles. The crescent moons shining through
the window upon his broken face.

EXT. BLOOD SEA CANYON – DUSK

In a small wooden boat. Under the mind of new found
confidence, Thadeous and Courtney row across a creepy
bog. Simon chirps at the head of the boat leading them
through the fog.

The boat then bumps onto land. The fog clears
revealing...

LEEZAR’S LAIR a tall and large castle made of BLACK ROCK,
many towers and spires reach into the heavens. There is
a gate made of SHRUBBERY surrounding a large WOODEN DOOR.

Thadeous sizes up TWO GUARDS that stand at the gate and
without hesitation, he takes The Blade of Unicorns and
impales them. He kicks the door in.

Thadeous, Courtney and Simon enter the door. CAMERA rises
to reveal: A MASSIVE Labyrinth that leads to LEEZAR’S
DARK SPIRE.

EXT. THE LABYRINTH – DUSK

Thadeous, Courtney and Simon round a corner, Thadeous in
an adrenaline fueled hunt.

They turn down another corridor with various path
options... Becoming a bit disoriented.

Simon CAWS.

A LOUD BEASTLY Huff OF AIR echoes over them and lingers
through the maze!!!

From the FAR END of the PATH, they hear a loud GROWL.
They turn to see a LARGE AND DAUNTING FIGURE.

AN UNEARTHLY SHRIEK blasts at them. Out of the shadows
charges A MINOTAUR: a man body, with the hideous head of
a bull AND HIS DICK HANGING OUT! IT RUNS AT THEM
COUGHING...

(CONTINUED)
Thadeous has a moment of hesitation where he questions his strength and then bolts with Courtney! The Minotaur AFTER THEM!

They cut a left turn/round a right/another turn/moving quick! They JUMP over bones of previous victims.

The minotaur stops to listen... hearing nothing but their own breath...

Then Thadeous appears from around the corner in front of him. The minotaur takes off in the opposite direction.

As best as his battered body can, Simon FLIES ABOVE THE WALLS, getting a clear vantage of the labyrinth below.

Thadeous rounds a corner in his pursuit and sees THE MINOTAUR DRY HUMPIN COURTNEY... Eyes glaring and huffing. Courtney screams.

**COURTNEY**

OH GODS! The beast is upon us! Run Thadeous! Save yourself!

The MINOTAUR COUGHS as he grooves. Thadeous can’t stop watching the beast’s animal thrusts.

In a moment, Thadeous closes his eyes and concentrates. He summons the power of the Blade of the Unicorn and screams as he runs toward the beast. He raises the SWORD and slams it down INTO THE MINOTAUR’S BACK! The beast SCREAMS and drops DEAD before them.

All falls quiet. It’s like the tape just melted in the middle of your favorite heavy metal jam.

**THADEOUS**

Did you see that?! Did you see it?!

**COURTNEY**

I saw it. You saved my life! What are you doing?

An excited Thadeous uses his sword to try to cut off one of the Minotaur’s horns.

**THADEOUS**

Trying to take a souvenir of the kill. I wish to make a necklace, but this horn is proving to be a bit of a bitch!
CONTINUED: (2)

Courtney looks up to the TOWER OF DISORDER that stands in front of them: Part ruins, part tower, part observatory.

INT. TOWER OF DISORDER - NIGHT

Belladonna looks out the window crying... The moons rising. Her door opens and in walks Leezar's MOTHERS.

MOTHER #1
Leezar would like you to put on one of these. He said you may choose.

She looks at what they've brought in. The trashiest lingerie ever made.

BELADONNA
Tell him, he will have to unwrap my flesh and bones to enter me.

Belladonna tears up and looks out her window...

INT. LEEZAR'S CASTLE/FOYER - MOMENTS LATER

Thadeous and Courtney enter the front gate into a foyer of stone ruins. Thadeous with sword in hand and the MINOTAUR'S DICK as a necklace.

He shuts his eyes, and holds out his sword, as if it's going to direct him. Nothing.

THEN, from their left, they hear the loud STOMP OF MARCHING FOOT STEPS.

They hide behind STATUES as TEN MASKED MINIONS MARCH BY.

After they pass, ONE MINION TURNS AROUND... Thadeous and Courtney freeze as THEY ARE SPOTTED. Whispers turn to NOISE...then in a FLURRY OF BLADES, A MINION in the center turns and cuts the other MINIONS down.

Thadeous and Courtney are stunned. The Minion looks up and then rips off its MASK. Stepping forward into the light, we see that it is ISABEL IN THE FLESH!

ISABEL
 Foolish prick, what are you doing here?

THADEOUS
 I know you.

(CONTINUED)
ISABEL
I hope this is not another one of your attempts to bed me. I’m at the end of my quest and need no anchor.

THADEOUS
You’re at the end of your quest? I’m at the end of my quest, to save my brother and his bride.

ISABEL
You are after Leezar as well? Do you know he means to bring a dragon to this world tonight?

THADEOUS
Duh. The hundred year eclipse thing.

ISABEL
It is the duty of my family the Order of the Golden Knights to stop this prophecy from ever coming true. These witches found out my family was heritage of the order. They had my father and each of my brother’s killed. They wanted to make sure that nothing stood in their way tonight. They severely underestimated the surviving daughter.

THADEOUS
Indeed. I say we rescue my brother, stop Leezar from the rape of Belladonna and avenge the death of your family. – And then you and I shall make love.

ISABEL
Let’s take things one quest at a time.

Thadeous shrugs

INT. DUNGEON – MOMENTS LATER

Isabel leads as everyone creeps along through CATACOMBS.

ISABEL
Get down!

(CONTINUED)
They crouch into the shadows, and see TWO GUARDS walk by on their patrol of the entrance to the DUNGEON. They pass unnoticed.

Our heroes move past a SPIKED GATE into the DUNGEON. There they find Fabious, beaten and bruised. He rises upon seeing them and calls out:

FABIOUS
What? What are you doing here?

THADEOUS
We came to rescue you!

FABIOUS
You did?

THADEOUS
Yes! Are you surprised?

FABIOUS
Yes!

INT. LEEZAR’S OBSERVATORY – CONTINUOUS

As the two moons rise out of the window, Leezar paces beside his altar. He looks nervous as if rehearsing for a speech, but he’s also practicing his sexual swerve, biting his lip and humping the air.

Footsteps approach and his Mothers escort the lovely Belladonna to the altar wearing lingerie and chains.

Leezar smiles.

LEEZAR
I’ve been waiting for this moment, since I was a boy.

Belladonna kicks him hard in the nuts. He folds.

LEEZAR (CONT’D)
Tie her to the altar Mothers and let the canoodling and foreplay begin!

Leezar has a seizure of energy. Balls of blue electricity billow in his hands. His power is growing. Thunder rolls.
INT. LEEZAR’S ARMORY – MOMENTS LATER

A STOCK PILE OF ARMOR AND WEAPONS lay in the dungeon. The team GEARS UP:

- FABIOUS finds his SWORD.
- ISABEL straps a BOW on her back!
- COURTNEY SWINGS A SLEDGE HAMMER!
- THADEOUS SWINGS The Blade of Unicorn, and still sucks!

INTERCUT WITH...

The gang walking down a long HALLWAY.

Everyone looks up to A WINDING STAIRCASE leading to the observatory, and more importantly, to Belladonna. TEN Minions pour down to stop them.

Fabious begins leading the raid up the stairs, his sword sparkling in combat, deftly dispatching Minion after Minion as they rush down at him!

Thadeous charges at a pair of fairly large Minions, sword spasmodically swinging, eyes completely closed.

Isabel sees the Minions approaching blind Thadeous, and aims her BOW AND ARROWS!

THWICK! THWICK! She shoots the minions. Thadeous opens an eye, his OPPONENTS are CRUMPING TO THE FLOOR.

THADEOUS
TASTE DEATH YOU FOUL BEAST!

He shuts his eyes and swings his sword.

THADEOUS (CONT’D)

AND THAT!

THWICK! THWICK! THWICK! Again Thadeous’ foes fall easily at Isabel’s arrows, the Prince’s momentum sending him right past them, sword still swinging, eyes STILL SEALED TIGHT, unaware. He almost strikes Isabel.

ISABEL
OPEN YOUR EYES!

THWICK! THWICK! Two more MINIONS drop.

(Continued)
Isabel rolls her eyes, and then in a QUICK SPIN stashes her long bow and CHOPS the last minion's head off.

THADEOUS
That was impressive, but you should have been there when I fought bravely through the Labyrinth.

ISABEL
You entered through the Labyrinth?

THADEOUS
Yes.

ISABEL
You should have just gone around through the back. It's a much less hostile entrance.

FABIOUS
Indeed. Why did you go through the Labyrinth? There's a fucking Minotaur in there.

THADEOUS
I know. I killed him.

Thadeous holds up the Minotaur dick that hangs from his neck.

Fabious nods, impressed.

INT. LEEZAR'S OBSERVATORY - NIGHT

THE CEREMONY OF THE TWIN MOONS:

Belladonna is tied to the altar, struggling. THE FOUR MOTHERS OF LEEZAR have formed a line at the steps below to bear witness.

Julie steps out before them. Boremont stands guard.

JULIE
Mothers of the Dark Realm. It has been my great fortune to have the honor of giving over my dedication and loyalty to the very dear Dark Lord Leezar.

Leezar steps out before them and sets an HOUR GLASS. The sand slowly falls. He smiles proudly.

(CONTINUED)
Leezar leans over Belladonna. He smells her hair as we reveal THAT RASCAL SIMON watching.

INT. LEEZAR'S TOWER/SPIRAL STAIRCASE - NIGHT

SIMON swoops down. Fabious offers his arm but the bird has a new friend and it lands on Thadeous' shoulder.

FABIOUS
Now my eyes hath witnessed it all.

THADEOUS
Tis merely a truce after Courtney had him restored! Simon, what news dos't thou bring?

Simon BEEPS, Thadeous shakes his head.

FABIOUS
I see. Formidable my tiny companion, formidable indeed.

ISABEL
What's he saying?!

FABIOUS
Tis far more treacherous than I thought. I can not ask you-

THADEOUS
Fabious you have never asked of me for a single thing. I will stand with you on this night.

FABIOUS
This coming from the same brother who wouldn't even be my best man?

THADEOUS
Brother...I did not deserve to be your best man.

The two fall into one hell of a handshake. Courtney's eyes brimming with tears. Isabel motions to the stairs.

ISABEL
We can finish this whenever you maidens are ready.

(Continued)
Still holding each other, Thadeous and Fabious look each other dead in the eye...

THADEOUS/FABIOUS

Ready!

INT. LEEZAR’S OBSERVATORY – CONTINUOUS

The Mothers of the Dark Realm BEGIN CHANTING. Belladonna is strapped down, Leezar grins and rubs himself. Julie stands excited beside Boremont, holding a large TEACUP.

BOREMONT

Please Julie calm down.

JULIE

Sex. We’re about to watch some sex.

Leezar pulls a lever, and the DOMED CEILING ABOVE THE ALTER OPENS like the iris of a camera, revealing the TWO MOONS, almost one. The sand in the hour glass continues...

LEEZAR

BRING FORTH THE POTION AT ONCE!

Julie dips a TEACUP into a cauldron of THICK YELLOW LIQUID and fills it to the rim. The Mothers continue to CHANT even LOUDER.

Julie carries the teacup to Leezar, and tips it so the potion pours down his throat. He slurps it like a baby.

LEEZAR (CONT’D)

Gods, it tastes terrible! What’s in this?

MOTHER #1

Pixie’s tears, eye of black witch, scab of ogres three...

LEEZAR

Ah yes! I thought I tasted scabs. So I really just drink this all at once, huh?

Fabious, Thadeous, Isabel and Courtney appear along the back wall, in the shadows. Fabious spots BELLADONNA.

–Leezar DRINKS THE LAST OF THE POTION!

–The TWO MOONS ALIGN OVER HEAD!

(CONTINUED)
-Leezar BURPS as Belladonna SCREAMS FOR FABIOUS!

-Boremont turns to see the VISITORS.

BOREMONT
Intruders!!!

FABIOUS
Belladonna!!!

Leezar turns in confusion. Fabious charges the room. Mothers and Boremont and Julie take guard.

LEEZAR
You’re too late, the ceremony has begun. Belladonna is MINE now! Fools, GET THEM!

Leezar shoots bolts of electricity at the heroes. They deflect them with their shields.

Boremont steps forward twirling his sword.

THADEOUS
Step aside, you traitor.

THADEOUS STEPS UP NEXT TO HIS BROTHER and for the FIRST TIME IN THEIR LIVES, Fabious and Thadeous stand side by side, weapons ready and facing their enemies.

THE SONS OF KING TALLIOUS ROAR and charge into battle! Courtney and Isabel joining in.

Fabious vs. Boremont
Thadeous vs. Julie
Isabel and Courtney vs. The 4 Mothers.

Belladonna struggles to break free from her straps. Leezar approaches her with sexual hunger. The ceiling of the chamber is open. The TWIN MOONS as ONE illuminating THE ALTAR.

Leezar removes his cloak and seductively walks towards her wearing a robe. The light of the moons illuminating his pale frame. He holds his staff up and bolts of lightning shoot from the tip.

LEEZAR
It is all happening as planned. You, Me, the moons, your close friends being slaughtered below.

(CONTINUED)
Leezar mounts his staff into the floor, licks his lips and moves on top of her. Belladonna squirms beneath him.

He kisses her, the tower rising even higher. SIMON FLIES UP, FLAPPING AND SQUAWKING. Leezar swats him.

**LEEZAR (CONT’D)**
Infernal beast! Mothers HELP!

-In a swashbuckling swordfight, BOREMONT knocks the Sword from Fabious’ hand. Fabious kicks Boremont’s sword away and they fist fight!

**BOREMONT**
Don’t you understand? I never wanted to hurt you. After all the adventures we’d been through together. I was merely in love!

Boremont punches Fabious in the face.

**FABIOUS**
What?

Fabious punches Boremont in the face.

**FABIOUS (CONT’D)**
I loved you too! As a brother!

**BOREMONT**
Well I loved you like... like a man loves a man!

**FABIOUS**
Oh.

Boremont kicks Fabious’ legs out from underneath him.

Courtney joins THADEOUS to tag team Julie!

-**ISABEL** fights the Mothers one at a time. They twirl STAFFS that shoot bolts of electricity, but Isabel is quick to defend herself with a sword and slays three of them.

**LEEZAR**
MOTHERS HOLD THEM BACK!!!

Julie stabs Courtney in the leg, then knocks Thadeous to the ground and wrestles him.

Fabious and Boremont fight. Boremont knocks him to the ground and pins him.

(CONTINUED)
BOREMONT
You loved your brother more than me. And once you met Belladonna I knew I was moving even further down in your list of priorities. This was the only way!

Boremont strangles Fabious. Fabious head butts him, breaking his grip, and with lightning fast speed he turns as Courtney throws him his sword. He grabs it with a smile and grips it with confidence as he lunges his blade into Boremont’s GUT! Dropping him.

FABIOUS
This relationship has become very unhealthy.

Fabious eyes Belladonna on the alter.

Julie pins Thadeous and twists his nuts.

JULIE
Now that I am in a position of power, and you are not, tell me how it feels to be-

From the side, Courtney SMASHES HIS SLEDGE HAMMER ON THE BACK OF JULIE’S HEAD. Thadeous grabs Julie and throws him in the boiling cauldron of yellow liquid. He screams as his body burns.

Isabel confronts the last of the wicked mothers.

MOTHER #1
Your test is yet to come. Upon my death, I infest you with curses.

The Mother raises her hand and sends a burning glow to Isabel’s weapons. She drops them.

Isabel quickly pulls a dagger from her boot and whips it at the witch’s face. It sticks in her eye.

ISABEL
Next time you want to smash a blood line of Knights. Make sure you kill every one AND THEIR DAUGHTERS!

The Mother falls to her knees screaming. Isabel walks behind her and breaks the old woman’s neck.

As the chaos dies down and Leezar mounts Belladonna, Fabious runs to Thadeous--
"Your Highness" - Draft

CONTINUED: (4)

FABIOUS
Your blade, Thadeous, it will only work for you since you retrieved it! You must come with me to battle Leezar.

Thadeous looks to his brother. He takes a deep breath and then they march together toward the altar and BELLADONNA.

The HOUR GLASS runs out. The MOONS are at their peak now. ONE GLOWING MASS. Leezar looks at Belladonna. His eyes begin to GLOW.

LEEZAR
I will teach you to love me!

He raises his hand rip her blouse open when--

A HAND grabs his neck. Leezar turns around to find: FABIOUS, who swings his sword and drives it into Leezar’s heart. He GASPS!

Fabious pulls the blade out and in one swift slash cuts the binds that hold Belladonna to the altar.

Leezar starts laughing as his wound instantly heals.

LEEZAR (CONT’D)
You fool...don’t you remember. I can’t be killed by an ordinary blade. There is only one way--!

Leezar turns to see Thadeous terrible, but dramatically swinging the Blade of the Unicorn... wind blows through his hair.

LEEZAR (CONT’D)
Oh, fuck.

This is Thadeous’ moment. He charges Leezar.

Leezar sends out bolts of magic but Thadeous who has still learned nothing is blindly swing his sword and deflecting each bolt.

And then--THWIP!

Thadeous drives the sword deep into Leezar’s heart. This time he bleeds. This time it does not heal. Leezar’s face looks up to the two MOONS PASSING... the union broken. He looks back to Fabious... Belladonna by his side.
LEEZAR (CONT’D)
Just a quick fuck! Will you not even grant me that?!

Blood everywhere. Thadeous pulls his blade out. Leezar drops to his knees. Belladonna steps up to him. He smiles a bloody grin. She leans in close, and then PUSHES LEEZAR OVER knocking him off the alter. Leezar stumbles to the chamber floor below.

Isabel, and Courtney approach... Just as collapses next to them. Isabel looks up.

Thadeous looks up. Fabious, and Belladonna stand together under the light of the Two Moons above that are moving beyond each other.

Belladonna and Fabious make out.

Thadeous looks to Isabel who sharpens her blade. Thadeous looks away. Isabel watches him out of the corner of her eye. Fabious takes a moment...

FABIOUS
At this moment, on this day, the first day of the Crescent Twins calendar, I Prince Fabious of Dubris announce the quest to save Belladonna and rid the world of Leezar once and for all to be--

LEEZAR (O.S.)
What’s happening to me?
Something’s wrong...

Everyone turns to see: LEEZAR, his broken body alive.

LEEZAR (CONT’D)
What have you done?! The moons have passed...this seed should not still be in me...

Leezar manages to stand, his whole body looking bloated as it now undulates like a walking water bed.

LEEZAR (CONT’D)
Please... I need helogGULFFG!

Leezar VOMITS and at the same time his doughy body inflates around the middle and he involuntarily convulses into a SQUAT. His face goes RED as he grits his teeth and pulls down his pants.

(CONTINUED)
COURTNEY
What’s wrong with him!

Leezar SCREAMS, And right then: A HUGE WET EGG FALLS OUT FROM BETWEEN HIS LEGS, sloshing the floor with a THUMP!

THADEOUS
Did he just lay a fucking egg?

LEEZAR
(drooling)
Mistakes were made...

Leezar stumbles along slowly. Just then, THE EGG begins to shake, a hairline crack zigzagging across it.

The egg splits open, and out pops: A SLIPPERY DEFORMED DRAGON FETUS, the half formed DARK SEED. It’s the size of a large dog, and is all fucked up, not being properly harvested, and is literally one of the grossest things ever seen, but somehow kind of cute. It SCREECHES and FLOPS AROUND, its malformed wings flapping.

LEEZAR (CONT’D)
Hell is empty and the devils are all here!!!

Leezar stumbles in front of the beast. It SHRIEKS AND climbs up Leezar’s body. It sticks its toothy asshole over Leezar’s head and engulfs it. His face can be seen screaming through its dripping translucent skin. Leezar’s head explodes inside the fetus.

The dragon then turns toward our heroes, opens its jaws and—THWICK! The SPIKE Isabel tore from Clawdaddy rips through the creature’s wings. Pinning it to the floor SHRIEKING.

Thadeous approaches the trapped Creature.

THADEOUS
If there’s one lesson to be learned in this tale it’s to never judge a book by its cover. Sure the second born Prince may seem like a good for nothing, but when put to the test, he pulls through just fine. What if the same be true for this poor creature?

Thadeous leans in close to the CREATURE.

THADEOUS (CONT’D)
Shall we learn nothing?

(CONTINUED)
The CREATURE SCREAMS and spits BLOOD all over Thadeous’ face. He nods, turns, and then attempting to be super bad ass, thrusts his sword behind him... **STABBING THE CREATURE IN THE GUT!** Hacking madly at the screaming abomination.

He looks to his companions proudly. They shake their heads “no”. Thadeous closes his eyes and THRUSTS his fist into the beast again and removes its heart. He forces a smile and takes a bloody bite.

**EXT. THE VALLEY - MORNING**

The fivesome walk out of the Valley into the morning light. Courtney’s leg is bandaged.

**THADEOUS**

Courtney I want you to forget none of this. I expect you to have this tale memorized and perhaps choreographed to present to the kingdom upon our return.

**FABIOUS**

See, questing is not all bad.

**BELLADONNA**

It led you to me.

She kisses Fabious. Thadeous turns to Isabel.

**THADEOUS**

You’ve battled with honor. Why don’t you treat yourself and take rest back at our castle. We have pickles, slaves, and all the herbs you care to smoke.

**ISABEL**

I never rest. There is another mission that calls me to the Western Marshes.

She smiles, leans in and kisses him. His eyes light up.

**ISABEL (CONT’D)**

I won’t forget you, prince.

He takes the Minotaur dick and tries to put it around her neck. She stops him.

**THADEOUS**

...To remember me.
ISABEL
I'll remember you in other ways. I really don't want that thing touching me.

Isabel hands it back, then turns her horse in the opposite direction.

ISABEL (CONT'D)
Until we meet again.

Thadeous waves to her as she gallops away. He tries to be strong, wiping a tear from his eye.

FABIOUS
Is thou alright, brother?

Thadeous fights his tears back. Gets a hold of himself. The Four ride off into the sunset together.

INT. THE ROYAL HALL/CASTLE OF DUBRIS - AFTERNOON

Tallious sits in his chamber, writing a novel. Just then a ROYAL GUARD bursts into the hall.

GUARD #1
Sir, there's something you should see!

EXT. CASTLE TOWER - MOMENTS LATER

A ROYAL GUARD looks to the horizon at the FOUR RIDERS.

EXT. CASTLE - DAY

Thadeous, Fabious, Belladonna, and Courtney arrive in front of the gates. The gates open revealing...

THE ENTIRE KINGDOM assembled, Tallious, front and center. Fabious raises his SWORD above his head. The KINGDOM erupts into CHEERS.

THADEOUS
Are they clapping for all of us?

COURTNEY
I believe so.

THADEOUS
Even me?

(CONTINUED)
FABIOUS
Especially you, brother.

Thadeous takes pause letting it soak in. He raises the Blade of Unicorn above his head and the crowd goes WILD. He turns to Fabious and smiles. Courtney smiles too.

EXT. ROYAL COURTYARD – DAY

The COURTYARD is decked out once again for a royal wedding. The reception is underway. Fabious and Belladonna dance in front of the crowd and kiss, husband and wife. She dances worse than your average white girl.

Courtney, Tumblebottom and the elves spin a choreographed Mime Routine of the Adventure. Thadeous watches proudly next to his father King Tallious.

TALLIOUS
You have done well, son. You saved the entire kingdom. Not a bad run for your first quest

THADEOUS
Well, I’d be remiss if I said I did it alone. Fabious did contribute what he could.

Tallious points to Belladonna and Fabious kissing.

TALLIOUS
Do you think they’ll last?

THADEOUS
Barring that another demented wizard doesn’t kidnap her and then have his head bitten off by a dragon’s asshole... I’d say yes.

Tallious puts his arm on Thadeous’ shoulder. Thadeous smiles. Finally respect. The moment is well earned. Feeling good. King still has his hand on shoulder. Thadeous still just stands there. No one says anything. Great moment gets a little awkward as we stay just a little too long, until--

THADEOUS (CONT’D)
I’m going to get another drink. You need anything?

KING TALLIOUS
No, I’m good.
INT. THADEOUS’ BEDROOM – NIGHT

Thadeous lays in bed all alone…it’s dark.

THADEOUS
Ah, lady warrior.

His eyes are squinted shut.

THADEOUS (CONT’D)
You came back. And now you want me to pleasure you.

FABIOUS
Oh... excuse me, brother.

Thadeous jumps up startled, stuffing his bruce and beans under a fancy pillow.

FABIOUS (CONT’D)
Don’t mean to interrupt. I just came by to tell you that... Tonight seeing you at the wedding it didn’t seem right that you were all alone. So I’ve brought someone here for you. Someone I know you’ve been missing very much. And someone that I know has been missing you.

Thadeous sits up excited.

THADEOUS
Isabel?

Fabious smiles and presents... STEVEN, the fat lizard animal companion that Thadeous and YOU have long since forgotten.

FABIOUS
I’ve brought you Steven!

THADEOUS
Steven?

Fabious puts Steven on Thadeous’ lap. He’s obviously disappointed, but instead of throwing a tantrum, he merely smiles and looks up to Fabious.

THADEOUS (CONT’D)
Thank you, Fabious.

Simon squawks in the corner.

(CONTINUED)
THADEOUS (CONT’D)
Still doesn’t mean you are allowed
in my bedroom, Simon.

FABIOUS
Good night, Thadeous.

Fabious exits, leaving Thadeous and Steven all alone.

THADEOUS
Well, Steven, real handy you ended
up being. Go sit in the corner
while I finish strumming my
filthies.

Thadeous dumps Steven on the ground. He looks up, and
there standing in the flesh is ISABEL.

THADEOUS (CONT’D)
Oh Jesus!

ISABEL
I was able to wrap things up in
the West quicker than expected.
And I have not been able to stop
thinking of you.

THADEOUS
Oh weird. I was just about to
finish thinking of you.

The two begin kissing passionately.

ISABEL
Wait, before we go any further
there is something I need to tell
you...

THADEOUS
And what might that be?

She rips open her dress to reveal a STEEL CHASTITY BELT.

ISABEL
It’s a chastity belt. Put upon me
by an evil witch a long time ago.

THADEOUS
What a horribly cruel thing to do!

ISABEL
She now roams the snow mountains
of the Shahmir.

(MORE)

(CONTINUED)
ISABEL (CONT’D)
If I can defeat her, the curse
will be broken and the belt will
fall free.

THADEOUS
So in order for me to have sex
with you we have to go on another
quest and kill some bitch?

ISABEL
Yes.

THADEOUS
Right now?

ISABEL
Well, if you don’t want to come--

THADEOUS
Lady warrior. Of course I want to
come, but we just got home and--

ISABEL
You know what? Forget it.

THADEOUS
Come on. Let’s not fight. Just
give me five minutes. That’s all I
want... Just to do nothing.

She just looks at him. He tries to relax but can’t.

THADEOUS (CONT’D)
Oh, fuckery. Let’s go!

ROLL CREDITS, BITCH.

THE END
