President's Message

Greetings and welcome beloved sisters and my phenomenal community. I am Ethel Peeples Robinson, President of the St. Petersburg Metropolitan Section of the National Council of Negro Women, Inc. an organization that I am proud to be a Legacy Life member.

Even though we are now operating under different methods and circumstances NCNW goals and vision remain the same. We are women of African American descent that promises to “Lead and support their families and communities, with this mission we will not allow Covid-19 stop us from fulfilling our promises and commitments to our community.”

Therefore, we need the work and dedication that many of you can provide to others through NCNW. You too can become a part of this giving and committed organization. In NCNW there is a place for women, men, and our precious youth. There’s an old African proverb expresses this so clearly it says **“If you want to go quickly, go alone. If you want to go far, go together.”** Our SPMS of NCNW want to go far because the farther we go the more we can touch the lives and needs of others.

With the new fiscal year and new circumstances, we will to the best of our ability:

- Continue the spirit of giving to our Youth, as we provide training in making them positive role models as they follow in our positive footsteps.
- Educate those in our community regarding their education, health and wellness, finances and, charitable heart and love for others.
- Together WE will work in our community with our positive leaders and organizations to improve the needs of those less fortunate in our community.

Our meetings are held the third Saturday of the month and 9:30 a.m. and we would love for you to join us at the Fanny Ayer Ponder House 1835-9th Avenue South. **You are who we need!**

Note: Due to Covid-19 our meetings will be held virtually via Zoom until further notice.

Sisterly love,

Ethel Peeples Robinson

President, NCNW St. Petersburg Metropolitan Section
