Dear friend and supporter,

The 2019 SBC Dance Presentation will be showcased on Saturday, June 8 at the Sosnoff Theater at Bard College. We are currently acquiring ads for our recital program and would like to invite you to be a part of this community event.

Your business can have a presence in our program with an ad that shows your support of SBC students and the outstanding accomplishments they will present. The program will be a keepsake that will be treasured for many years. There will be hundreds in the audience who will be able to see your ad and in turn, support *your* business!

If you would like to advertise in our program, please complete the form below and submit it with your payment of \$20.00 by Monday, May 20th. The size of the ad will be approximately that of a business card, and the program is in black and white. There is a limited amount of space available, so don't delay! For best clarity and accuracy, please e-mail your ad copy to SaugertiesBalletCenter@gmail.com (preferable choice) or supply a business card with your payment. If you choose to supply a business card, please be aware that colored ink does not reproduce as well as black or red.

Thank you very much for your consideration!

Very truly yours,

SBC representative
