Act 1/Act 2 Package Presale: April 29

To help insure that families who wish to purchase the package and have the same seat for both Acts, we are offering a pre-sale from **4/29-5/5**. You can still purchase the Act1/Act 2 package after this period, but there is no guarantee that the same seats will be available for both acts.

Tickets can be purchased online with no extra charges, but discounted tickets will NOT be available online. **You must call the box office to purchase discounted tickets.**

**The box office will be provided with a list of all families with a zero balance for the 2018/19 season, and how many discounted tickets they can purchase. An email address will also be provided so the box office can contact you if they need to. I will make this list available to the school ahead of time- please check it and contact me with any questions as soon as possible, once the list is completed.

More details and instructions regarding the recital will be shared with you soon. Information will also be posted on the Recital Page on saugertiesballet.com and that page will be active by the end of Spring Break.

I am currently working on the order of the show and will have it ready to share with you by the end of Spring Break, so you will know if your child(ren) are in Act 1, Act 2 or both Acts.

Thank you for your cooperation, understanding and support!
