- New Business
 - Jon Secaur continues to pursue plans with the "Stream Team" to set up FM radio audio for our November 15th outdoor worship service at MCCC.
 - Dottie Summerlin and Becky Tipton have been brainstorming on ways to continue some of our missions such as the "Blessing Bags" which are collected and given to Family and Community Services. They are also thinking of including the annual "Mitten Tree" donations at the same time, all done as a drive through at MCCC. Details will be coming soon!
