December 21, 2020

Dear Residents and Resident Emergency Contacts:

We have received results from the testing rounds from the week of December 14, 2020 from the State of Wisconsin's contracted laboratory. The testing indicated no employees or residents tested positive for COVID-19, and we have no active COVID-19 cases.

All residents are being monitored for signs and symptoms of COVID-19 three times daily for signs and symptoms of COVID-19, and POAs updated individually with any change of condition specific to an individual resident. We continue to test all staff twice weekly for COVID-19 per Federal Directive.

All staff continue to be monitored and screened for signs and symptoms of COVID-19.

Questions regarding COVID-19 can be directed to Tara Hoppe-Schmidt CBRF Administrator tarah@homme.org for assisted living questions, and Brad Davis RN Director of Nursing bradd@homme.org for nursing home questions. Regular updates will be posted on www.homme.org on the COVID 19 Information Tab.

Sincerely,

Justin Cieslewicz
Executive Director
