1. The Eastcoast Group

The common link between the three resorts.

The Eastcoast Group consists of Bayview, Manly National and Golden Leaf Holiday Apartments. These three resorts share a common reservation, deposit and exchange facility. Site management and control, unit and owners time entitlement records, accounting and recording functions are also shared for cost efficiency.

Ownership

Each Eastcoast member is an owner of one or more resort shares and may arrange to:

- a) Make reservation and take a holiday at Bayview, Golden Leaf and Manly National.
- b) Deposit time assigned by Central Management in an affiliated exchange company.

Resort Funding and Records

Income is derived from maintenance fees and additional bonus time booked by owners and their guests. The expenditure of all funds is detailed in the audited annual report that is issued to all members.

Central Management

Responsible for the day-to-day management of the Group. It reports to the Trustee and the Eastcoast Board and provides regular financial statements. It is responsible for ownership and time entitlement records, reservations, and exchange deposits. It is also responsible for the financial accounts such as Debtors Ledger, creditor payments, purchases and site manager co-ordination and control.

The Board of Directors

The Board of Directors consists of current timeshare owners within the Eastcoast Vacations Group. Meetings are held monthly to discuss matters affecting your ownership and determine any policy concerning the ongoing viability of the Group. Any queries or concerns you have that cannot be answered or resolved through Member Services can be referred to the Board for discussion or ruling. The Board are your representatives working to ensure the best for all owners within the group.

2. Maintenance Fees

- Maintenance fees are billed annually.
- Invoices are issued in October each year (e.g. 2021 maintenance fee accounts issued in October 2020) and members are required to make full payment by the 31st December.
- If an account remains unpaid on or after the 1st January a late payment charge – set by the directors of Eastcoast Vacations Pty Ltd - will be charged.
- Maintenance fees must be paid in full prior to booking your holiday.
