ACTION NEWS! WITH RON BURGUNDY

Will Ferrell and Adam McKay

OPEN ON: BLACK SCREEN WITH FLASHING TV NEWS SHOWS ON A TV SCREEN MOVING TOWARDS US

Dozens of news shows flash on the screen. ABC, NBC, CNN, FOX, MSNBC, CBS, The Weather Channel, ESPN, etc. etc. All fronted by dozens of anchors: Jennings, Brokaw, Aaron Brown, Rather, Chung etc. etc.

NARRATOR (V.O.)
(powerful and assured)
Television news. There are hundreds of 24 hours channels, local and network news shows bombarding us every waking second. And with each show an endless list of news anchors trying to convince you that they, and only they, speak the truth. And what do these voices of the truth tell us? Be afraid. Be very afraid.

The shows multiply across the screen forming a cacophony of anchors.

NARRATOR (CONT'D)
But there was a time in our not too distant past when the world as we know it was a much simpler place.

We dissolve to WISPY CLOUDS and a BLUE SKY.

NARRATOR (CONT'D)
This was a less cynical time. A time when people believed everything they heard on TV... a time before cable... Three channels were all there was and viewers were happy. You heard me right, three channels.

MUSIC: a sparkling gliss
dissolve
dissolve

We emerge from the clouds to find ourselves over Center City Portland 1973.

MUSIC: the initial pulsing bass lines of "Cherry, Cherry" by Neil Diamond

NARRATOR (CONT'D)
It was 1973 and in a city like Portland the news was clear... and if it wasn't you turned on the TV and the man told you what it was.

NARRATOR (CONT'D)
Yes, in this strange time, men were
men and real men were anchormen....and
in Portland one anchorman was the
balls: Ron Burgundy. And brother let
me tell you: he knew how to wear a
friggin' suit.

MUSIC KICKS IN HARD. Smash cut to RON BURGUNDY, 38, walking
through the heart of Portland with a clear blue sky overhead.
He has a commanding presence with an affable smile and
perfectly parted hair. He's a cross between Chuck Woolery
and Chuck's brother Sean Woolery. As he strolls down the
street all of Portland seems to embrace him.

Ron takes one bite of the hot dog and then drops it on the
ground without a thought. He then moves past an open air bar
and a BUSINESS MAN, 38, sans jacket hands him a scotch rocks.

BUSINESS MAN
Hey Ron! Bottoms up! We love ya!!

RON
Well hello, booze!

He downs the scotch in one sip and puts the empty on the
tray of a passing waitress. Next Ron passes an ATTRACTIVE

RON
Hey everyone, I have a very important breaking news story... Cannonball!!!

Pull back to see it is a drunken pool party of anchors and women. Ron, in his underwear does a cannon ball into the pool. A dozen other people including the News Team jump in as well.

NARRATOR (V.O.)
Yes, these fellas were a real news team. Burgundy, of course, was the foundation, the rock.

"Use Me Up" by Bill Withers plays. As the team rising from the pool in slow motion we see their hair is miraculously completely dry and perfect.

NARRATOR (CONT'D)
But each member brought their own special something to the equation.

SUPER FAST PUSH IN TO: Brian Fantana who is laughing, drinking and playing around with a .38 while talking to an attractive lady in a green silk dress. Freeze Frame

BRIAN FANTANA (V.O.)
People call me the Bri Man. I'm very stylish and have what the French call Jenny Say Kwane. I use a hand full of talcum powder on my genitals every morning and own over three thousand different colognes. Ladies dig my stuff.

SUPER FAST PUSH IN AND FREEZE: Champ is doing shots of tequila with some baseball players and a newscaster from a rival station.

CHAMP KIND (V.O.)
Champ here. I'm all about havin' fun, you know, get a few drinks in me, maybe start a fire in someone's kitchen. Anyway, I've kind of become famous for my signature catch phrase "Whammy". As in:

MUSIC: ETHEREAL

RON (CONT'D)
(to himself)
By the beard of Zeus!

HOT BLONDE
Mr. Burgundy...

RON
Excuse me...I have to go do other... things.

Ron pushes his way through the crowd looking for the striking woman. He sees a glance of her, then loses her only to find himself in a room with a bunch of anchormen throwing knives at a wall. Two other drunk anchormen corner him.

DRUNK ANCHOR
Hey Ron Burgundy! You should join us! We're going to take a dump in the fish tank!

RON
Sorry fellas, I can't. But thanks for thinking of me!

Ron pushes past them looks everywhere.

RON (CONT'D)
I've lost her...

He turns around defeated only to find the STRIKING WOMAN, 28 sitting alone at a table. She is sexy in a confident way and has an "all about business" demeanor.

RON (CONT'D)
(to himself)
Got to approach this just right...

Ron approaches her.
CONTINUED:

RON (CONT'D)
Why hello pretty lady. I have never said this to a woman before but you are electric.

STRIKING WOMAN
Well thank you. But I'm actually leaving.

RON
You've got a nice little hiney on you. The second I saw your hiney, I thought "boy, that is a heck of a rear!"

STRIKING WOMAN
Well you certainly know how to compliment a woman. If you'll excuse me--

RON
Do you know who I am?

STRIKING WOMAN
I can't say that I do.

RON
I don't know how to put this, but I'm impressive, I'm a big deal.

STRIKING WOMAN
(laughs) Oh really? I'm very happy for you.

RON
I'm a fascinating guy. I have a van. Ah! That sounds stupid!

STRIKING WOMAN
Well I should really be going--

RON
Wait! I'm going to say something right now and it's just going to be out there and we're both just going to have to deal with it. (takes a deep breath) I have man urges towards you...ahhh! That didn't come out right!

Ron looks up and she's gone.

RON (CONT'D)
Magnificent.

Meanwhile Champ Kind has climbed on top of a garden shed and stands shirtless in front of the entire party.
CONTINUED:

CHAMP KIND
Hey everyone...Orgy!!!!

Party instantly goes silent.

CHAMP KIND (CONT'D)

Just go back to what you were doing.

RON
Whoa Baxter, papa's home!

BAXTER
Woof!

RON
Well if you hold on I'll tell you. As a matter of fact I did meet someone. I met a lady, a very special lady. And before I knew it she was gone.

BAXTER
Woof!

RON
Good question Baxter, is love by its very nature fleeting? I believe it was Billy Shakespeare who said, "Love doth fly like yonder bird unto yonder."

BAXTER
Woof!

RON
That is too Shakespeare!
CONTINUED:

BAXTER
Woof!

RON
What?! How did you poop in the refridgerator?

Ron and Baxter are both snoring in bed with matching Action News pajamas on. Both also have orthodontics head gear on.

CUT TO:

INT. NEWS OFFICE- CONFERENCE ROOM -- THE NEXT DAY

News Team, writers and editors sit around conference table as they wait for morning briefing to begin. The guys are incredibly hung over.

CHAMP KIND
Ooooh, that was one crazy party. My piss was blue this morning.

BRIAN FANTANA
I think I got married at some point... Did I marry anyone in here last night?

A pudgey looking EDITOR, 25, raises her hand.

BRIAN FANTANA (CONT'D)
Charla, right?

EDITOR
Michelle.

BRICK TAMLAND
I ate a big, red candle.

Harken enters dieing out a cigarette.
CONTINUED:

ED HARKEN
Morning everyone. Here's the stories we're chasing for the day: there's a train derailment in Eugene, and that group The Alarm Clock got into the Portland Museum of Art and defaced a bunch of masterpieces with political slogans.

HELEN
Since when did the Portland Museum of Art get Van Goghs and Picassos?

GARTH HOLLIDAY
It's a really underrated museum.

ED HARKEN
This story's gaining steam and the network might be looking for some coverage from us. So stay on it.

RON
(waking up from a light sleep)
Huh!? Whaa..?! The network's here?!
Please take me!!

ED HARKEN
Relax Ron, they're not here, I just mentioned them.

QUICK CUT AWAY: A taxi pulls up in front of the news station

ED HARKEN (CONT'D)
And now I'm sure a lot of you have been hearing how the affiliates have been bitching about more diversity in the news team.

QUICK CUT AWAY: One sexy stockinged leg followed by the second steps out of the taxi.

MUSIC: SHINING STAR by Earth Wind and Fire

CHAMP KIND
What the hell's "diversity" mean?
CONTINUED:

BRICK TAMLAND
Isn't "diversity" a kind of mustard?

QUICK CUT: We see a hint of blonde hair, a curve of the hip, ruby red lips, a Virginia Slim cigarette in hand as "she" makes her way into the station.

ED HARKEN
Diversity means the times are changing. So with that in mind I'd like to introduce to you the newest addition to KYW news team, straight from WRJK in Asheville, North Carolina: Ms. Alicia Corningstone.

ALICIA CORNINGSTONE, 28, walks through the door. She's the striking woman from the party. The room is shocked.

BRIAN FANTANA
What the frig...?

CHAMP KIND
That's a lady!

Ron is speechless. He stands up in a daze.

ALICIA CORNINGSTONE
Mr. Burgundy. I'm sorry we got off on the wrong foot last night.

RON
I haven't stopped wanting you since we met.

ALICIA CORNINGSTONE
Oh Ron!!!

She runs and jumps on him.

MUSIC: "YOU MAKE ME SO VERY HAPPY" by Blood, Sweat and Tears.

ALICIA CORNINGSTONE (CONT'D)
Take me! Take me right now on this conference table!

RON
I am engorged!

ALICIA CORNINGSTONE
We are doing this right now with no shame!
CONTINUED:

RON
Let's make a baby!

ALICIA CORNINGSTONE
Get nasty on me! Break the law!

RON
It's jazz baby! Jazz!!

They fall back and smash through the conference table while everyone applauds.

SMASH CUT BACK TO:

Back to reality from Ron's fantasy.

ALICIA CORNINGSTONE
(very professional)
I just want you all to know that I look forward to contributing to this news station's already sterling reputation.

RON
Hello Ms. Corningstone. I believe we've already met.

ALICIA CORNINGSTONE
Yes we have Mr. Burgundy. I hear you're one of the finest regional anchors in the business.

RON
So you knew who I-

ALICIA CORNINGSTONE
Yes, I knew.

ED HARKEN
Alicia's going to be doing features on women's stories: fashion, cooking, gossip, that kind of thing.

ALICIA CORNINGSTONE
For the time being.

ED HARKEN
For awhile. Now go make some news people. And remember, let's do our best to make Ms. Corningstone feel welcome!
INT. ED HARKEN’S OFFICE

The team is in Ed’s office chain smoking. Brian is livid. Ron stares out the window.

BRIAN FANTANA
This is bullcrap Ed! Don’t get me wrong, I love the ladies but...
(suddenly screaming)
Women do not belong in the newsroom!!!!

CHAMP KIND
It’s anchorman, not anchorlady! And that’s a scientific fact!

BRICK TAMLAND
I can yell too!

ED HARKEN
Everyone relax. She’s not gonna take anyone’s air time.

BRICK TAMLAND
I read somewhere that their periods attract bears.

BRIAN FANTANA
See that Ed? Bears. Now you’re putting the whole station in jeopardy.

CHAMP KIND
I’ll say one thing for her. She does have a nice big ol’ bee-hind. I’d like to put some barbeque sauce on that butt and just Awoooy!!! Munch-munch-munch-munch-munch!!!

Everyone is laughing at Champ. Alicia enters. The room falls into an awkward silence.

ALICIA CORNINGSTONE
Excuse me Mr. Harkan, I was wondering if you knew when my office would be ready.

ED HARKEN
It should be ready this afternoon. They’re just changing the carpet.

RON
You can use my office! (too loud) Then maybe we could get lunch!!!
CONTINUED:

ED HARKEN
Lower your voice Ron.

RON
Sorry.

ALICIA CORNINGSTONE
Thank you Mr. Harken. Goodbye gentlemen.

She closes the door.

CHAMP KIND
Oh she is a saucy Mama! I'm a gonna
bite that rumpy rump!!!
(howling like a wolf)
Awoooooo!!!

We see Alicia outside clearly hearing everything as she walks away.

ALICIA CORNINGSTONE (V.O.)
Don't feel sorry for me. I'm used to
this kind of situation. My real
name is Rita Ganken but Alicia
Corningstone hit the ear a little
better. My first on air job was at
a little station outside of Houston
and they were a hell of a lot worse
than these guys.

QUICK CUT TO:

ALICIA STANDING IN AN OFFICE TALKING TO A STATION MANAGER,
55, WITH A BIG COMB OVER AND PICTURES OF HIS WIFE AND KIDS

STATION MANAGER
(polite drawl)
We're like a family round here. You
got a problem then you come to Buck.

ALICIA CORNINGSTONE
Do you have a chair?

STATION MANAGER
Hell, why don't you come on over
here and sit on my lap. Come on sweet
thing.
(pointing to his crotch)
The Buck stops here.

CUT BACK TO:

She continues walking down the hallway.
CONTINUED:

ALICIA CORNINGSTONE
Women always ask me how I put up with it. Well, I have a little secret, I'm a damn good journalist. I live on a diet of cigarettes, Tab and ambition. And I am here to do one thing: excell.

CUT TO:

EXT. STREETS OF PORTLAND -- HALF HOUR LATER

The News Team is walking through the center of town underneath a blue sky eating corn dogs. A policeman on horseback rides by.

POLICE OFFICER
Hey! The Action News Team!

RON
Thumbs up men in blue!

BRICK TAMLAND
Hi Mr. Horse!

Ron throws his half eaten corn dog on the ground.

BRIAN FANTANA
So I figure the best way to keep Corningstone in line is to bed her quick.

CHAMP KIND
I wanna put that ass in a deep frier with a side of slaw and some gravy and just munch-munch-munch!

RON
Come on fellas, give it a rest!

BRIAN FANTANA
Oh my God look at Burgundy! You've gone all soft on us, like some school boy bitch!

They all laugh.

RON
Hey! Ron Burgundy has not gone soft! I will grab that woman, throw her down, caress her, give her a back rub! We will go to a Cat Stevens' concert together and hold hands!
CONTINUED:

CHAMP KIND
Listen to yourself Burgundy! You sound like a gay.

RON
Come on fellas! It's me: Papa Burgundy! As far as I'm concerned Corningstone is fair game. Let the games begin! Hey-oo!

ALL
There's the old Ron!... He's back!

They walk past a large building where five men in suits are smoking. It is lead anchor FRANK VITCHARD, 47 and his Eyewitness News Team from rival station channel ten.

FRANK VITCHARD
Well, well, if it isn't Ron Burgundy and the Action News Team.

RON
Hello Frank. Hello Eyewitness News Team.

FRANK VITCHARD
Nice clothes gentlemen. I didn't know the Salvation Army had a sale going on.

EWITNESS TEAM
(snickering)
He, heh, he, heh.

BRICK TAMLAND
Hey. Where did you guys get your suits? At the toilet?

Half Beat.

FRANK VITCHARD
What are you doing on our station's turf!? You're about to get a serious beat down!

CHAMP KIND
Make a move Vitchard! I will bust up that rot hole you call a mouth!

BRIAN PANTANA
At least we have a helicopter at our station!

FRANK VITCHARD
Yeah, well we've have a weather center!
CONTINUED:

RON
You put up a map and siren! That's not a weather center!

FRANK VITCHARD
Actually, that is pretty much what a weather center is.

BRIAN FANTANA
We should get one of those.

RON
Focus guys!

FRANK VITCHARD
Why don't you clowns go buy some more Old Spice!

CHAMP KIND
Bite my weiner Vitchard!

RON
Easy Team. I'm sure Frank is just upset over finishing second in the ratings again.

The Eyewitness News Team deflates.

FRANK VITCHARD
That's was uncalled for. You know those ratings systems are flawed.

RON
I'm sure that's what it is Frank. Have a good day Eyewitness News Team!

The Action News Team moves on.

NEWS TEAM
Nice one Ron...way to handle em...

RON
It certainly is good to be number one.

BRIAN FANTANA
Sure beats the hell out of number two!

Everyone laughs heartily.

RON
We are laughing...and we are very good friends!!...Good buddies who are sharing special times.
CONTINUING:

BRIAN FANTANA
You don't have to say it Ron. Just
let it happen.

RON

Someday we'll look back on this moment
with great fondness!!

We see the Alarm Clock, a group of serious faced radicals,
seated around a large table. PAUL, 28, the leader sits in a
large chair with SANDRA, 23, a sexy Mama on his lap. He is
surrounded by OLIVER, 32, a wirey genius with glasses, a
tall imposing Mexican man, MARK, 28, a sexy African American
woman, DEEDRA X, 26, and a MUSCULAR GUY, 25.

ALL
Stop the corruption! End the lies!
Ring the Alarm!!!

PAUL DANOVER
So here's what's gonna go down. We
chain ourselves to the White House
gates and refuse to move til our
message is heard.

MARCOS
And then the alarm clock will start
a'ringing'!

PAUL DANOVER
So, how're we doing on transportation?

DEEDRA X
Portland-Washington round trip tickets
are three hundred.

PAUL DANOVER
For all of us?

DEEDRA X
Per person.

MARCOS
So let's take a bus.

HOT WHITE CHICK
That is for a bus.
CONTINUED:

PAUL DANOVER
Dammit! We'll think of something else. Now's the time, folks! It's time to wake everyone UP!

SANDRA
What're we waking people up to again?

PAUL DANOVER
It is clearly stated in the manifesto.

MARCOS
Where's the manifesto?

PAUL DANOVER
I am writing the manifesto and when the time is right the information will be disseminated. The point is that to get our message out there we need money. Until we get money we're not the Alarm Clock gang. We're the Clock gang. There's no alarm. Just a clock that's not even wound up.

OLIVER
Maybe we should rob a bank.

PAUL DANOVER
Yes. It's all stolen money anyway. Marcos, get some masks and some transportation. Oliver, pick a bank with easy exits and low traffic. Now I'm going to go lay in a hammock. You ladies wanna join me, talk about the revolution, give some backrubs?

DEEDRA X/SANDRA
Cool...Sure Paul.

Garth knocks on the open door.

GARTH HOLLIDAY

ED HARKEN
Send her in.

Alicia enters.

ALICIA CORNINGSTONE
Mr. Harken I will not have my first story be about a cat fashion show. I've interviewed Ted Kennedy. There is hard news happening in Portland and I want to be a part of it!

ED HARKEN
You will do this story Ms. Corningstone. And you will do it well. I wanna know what kind of little hats they wear! If they cut holes in the pants for the tails!

ALICIA CORNINGSTONE

CHAMP KIND
Hey Burgundy, I'm about to take a run at the new girl! Let the games begin!

RON
(clearly not cool with it)
That's right! Let the games begin!

Alicia exits Harken's office, clearly pissed off.

MUSIC: THE WHITE STRIPES "HELLO OPERATOR"

A series of quick shots showing Champ finding ways to touch Alicia's breasts. He bumps into her in the hallway.

CHAMP
Oh sorry about that lil' darling.

INT. OTHER SIDE OF THE OFFICE--MINUTES LATER

He reaches across her to grab a coffee cup.

CHAMP KIND
Ooops, boy I'm clumsy.

INT. CENTER DESKS IN NEWS ROOM -- MINUTES LATER

He grabs a pencil while she's on the phone.

CHAMP KIND
Let me just grab this. Whammy!

ALICIA CORNINGSTONE
Excuse me are you trying to touch my chest?

CHAMP KIND
What can I say? I like the way you're put together. You wanna go get a filet of sole later?

ALICIA CORNINGSTONE
I don't think so. Wait let me get this over here.

She punches him in the dick.

ALICIA CORNINGSTONE (CONT'D)

Sorry.
CONTINUED:

Newsteam laughs at Champ as he throws up in a waste basket. Brian walks by him.

BRIAN FANTANA
Nice work Doctor Homo. Now watch and learn.

Music kicks back in.

INT. BRIAN FANTANA'S OFFICE

Brian is looking through a shelf filled with literally hundreds of cologne bottles while Ron watches on.

RON
Which cologne you going with: Night Dragon or Lodon Gentleman?

BRIAN FANTANA
No, she gets a special cologne.

He opens a cabinet full of cologne bottles, in the middle we see a polished mahogany box. He opens it and inside, sitting on some grass is a large black bottle with a panther head.

BRIAN FANTANA (CONT'D)
It's called Sex Panther by Prince Machivelli. And it's illegal in nine countries.

SFX: PANTHER GROWL

INT. NEWS ROOM

Brian walks up to Alicia who is with a copy writer and a producer.

BRIAN FANTANA
Hey sweetheart, I just wanted to extend an invite your way-

ALICIA CORNINGSTONE
Oh my God, what is that smell?

BRIAN FANTANA
That's the smell of desire M'lady.

ALICIA CORNINGSTONE
My eyes are watering. It smells like a piece of old ham wrapped in a used diaper!
CONTINUED:

Alicia runs off. People all over the office begin sniffing the air and responding to his very present cologne.

    BLACK MAN'S VOICE (O.S.)
    Damn that is rank!

    MAN'S VOICE (O.S.)
    It smells like an animal carcass
    full of rotten shrimp!

    SMALL CHILD'S VOICE (O.S.)
    Mommy I'm scared!

EXT. ALLEY BEHIND KYW STUDIO

Brian is being hosed down in his suit by two janitors in haz-mat suits.

INT. STUDIO---TWENTY MINUTES LATER

Alicia is talking to a CAMERA MAN as Brick approaches.

    BRICK TAMLAND
    Excuse me Alicia?

    ALICIA CORNINGSTONE
    What is it Brick? I'm working.

    BRICK TAMLAND
    I thought maybe we could get together later and touch each other in the bathing suit area.

    ALICIA CORNINGSTONE
    No.

    BRICK TAMLAND
    Okay.

He turns and runs away full speed.

INT. NEWSROOM - COFFEE STATION

Cup of coffee being filled, pull back to see that it is Ron surrounded by the defeated News Team. Brian is still soaked.

    CHAMP KIND
    ...so she must be a lesbo. It all adds up!

    BRIAN PANTANA
    No, she's a ball buster.
CONTINUED:

RON
I think we're all wrong. I think she's a classy lady. And they can be the worst.

CHAMP KIND
We're classy guys. You want a sip of rum?

He offers Ron a thermos.

RON
No thank you. It's one in the afternoon. I just had some tequila.

BRIAN FANTANA
Man, what're we gonna do?

RON
I quote my mentor the great lead anchor Jess Moondragon who used to say, "Sometimes you gotta let it all hang out."

Ron strides off purposefully.

Music: Kicks back in.

CHAMP KIND
Hey Ron! Take a nice big bite of that bee-hind for me and save some in a doggy bag! We can have sandwiches tomorrow! Whammy!!!

INT. ALICIA'S OFFICE

Alicia is watching a research tape of different kinds of cats. Helen knocks.

HELEN
Alicia? Ron wants to see you in his office.

INT. RON'S OFFICE

Alicia enters Ron's office, he is seated backwards on a chair, shirtless, curling handweights. It's an obviously posed situation.

RON
Oh Alicia I'm sorry I didn't know you were coming by. Just doing my workout. Tuesday is arms and back.
CONTINUED:

ALICIA CORNINGSTONE
You asked me to come by.

RON
Oh did I? Well, I'm just making sure the guns stay pumped. Let me just get a glass of water over here.

Ron reaches across Alicia for the water in such a way as to flex.

RON (CONT'D)
Just getting this glass of water. Pardon my guns.

ALICIA CORNINGSTONE
This has to be the feeblest pick up attempt I have ever encountered. You should be ashamed of yourself Mr. Burgundy.

RON
(putting on his shirt)
"Pick up attempt?!!" I am offended! I have very little time to get to the gym so I have to sculpt my guns at the office.

ALICIA CORNINGSTONE
Stop calling your arms guns!

RON
I was only going to suggest that I show you around the town as one professional helping another professional.

ALICIA CORNINGSTONE
Really?

RON
Yes. But now, I am hurt and shocked!

ALICIA CORNINGSTONE
Strictly as a professional?

RON
That was the idea, yes. But we're way past that! I am so hurt and wounded that-

ALICIA CORNINGSTONE
I could do that.

RON
Really?
CONTINUED:

ALICIA CORNINGSTONE
Yes. As a journalist I should get to know the city I'm covering. But this is not a date.

RON
Of course. Strictly professional.

Ron stands up and clearly has a huge hard on.

RON (CONT'D)
It's the... pleats.

INT. HALLWAY -- SECONDS LATER

MUSIC CUE: "Groovey Situation" by Gene Chandler

Ron now with shirt on walk dances down the hallway.

RON
I got a date! There we go! Hey-oo!

Suddenly, without warning he slams his head into an open file cabinet, WHAM!

RON (CONT'D)
Ron Burgundy is down and it is bad! Ohhhh it is very serious! I'm going to say right off the bat, call for a paramedic! Ohhhhhhh my God it is as serious as anything on record! I'm fully expecting a portion of my brain to be exposed.

Ron stands up and feels his head, there's barely a red bump there.

RON (CONT'D)
Okay, false alarm gang! Let's get back to work everyone, we've got a news program to put on!

The news team walks up.

CHAMP KIND
What happened?

RON
She said yes. We're having a romantic evening together tonight.
CONTINUED:

NEWS TEAM
(panting and barking)
Alright Ron!...You
Dog!...Whammy!...Woof! Woof!

NARRATOR (V.O.)
Yes, Burgundy was smitten. Ron didn't have much experience with real relationships so it was a new feeling for him.

CUT TO:

INT. NEWS STUDIO --- THAT NIGHT

RON
Good evening Portland. I'm Ron Burgundy. Tonight's top story: A robbery in the downtown area today as four unidentified individuals made off with with only four masks from a prominent Portland costume shop.

Brian Fantana who's hair is still wet reports from in front of the store.

BRIAN FANTANA
And for now the Police can only hope they get some leads in this strange case. Back to you Ron.

A passerby in the background stops.

PASSERBY
What is that stench? It smells like a plumbers ass full of rancid salmon!

And then we time lapse dissolve to Ron's sign off line.

RON
Which proves yet again that even a blind man and his pet falcon can find happiness in this world we live in. Good stuff. For your Action News Team, I'm Ron Burgundy?

INT. CONTROL ROOM

ED HARKEN
Dammit who typed a question mark on the teleprompter? For the last time, whatever you put into the prompter Burgundy will read it. Are we clear?
CONTINUED:

Ron finishes his sign off. Quick cuts of different people in Portland saying it with him.

RIN
You stay classy Portland.

Credits roll as Ron bolts off the set.

INT. NEWS BUILDING LOBBY- NIGHT

Alicia is waiting by the front doors.

ALICIA CORNINGSTONE
(to herself)
This is such a mistake Alicia.
Remember it's strictly professional...

Ron comes walk dancing out of the elevator.

RON
(singing)
"...ALEECA...ALEECA...MY ANGEL...MY DYNAMITE LADY." I'm full of it tonight.

INT. RON'S VAN - FIVE MINUTES LATER

Ron and Alicia drive through the bright lights of Portland.

RON
So I thought we'd start by getting a bird's eye view of the greatest city on earth: Portland Oregon.

ALICIA CORNINGSTONE
Excellent.

Ron pops a tape in to the dash.

ALICIA CORNINGSTONE (CONT'D)
What's that?

RON
Oh it's just a little tune I heard, made me think of a spicial lady that I happen to be driving with right now.

Ron pushes play.

MUSIC: "I WANNA MAKE IT WITH YOU" BY BREAD

Ron turns and just stares at Alicia with a suggestive, sly look for a long time without making any attempt to look at the road.
CONTINUED:

ALICIA CORNINGSTONE
It makes me nervous that you're not looking at the road.

RON
Don't worry I know these city streets like the back of my hand.

Ron just keeps staring at her.

RON (CONT'D)
Well?

ALICIA CORNINGSTONE
I don't know what to say.

RON
Don't say anything. Just...be.

Ron keeps staring at her. He turns the van, stops at a red light, honks the horn.

ALICIA CORNINGSTONE
Ron please look at the road.

RON
Shhh, trust me.

The song continues to play and Ron continues to look directly at Alicia. He makes way for an ambulance, puts on his turn signal, merges into fast moving traffic all while continuing to stare deeply at Alicia.

RON (CONT'D)
You have captivating eyes, like a unicorn or a Princess. Has anyone ever told you that?

ALICIA CORNINGSTONE
No...thank you.

RON
And we're here. Just let me parallel park.

Quick motions with his hands on the wheel as he parallel parks without looking.

RON (CONT'D)
And there you have it. The grand lady that is Portland Oregon.
CONTINUED:

We see that he has parked perfectly on a steep bluff overlooking a stunning night view of the city.

ALICIA CORNINGSTONE
Well. That is quite a view
Mr.Burgundy.

RON
Drink it in. Mmmmmmm...Portland. She always goes down smooth.

ALICIA CORNINGSTONE
It's truly nice to see an anchor so fond of the city he covers.

RON
Portland's my beautiful lady. And as of yesterday, she just got a little prettier.

ALICIA CORNINGSTONE
That's very... nice of you.

RON
And now we go to a place essential to any TV reporter in Portland.

CUT TO:

INT. MAHOGANY BAR

Cocktails being mixed and beer being poured. A jazz trio is playing. The place is packed with news anchors smoking and drinking.

RON
Every news anchor in town comes to Tino's. This is the place.

ALICIA CORNINGSTONE
It's very exciting.

A waiter passes by.

ALICIA CORNINGSTONE (CONT'D)
Oh excuse me! May I have another Manhattan?

WAITER
Anything for Mr. Burgundy's guest!

RON
Wow you drank the first one fast.
CONTINUED:

ALICIA CORNINGSTONE
Well, when in Rome...

RON
Yes... please go on.

ALICIA CORNINGSTONE
Do as the Romans do? It's an old expression.

RON
Oh I've never heard of it. That's wonderful. Alicia you know what's wrong with you? (singing) ABSOULUTELY NOTHING, LA, LA, LA! Let's introduce you to the gang!

We see a series of news anchors being introduced to Alicia.

ANCHOR #1
Heyyyyy. Mike Nazareth, channel 2 sports. You got a nice shape honey. Don't be afraid to show it off.

ANCHOR #2
Chip Mantooth, weather. Remember honey, more cleavage equals more ratings.

ANCHOR #3
Deacon Charley here, weather. Any idea who took a dump in my fish tank? Because those fish are not doing well.

ANCHOR #4
(drunk with snot running out of his nose)
Hey...mphhh...mpfffmmmm...heyygglll...I..have...prblems.

Ron and Alicia seated at a table. Ron signs an autograph for a KOREAN MOTHER, 45 and her daughter.

KOREAN MOTHER
Mr. Burgundy, Because of a story you did last year about delinquent landlords we had heat for Christmas.

RON
I remember that story. October eleventh. A tuesday night. I was wearing a red tie with white speckles. You must be Paula Tran.
CONTINUED:

KOREAN MOTHER
You are a national treasure
Mr. Burgundy.

They take the autograph and exit.

ALICIA CORNINGSTONE
Boy I have to say I'm impressed,
this city really seems to love you.

RON
It's a big responsibility. It's like
I have one million children.

ALICIA CORNINGSTONE
Well you handle it well.

TINO, 40, walks over.

TINO
Mr. Burgundy?

RON
Tino. How are you? Tino is the
greatest club owner in the city.

TINO
Mr. Burgundy we would be honored if
you would play jazz flute for us.

RON
Oh no. I couldn't.

TINO
(to the crowd)
Would everyone love to hear Ron
Burgundy play some jazz flute?

ANCHORS
Yeah! Fantastic! Woo! Stay classy!

RON
Well...I guess I can play a quick
diddy.

Ron walks up on stage and reaches under the back of his jacket
where there is a flute case.

RON (CONT'D)
Alright gentlemen, "East Broadway
Rundown" in E-flat; keep the cymbals
splashy and take that base line for
a walk.
RON (CONT'D)
Alright gentlemen, "East Broadway Rundown" in E-flat, keep the cymbals splashy and take that base line for a walk.

Ron plays an elaborate lead-in to the song. The band kicks in behind him. Ron is amazing, scampering about the stage like a nimble jazz goat, playing incredible solos. Alicia watches in awe. The crowd of anchors goes nuts. Ron walks on top of the cocktail tables as he plays, stepping on people's drinks and food. He takes a break to scat.

RON (CONT'D)
SCHEE DA BO DA DEE...NEWS, NEWS, BREAKING NEWS, BA DOP DEE...THIS JUST IN-IN-DE-IN DIN DIN!!!

He finishes the song with an amazing run of scales on the flute. Then he breaks for a beat going into Jethro Tull's Aqualung.

RON (CONT'D)
Ah! AQUALUNG!

Then back to the jazz finish. The crowd explodes with cheers.

INT. TINO'S -- MUCH LATER

Ron and Alicia are now seated in a cozy candle lit corner. The place is empty as wait staff clean up.

ALICIA/RON
Ha, ha, ha, ha...

ALICIA CORNINGSTONE
You were amazing, where did you learn how to play like that?

RON
Jazz flute has always been a small passion of mine. And please, if we could keep this between the two of us I wouldn't want the Team to find out about my flute playing.

ALICIA CORNINGSTONE
Absolutely. So what other "passions" do you have Mr. Burgundy?
CONTINUED:

They laugh a little too hard at this joke.

RON (CONT'D)
So what about you Alicia? What are your hopes and dreams?

ALICIA CORNINGSTONE
Well believe it or not we share the same dream. I too, want to become a network anchor.

RON
Ha, ha, and after that you can be King of Australia! Seriously-

ALICIA CORNINGSTONE
I'm very serious Mr. Burgundy. I've wanted to be an anchor since I was a little girl.

As Alicia tells the story it is depicted in a series of lightening-quick photo images.

ALICIA CORNINGSTONE (CONT'D)
I've always been cursed with a talent for pursuits usually dominated by men. As a little girl instead of playing house I would play "drill sergeant" or "butcher." Then in high school I learned how to dunk and could hit the three from ABA range, but the coach wouldn't let me play with the boys. So I tried to get a job as a lumber jack. But they laughed at me. Then one day I read the P.A. announcements at school and was hooked. I knew I would be a news anchor. And yes, it's been lonely...and difficult...and lonely.

There is a tear streaming down Alicia's face.

RON
Are you crying?

ALICIA CORNINGSTONE
I don't think so. Um, we should probably get going, I swore I would never get involved with a co-worker...

Alicia starts to leave, but Ron grabs her by the arm.
CONTINUED:

RON

Wait. What if just for tonight we weren't co-workers? What if we were just... co-people.

ALICIA CORNINGSTONE

I don't-

RON

Shhhh. You be a woman...I'll be a man...that's all.

ALICIA CORNINGSTONE

You continue to surprise me
Mr.Burgundy...

A tentative moment turns into a passionate kiss.

MUSIC: "You've Made Me So Very happy", by Blood, Sweat and Tears comes on full blast.

They kiss feverishly. As they do this they are on a spinning platform.

DISSOLVE TO:

INT. RON'S BEDROOM

They are in a half-state of undress, rubbing and kissing each other. Baxter is next to them more passed out than asleep.

RON

Oooohhh!!! You're my Spanish lady!!

ALICIA CORNINGSTONE

Yeah!! Take me my viking lover!

RON

Oh yeahh!!! I'm storming your castle on my steed M'lady!!

ALICIA CORNINGSTONE

Ahhh!!! Take me to Ecstasyville!

RON

Oh we're going there!

They kiss and then fall back into the bed.

HAZY DISSOLVE:
ANIMATED SEQUENCE- GIANT ANIMATED GATES "ECSTASYVILLE"

Ron and Alicia are live in an animated world. They fly into frame, smiles on their faces, holding hands, pushing their way through the gates of "Ecstasyville". It is a land not unlike the one the Smurfs live in. Full of rainbows, sunshine and magic.

RON AND ALICIA-RIDING FLYING UNICORNS

RON
I friggin love you!!!!

ALICIA CORNINGSTONE
I friggin love you back!!!!!

Exploding lolipops burst into hearts.

RON
Look! The most glorious rainbow ever!!

RON AND ALICIA SLIDING DOWN A RAINBOW

RON AND ALICIA
Weeeeee!!!!

They land in the arms of giant panda bear who starts to hug them but then notices Alicia. They in turn begin to make-out, Ron is not amused.

RON
Back off Love Panda!

Alicia and the panda realize what they're doing and stop. The panda resumes hugging them while hearts explode all around them. Then the Panda puts his hand on Ron's thigh and tries to kiss him.

RON (CONT'D)
Hey! Ron Burgundy does not go that way Love Panda!!

DISSOLVE TO:

INT. RON'S BEDROOM

They are laying in each others arms as the sun comes up.

ALICIA CORNINGSTONE
Well done sir.
CONTINUED:

RON
You are not so bad yourself. I didn't care for the Love Panda, though.

ALICIA CORNINGSTONE
I have very strong feelings towards you Mr. Burgundy. But it's very important to me that I be viewed as a professional.

RON
Right. When in Rome.

ALICIA CORNINGSTONE
That expression doesn't really apply to what I'm talking about. I just thought if we're going to keep seeing each other we should keep it relatively quiet around the station.

RON
Absolutely my crazy wildflower. Tasteful discretion is the name of the game.

CUT TO:

INT. NEWS ROOM

We see across the bustling news room an open door to Ron's office.

RON (O.S.)
Alicia Corningstone and I had wild, nasty sex last night and now we are in love!!!

Everyone in the news room looks up.

INT. RON'S OFFICE

The whole newsteam is in Ron's office. They're all smoking. Brian is pouring a drink at Ron's wetbar while Brick is looking at a candle.

RON
Did I just say that loud?

BRIAN FANTANA
You pretty much yelled it.

RON
I can't help it. It is wonderful! It's just fantastic!

Brian gets up and closes the door.
CONTINUED:

BRIAN FANTANA
Ron so tell us, what's it like?

RON
What, the sex? Outta sight my man!

Ron pumps his fist.

BRIAN FANTANA
No the other thing. Love.

BRICK TAMLAND
Yeah, what is that?

CHAMP KIND
I think I was in love once.

RON
Well who was she?

CHAMP KIND
I don't remember her name.

RON
That's not a good start, but go on.

CHAMP KIND
She was a dental assistant, we spent three days in Barbados together... And she could touch her shoulders with her feet.

RON
That's not love.

CHAMP KIND
Dammit!

BRIAN FANTANA
Is it like how you feel when you salute the flag... only you've got a boner?

RON
No...

BRICK TAMLAND
I love glue.

RON
You guys really wanna know what love is?

ALL
Yes... tell us... etc.
CONTINUED:

Ron takes a moment.

RON
This morning when I woke up and saw Alicia next to me, I just laid in bed.....I didn't even think about getting up to style and blow dry my hair.

Beat as the team is visibly moved.

CHAMP KIND
Wow.

BRIAN FANTANA
Ron, please tell me you did not walk out the door without blow drying your hair.

RON
I'm in love, not insane! Believe me it got done.

CHAMP KIND
Where is she now?

RON
She's doing her first story at the feline fashion show as we speak. I hope she can handle it. This is the big time.

CUT TO:

INT. GIANT PET STORE

MUSIC: "I Like Bread and Butter" is being piped in over the store P.A. A little runway has been constructed in the center of the store: Pet Emporium.

We see various shots of oblivious cats in little outfits being lead down a runway. 1) A cat in a cardigan 2) a cat in a woman's bikini 3) a cat in a leather jacket with sunglasses.

M.C.
That was Jinxxy in an outfit we like to call "Rebel without a Paws", and paws is spelled p-a-w-s. Come on everyone!

We see 15-20 cat lovers enjoying the show way too much.

EAGER CAMERMAN
I'm getting some great stuff Alicia!
CONTINUED:

ALICIA CORNINGSTONE
(pissed)
Let's just do my sign-off and get out of here. This is a jackass convention.

As the camera man frames up the shot Alicia sees a clerk, PAUL DANOVER, the leader of the Alarm Clock, in the tropical fish section staring at her. He approaches her nervously.

PAUL DANOVER
Hey. I'm Paul. Wanna get an Orange Julius?

ALICIA CORNINGSTONE
Excuse me, we're about to go live in twenty seconds.

EAGER CAMERMAN
Okay I'm ready.

ALICIA CORNINGSTONE
Sir, we're going to need you to move.

PAUL DANOVER
Right on. You know what I always say: no time like the present. Cause you never know when the clock'll strike twelve and your carriage'll turn into a pumpkin.

As Alicia begins the broadcast Paul walks off screen. He scoops a fish from a tank with a net. Alicia glances at him for a second before going live.

ALICIA CORNINGSTONE
(instantly brightening for the camera)
So all in all it was fun day for cats, their owners and the spectators here at the mall. And just for today fashion curiosity did not kill the cat... it made him look purrr-fect. From the Pet Emporium in Harkston. I'm Alicia Corningstone for Action News.

PULL OUT TO REVEAL:

This story has been playing on a monitor during the broadcast. Ron is behind the desk.

RON
That of course our newest reporter Alicia Corningstone. She's really great.

(MORE)
CONTINUED:

RON (CONT'D)
And I might also share with you that we are currently dating. And she is quite a creative partner in the bedroom. Okay. That'll do it for us here at six o'clock. For the entire Action News team, I'm Ron Burgundy. You stay classy Portland.

CUT TO:

INT. RESTAURANT --- LATER THAT NIGHT

Ron and Alicia are eating fondue in a restaurant.

ALICIA CORNINGSTONE
You idiot!! I can't believe you said we were dating on the air!

RON
I thought you'd like it!

ALICIA CORNINGSTONE
I want to be an anchor Ron. And there's no way that's going to happen if everyone thinks I'm your your bimbo gal pal.

RON
I'm sure no one even heard it! I said it pretty fast...

A SKEEVY GUY, 55 leans in from the table next to them and gives them the thumbs up.

SKEEVY GUY
Hey you two. Congrats on gettin it on.

RON
Thank you. It's really fantastic. (and then back to Alicia)
I'm sorry Alicia. I truly am. I report the news and well, today the biggest news story in Ron Burgundy's world... was that he fell in love with Alicia Corningstone.

MUSIC: SWEET

ALICIA CORNINGSTONE
(touched)
Oh Ron... I think I love you as well.

The skeevy guy leans in.

SKEEVY GUY
Are you two about to get it on?
CONTINUED:

RON
No. Maybe later though. We'll have to see.

ALICIA CORNINGSTONE
Stop answering him!

EXT. PORTLAND CITY STREET--- THAT NIGHT

The News Team minus Ron is in a big red Impala cruising around with the song CHEROKEE NATION blaring. They all have cigarettes in their mouths.

BRIAN FANTANA
I like your new tie Brick.

BRICK TAMLAND
Thank you. It's yellow.

Beat of bored silence. They don't know what to do without Ron.

CHAMP KIND
Hey, I've got an idea. Let's turf the Eyewitness News Team's lawn! Whammy!

EXT. FRONT OF CHANNEL 10 NEWS BUILDING--- TWO MINUTES LATER

The red Impala is spinning it's tires and kicking up turf on the lawn in front of the channel 10 news building. The team looks unmoved by the experience.

BRIAN FANTANA
It just isn't the same without Ron.

CHAMP KIND
(sadly)
It's four thirty in the morning. Maybe we should call it an early night.

CUT TO:

EXT. PORTLAND ---MORNING

Street cleaners with brooms push through the street as the sun rises.

MUSIC: YUMMY YUMMY I'VE GOT LOVE IN MY TUMMY

INT. LOBBY --- THE NEXT DAY

The news team are all getting their shoes shined while smoking and drinking.
CONTINUED:

BRIAN FANTANA
So we're having the Team pancake breakfast tomorrow morning at nine instead of eight.

CHAMP KIND
Sounds good. I'll bring the syrup and gin.

RON
Oh I almost forgot. I can't make it. Alicia and I are trying this new fad called "jogging."

CHAMP KIND
Ron, this is our Pancake Breakfast. We do this every month.

RON
Well you know what they say, when in Rome.

BRIAN FANTANA
What do you mean?

RON
You know... when a lady downs her drink fast?

BRIAN FANTANA
I think you're thinking of "Do as the Romans do."

RON
I don't think so...

BRIAN FANTANA
The bottom line is you've been spending a lot of time with this lady Ron. And it's hurting the team! There! I said it!

RON
How dare you! I love this team like my own son!

CHAMP KIND
Easy Papa. Brian's just trying say that we're worried about you. This chick could be setting you up for a big fall.

RON
Believe me I'll be fine. If there's one thing Ron Burgundy knows it's women.

(MORE)

RON (CONT'D)
And Alicia Corningstone is dying to quit her job so she can take care of me and have babies.

INT. GRAND HOME --- RON'S FANTASY

Ron enters his slightly oversized living room. He is greeted by his three kids, all boys with perfect hair in suits. Alicia is in high heels and an apron and that's all.

MUSIC: IT'S SO NICE TO HAVE A MAN AROUND THE HOUSE by Dinah Shore

ALICIA CORNINGSTONE
Hello honey! I spent all day cleaning your Emmies and preparing dinner! I love my life!

RON
Let's make whoopie and then I'm going out drinking with the news team!

ALICIA CORNINGSTONE
Yes!

They kiss in a really sexual way while the kids run a lint brush over Ron's coat.

BACK TO REALITY

CHAMP KIND
I don't know Ron...

RON
She's my lady and we're going to ride horses and get married on a mountain top! So quit trying to break us up!

Ron walks off.

CHAMP KIND
(said with a "what's his deal" inflection)
Wham-mee.

BRIAN FANTANA
This lady has really crawled into Ron's head. It's just like that Chinese lady who broke up The Beatles.

BRICK TAMLAND
Mr. Bruce Lee. I never forgave him.
INT. HARKEN'S OFFICE

Ed Harken is in his office on the phone.

ED HARKEN
Well, I understand Mr. Dawson... he is my son so I would prefer it if you wouldn't refer to him as a filthy animal.

Alicia walks in, he gives her the quiet motion to sit down.

ED HARKEN (CONT'D)
...well I really feel like Chris is very close to turning everything around. What's that? You don't. Well, fair enough, you have a good day, sir.

Harken hangs up the phone.

ALICIA CORNINGSTONE
Should I come back later Mr. Harken?

ED HARKEN
No, no, it's parent stuff. Apparently our youngest, Chris, was caught joy riding with a sheet of acid and a spear gun. You know how kids are. Anyway what can I do you for?

ALICIA CORNINGSTONE
I want to do more challenging stories.

ED HARKEN
(hand her a piece of paper)
Ask and you shall receive. There's a 103 year old woman out in Nederville who claims to have the recipe for the world's best meatloaf.

ALICIA CORNINGSTONE
I want to investigate that group, the Alarm Clock, that vandalized the museum.

HARKEN
Just take a run at the meat loaf story honey and we'll see how it goes.

ALICIA CORNINGSTONE
There is a group of radicals robbing and threatening to wake us all up. Don't you think we should find out what it is they want to wake us up to?
CONTINUED:

HARKEN
Here's what you're gonna wake everyone up to: the best meatloaf recipe in the state.

ALICIA CORNINGSTONE
What if I refuse?

HARKEN
Then you're fired sweety.

ALICIA CORNINGSTONE
Then I'll sue you for sexual harassment.

HARKEN
What the hell is sexual harassment?

Freeze frame on Alicia looking exasperated.

NARRATOR (V.O.)
It was very hard for Alicia, make no mistake about it. But she was a pro. And so after a couple weeks of stories on cooking and fashion, she finally got her big break. It all happened because Burgundy was taking his beloved dog Baxter to get his little doggie teeth whitened...

CUT TO:

EXT. CITY STREET -- DAY

Ron is driving down the street and munching on an apple in his conversion van with Baxter.

RON
(singing)
BAXTER'S GONNA GET MONKEY LUNGS THEN
HE'LL BE GOOD AS NEW!!! BAXTER!!!!
MY LITTLE GENTLEMAN!!

Ron whips his half eaten apple out the window. It hits a MOTORCYCLIST, 28, who wipes out horribly.

RON (CONT'D)
Anthony and Cleopatra!

Ron stops his van and gets out. The motorcyclists pants are shredded and he is irate.

MOTORCYCLIST
What the hell man!? My bike's thrashed!!
CONTINUED:

RON
I'm terribly sorry. I'm taking my
terrier to get a lung transplant and
my mind was elsewhere.

MOTORCYCLIST
Hey, aren't you that guy from TV?

RON
Why yes, I'm four time local emmy
award winning anchor Ron Burgundy.
In fact, what if I gave you an
autograph?

Starts writing out an autograph.

RON (CONT'D)
There, this should make it right.

MOTORCYCLIST
Well that takes care of everything.
I'm glad I wrecked my bike now. Thank
you so much!

Guy marches over to the van.

RON
Excuse me sir, what are you doing?

Motorcyclist grabs Baxter and drop kicks him off the bridge
and into the river.

RON (CONT'D)
NOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

ALICIA CORNINGSTONE
Mr. Harken. I just want you to know
I'm ready to go on.

ED HARKEN
Ms. Corningstone, don't you feel
that in light of your relationship
with Ron-

ALICIA CORNINGSTONE
Don't use my personal life as an
excuse to hold me back! The fact
that half the crime stories we do
are about your son hasn't hurt your
career any! I'm very worried about
Ron but I'm also a pro and expect to
be treated as one!

She storms off.

ED HARKEN
Jesus... I am actually afraid of her.

GARTH HOLLIDAY
I saw her practicing on the prompter.
She's not bad.

CUT TO:

EXT. GAS STATION.

Ron is fumbling with a pay phone. Brian Fantana answers the

BRIAN FANTANA
Oh my God, it's Ron! Where are you!?

RON
The man punted Baxter!!!!
Aaaerrrrragggahhhhhhhhhhhhhhhhhhhhh!!!

RON
(trying to gain control)
Ahhhhhhhhhhhhhh...argfghtghh!!!
He's gone!!!
CONTINUED:

BRIAN FANTANA
Oh man. Wasn't Baxter like twenty?

RON
He was a gentleman...

BRIAN FANTANA
Hey you better get down here. We go on the air in ten minutes.

RON
I can't go on.

Ron has dropped the phone and is crying/yelling to the heavens.

BRIAN FANTANA
You've got to go on. Ed's thinking of putting Corningstone on. Ron?
Ron?

INT. NEWS ROOM -- MINUTES LATER

Brian busts into Harken's office where the rest of the team is already assembled.

BRIAN FANTANA
We're gonna have to cancel the news.

ED HARKEN
We are not canceling the news! I've decided to let Alicia Corningstone take lead anchor. And that's that.

CHAMP KIND
(Yells out into the crowded news room.)
Listen up everyone! Early night tonight! We're canceling the news!!!

ED HARKEN
(also yelling out the door)
Everyone disregard what he just said!

Brian is on the phone.

BRIAN FANTANA
Yeah, we're not doing the news. So just run an old movie or-

Harken grabs the phone and slams it down.

STAGE MANAGER
We're live in ten!!!

Alicia is repeating something over and over again to herself.

ALICIA CORNINGSTONE
...excellence...excellence...
excellence..

Champ leans in to Alicia.

CHAMP KIND
Oh, hey little lady. No pressure, but one little slip and you're gone. Whammy.

Alicia doesn't have time to react as we hear the theme for the opening and the red light goes on.

ALICIA CORNINGSTONE
Good evening. Ron Burgundy is off tonight. I'm Alicia Corningstone. Tonight's top story, the group known as the Alarm Clock has sent letters to all of Portland's major newspapers in an attempt to publisize their radical message. The papers have turned the letters over to the FBI who are now investigating..

INT. CONTROL ROOM

Harken is visibly impressed.

So even if your dog survived the initial fall, he would have been chopped up by the sewage treatment turbines, or eaten by river eels or hacked up by recreational boat propellers.

RON
So there's hope. Thank God.

Some cops across the station call out.

COP#1
Hey Rick! Check out the hot little number on the news! She's actually good!

Ron stands up and walks over towards the screen where he sees Alicia competently doing the news in his chair.

INT. NEWS SET --- CONTINUOUS

Alicia is winding up the news cast.

ALICIA CORNINGSTONE
...and the winner of the frog leaping contest was Hoppy. And no, the frog did not turn into a Prince when kissed.

She gives a pleasant smile.

ALICIA CORNINGSTONE (CONT'D)
Well, that'll do it for us at six o'clock.
CONTINUED:

As Alicia is finishing we see various shots of Portland watching: baby in crib, biker bar, old age home. They approve.

ALICIA CORNINGSTONE (CONT'D)
For all of us here at Action News, I'm Alicia Corningstone...and thanks for stopping by Portland.

Light goes off. The crew and some staff members led by Helen burst into applause.

ED HARKEN
Not bad Ms. Corningstone. Not bad at all. And I like that sign off line.

ALICIA CORNINGSTONE
Thank you Mr. Harken. Has anyone heard from Ron?

Ron bursts into the studio out of breath, covered in sweat and with a cut on his head.

RON
(incredibly out of breath)
I'm here!! Let's do the news!!!

ED HARKEN
We just did, uh Ron. Alicia filled in for you.

ALICIA CORNINGSTONE
Ron! I'm so sorry about Baxter!

RON
Whaaa?!! You did my news? Alicia, please tell me this is some terrible, twisted nightmare.

ALICIA CORNINGSTONE
Ron please don't be upset. I wanted you to be proud of me... as a peer and as my gentleman lover.

ED HARKEN
(clapping his hands)
Alright everyone let's clear the room!

People start clearing out.

RON
You read my news! That was my news!
CONTINUED:

ALICIA CORNINGSTONE
Don't do this...don't. I love you!

RON
Then how could you do this to me!

ALICIA CORNINGSTONE
I told you I wanted to be an anchor...I told you!

RON
I thought you were kidding!!

ALICIA CORNINGSTONE
(tearing up)
I can't believe I thought you loved me. You selfish...ass!

RON
You used me. You just slept with me so you could get ahead!

ALICIA CORNINGSTONE
I slept with you because I actually cared for you!

RON
God I feel so cheap!

ALICIA CORNINGSTONE
Aarghh!! I did this for us!! Can't you understand that??

RON
Just go! Get away from me!!! We're through! Through!!

Alicia runs away sobbing leaving Ron completely alone in the studio. He goes and sits in his chair on the news set.

RON (CONT'D)
My chair.

2) Harken holding a meeting.

   ED HARKEN
   I just got a call from the network.
   It looks like last night's broadcast
   received a two point ratings boost.
   The decision has been passed down to
   make Alicia our co-anchor.

We see the News Team simmering as everyone else congratulates
Alicia.

3) Cover of Newsweek: in the upper corner: photo of Alicia
   with "Meet the Nation's first female anchor!"

   She's gotta be stopped.

   BRIAN FANTANA
   This has gone too far.

   CHAMP KIND
   She's finding her own stories.

   RON
   I will not be a co-anchor. Ron
   Burgundy is a lead anchor!
CONTINUED:

BRIAN FANTANA
Not to mention what she's doing to your chances of going network.

RON
Aargh!!!

CHAMP KIND
It's good to have you back Ron. I know that female messed with your head big time.

RON
Yes...I was a fool for the soft touch of a woman. It's a story as old as the Empire State Building.

BRICK TAMLAND
How was the funeral for Baxter?

RON
Since the body was never recovered it was more of a memorial service. But we had it in San Francisco and it was lovely. Baxter always loved the city by the bay.

RON
Part of me still knows he's alive.
(heavy breath)
So what do we do about the Corningstone problem? We've got to take her down, fast.

CHAMP KIND
Do you fellas remember that limp wristed fairy who was going to do the financial reports?

BRIAN FANTANA
Yeah we were fifty one percent sure he was gay.
CONTINUED:

CHAMP KIND
No, he was gay alright. I made out with him at the Christmas party.

RON
What?

CHAMP KIND
Nothing. I say we run Corningstone out the way we did that girlie boy.

BRIAN FANTANA
I'm in.

RON
So it's settled. We declare war on Corningstone. By the way, Brick what are you eating?

BRICK TAMLAND
It's one of those delicious falafel hotdogs with cinnamon and bacon on top.

BRIAN FANTANA
What do you mean "one of those". Those don't exist. That's a used coffee filter with cigarette butts on it.

BRICK TAMLAND
Well I got it out of the food basket at the end of the lunch line.

BRIAN FANTANA
That's the garbage can.

CHAMP KIND
Although with the cooking here there's not much difference!

They all laugh loudly.

RON
We are laughing very hard! Ha, ha, ha, And it is extra special because we are united as a team once again! It is a magical moment!!

BRIAN FANTANA
Come on Ron.
CONTINUED:

RON
And now the laughter is dying
down...but we will never forget this
time...and the laughter is done.

BRIAN FANTANA
You really wreck moments when you do
that.

ALICIA CORNINGSTONE
I'm just curious Champ. Do you even
know what the expression "that time

Champ gets nervous

CHAMP KIND
Sure I do. It's when... the bones...
in a lady's boobs... get sore...
cause of their vaginalistic... cells.
Whammy...? Hey, help me guys!
CONTINUED:

Everyone looks away.

CHAMP KIND
Hey, do crossing guards count as cops?

RON
I'm pretty sure.

BRIAN FANTANA
Where the hell did you get a hand grenade Brick?!

BRICK TAMLAND
I have no idea.

CHAMP KIND
Dammit! This Corningstone thing is really hurting our rep.

RON
Every newsman in this city is laughing at us and I...don't...like...it! I'm Ron Burgundy! And...I...don't...like...it!

Everyone just be cool and you won't get hurt. We are the Alarm Clock and it has just struck twelve and you squares have all turned into pumpkins! We've got guns! Now fill this sack with cash.

TELLER

What do your masks mean?

PAUL DANOVER

Just fill the sack with cash asshole!

TELLER

What point are you trying to make? I mean, do you not like Ghandi?

PAUL DANOVER

Of course we like Ghandi.

TELLER

So that means you like Nixon and werewolves?

PAUL DANOVER

What?
CONTINUED:

TELLER
Nixon's pretty sketchy but I guess some people like him. But werewolves? I think that's a difficult stance to take. Werewolves are bloodthirsty killers.

MARCOS
We don't like werewolves man! I hate werewolves!

TELLER
So then, you don't like Ghandi and you don't like old people.

PAUL DANOVER
No, no, no! You've got it all wrong!!

Widen to reveal that this is security camera footage. Alicia, Ed Harken, Garth Holliday and a couple other producers watch in Ed's office.

ED HARKEN
Turn it off. How new is this?

GARTH HOLLIDAY
Forget it. Frank Vitchard and channel ten has already aired it as an exclusive.

ED HARKEN
Ah! Man nipple!

GARTH HOLLIDAY
Is that a curse word.

ED HARKEN
I'm pretty sure.

ALICIA CORNINGSTONE
"It's just struck twelve and you squares have all turned into pumpkins" God that sounds familiar.

INT. TAPE LIBRARY

Alicia talks to DONNA, 56, the tape girl.

ALICIA CORNINGSTONE
Donna can I get the unedited tape from that cat fashion show I did a while back?

DONNA
Sure Ms. Corningstone.

INT. ACTION NEWS OFFICES -- MINUTES LATER

Ron Burgundy is standing next to a FRUMPY WOMAN, 52, who holds a note pad and pencil. They are watching a tape of a recent newscast.

RON
Alright fast forward through this part. This looks fine.

Garth Holiday is in the back of the room where Alicia walks up to him.
CONTINUED:

ALICIA CORNINGSTONE
Garth, I need to look at these tapes for research.

GARTH HOLLIDAY
Well Ron's using the machine to give his make-up woman notes.

RON
Wait, freeze it! Right there! Let's get some extra foundation to cover that glare on my forehead.

MAKE-UP WOMAN
Yes Mr. Burgundy.

ALICIA CORNINGSTONE
Well this is a potentially huge lead on the bank robbery.

GARTH HOLLIDAY
Believe me Alicia, you do not want to interrupt Ron right now.

Ron has paused another section.

RON
Remember Beverly, I have combination skin. You have to start working with it not agaisnt it....

Suddenly the screen goes blank. Alicia has pushed stop and is putting her tape in.

RON (CONT'D)
What are you doing Ms. Corningstone?
I am using this machine.

ALICIA CORNINGSTONE
This is for a story.

RON
Well this is for my face!

ALICIA CORNINGSTONE
I am a professional! And would like to be allowed to do my job!

They are in each other's faces.

RON
I am very professional!
CONTINUED:

ALICIA CORNINGSTONE

RON
I am way more professional than you!!!

Ron farts. Some staff members stifle laughs.

RON (CONT'D)
Oh grow up everyone! It's a bodily function! Get over it!

ALICIA CORNINGSTONE
Mr. Burgundy you are acting like a baby!

RON
That is out of line!

ALICIA CORNINGSTONE
You're out of line!

RON
I am in line!

ALICIA CORNINGSTONE
You're a joke.

RON
You're smelly!

ALICIA CORNINGSTONE
You have bad hair!

RON
What did you say?

ALICIA CORNINGSTONE
Your hair looks stupid.

CU of Ron's eyes. Fire blazes in them.

RON

Ron charges at Alicia tackling her across a desk. She reaches for a coffee mug and hits Ron's head with it.

RON

People try to step in to stop the fight but the Action News Team holds them back.

CHAMP KIND
Let 'em work it out!

Ron recoils back and she slaps him across the face twice. He grabs her arm and flings her across the room. They begin a viscous fight, which is also a little sexy.

ALICIA CORNINGSTONE
Ohhh!

She tries to lift up a coat wrack to use it as a spear when Ron runs at her. She moves but he grabs her leg and pulls her down. They lock into a knotted wrestling hold. Alicia reaches up to a Mr. Coffee machine on the counter pulling the pot down and scalding both of them.

ALICIA/RON
Arrrrr....soooo hot!!!!!!

Ron gathers strength and starts pushing himself up despite Alicia clinging to him.

RCN
I...am...man...strong!!!

He shivers Alicia off of him and immediately she scrambles for her purse. As Ron comes at her she produces pepper spray and fitzes him in the eyes. He begins punching the air and yelling while she hits him all over with a curtain rod.

ALICIA CORNINGSTONE
Where I'm at? Over here? Huh? Maybe I'm here?

RCN
Ow! Ow! Aarghh!!!!

Ed pushes his way through the crowd.

ED HARKEN
Hey! Enough! This is the last of it! It is over! I will not have my newsroom divided! Ron, I want you downstairs. Now!

Ed storms off. Alicia gives Ron one more whack with the curtain rod.

RCN
Sweet beans and rice that smarts!
INT. NEWS OFFICE FIVE MINUTES LATER

Alicia is watching the tape from her cat story. She finds a part where the camera is on but only partially framed up and hears the tropical fish guy talking to her.

She freeze frames on him.

ALICIA CORNINGSTONE
Gotcha!

CUT TO:

EXT. CITY STREET—TEN MINUTES LATER

Ed and Ron, with his eyes red and swollen walk down the street.

ED HARKEN
Ron, I know this has been hard for you.

RON
It's been a real bear Ed.

ED HARKEN
This girl is good Ron. Real good. She's a dynamic anchor and she's a hell of a journalist in the field.

RON
Ed, I think it's time I get out on the streets and did some hard hitting journalism. I've been thinking about this and I know I'll be a hell of a reporter.

ED HARKEN
Boy I think that's a bad idea Ron. You know you don't do well without a teleprompter.

RON
That's just a rumor. Look Ed, I need this chance to prove what I can do. Let me put together a little weekly feature where I rip the lid off some hot story.

A primered duster roars by them with Motorhead blaring. A middle finger pops out the window.
CONTINUED:

VOICE FROM CAR
Hey Harken! Suck it!

The car burns rubber and takes off.

RON
What was that about?

ED HARKEN
That's my son. Now listen Ron I'll put you in the field if you want. But you have to do this right. Track down leads, confirm sources. I'm talking real journalism.

RON
Right. Now what exactly is a lead?

ED HARKEN
It's when you find information that indicates a larger story. Just watch Alicia. She's always on the phones or watching tape. Her desk is full of juicy leads.

INT. NEWS OFFICES - NEXT MORNING

Alicia sipping coffee checks her desk, finds one of the drawers is open. Helen passes by.

ALICIA CORNINGSTONE
Helen?! Was someone in my office? I'm missing some important papers for a story I was working on.

HELEN
Yes Ron came by and said there were some naked pictures of him that he wanted to get back from you.

ALICIA CORNINGSTONE
That prick!

She quickly whips a coffee mug at the wall which shatters.

RON
Hold on, let me check. "Paul Danover a tropical fish clerk at Pet Emporium is the head of the radical political group the Alarm Clock." And here's his home address and everything. Oh my God!

Rip the Lid Off It with Ron Burgundy!

EXT. UPPER MIDDLE CLASS HOME --- HALF HOUR LATER

We see Ron's hand knocking on a door. A MAN IN A BATHROBE, 82, eating a muffin opens the door to find Ron there with a camera pointed in his face.

RON
Hello Mr. Danover. I'm glad to see scumbags enjoy muffins too.

MAN IN BATHROBE
What?

RON
Don't be coy with me creepo! You know full well you and your dirtbag friends have been terrorizing this city!

MAN IN BATHROBE
I think you have the wrong house. There's a Danover who live across the street. My name is Anthony Caltran. I'm a retired florist.

RON
Quit lying to me you piece of filth. You should be in prison where every murderer can turn you into their love bitch.

MAN IN BATHROBE
What? Why are you saying such horrible things?

CHAMP KIND
Hey, Ron, he's right. The mailbox says Caltran. We got the wrong house.

RON
I am terribly sorry sir. Have a pleasant day.

He quickly autographs an 8X10 and they dash off.

INT. LIVING ROOM --- AN HOUR LATER

Ron is seated across from the fish store clerk from earlier PAUL DANOVER, 28. The interview is shot hand held, Mike Wallace '60 Minutes' style.
CONTINUED:

RON (V.O.)
After some investigatory leg work we cornered Paul Danover at his home.

RON (CONT'D)
Thank you for meeting with us on such short notice.

We see he is edgy, smoking and wearing a shirt that says "Wake up!"

PAUL DANOVER
I don't know why you want to talk to me. I just sell tropical fish.

RON
Are you the leader of the radical group known as The Alarm Clock?

PAUL DANOVER
No.

RON
I am very sorry to have troubled you. Come on fellas, let's get these cables out of here.

Ron starts to get up. Brian clears his throat and slides some photos to Ron.

RON (CONT'D)
Oh. Then how do you respond to these security photos of you outside the bank five minutes before it was robbed by five members of the group?

While Paul responds there are too many cut aways of Ron nodding his head. He is saying "Yes" and "Go on" way too much. On one of the cut aways he is smoking a pipe and on another he takes a bite of a hot dog.

PAUL DANOVER
Well, that happens to be my bank. Just because I go there doesn't mean I'm some dangerous radical. By that logic you could arrest anyone who's ever been to a bank. Like I said, I just work at a pet store. I not much for politics. I mean heck, I didn't even vote.

RON
Once again I apologize. Bring the van around and call-

Brian coughs again and pushes some papers forward.

RON
Stop coughing Brian! We are shooting here! What? Oh yes. How do you explain these documents that show a clear voice match between you and the man in the security cam footage from the bank?

He looks at Alicia's papers and is caught.

PAUL DANOVER
Um...maybe he's my brother...or...The Alarm Clock is ringing! Wake up Portland!

He bolts out of the room and runs to the SATELLITE NEWSVAN, gets inside and drives away.

CHAMP KIND
He just took the van.

RON
Oh my God. He is a member of The Alarm Clock. Hey, this is fun!

ANCN (V.O.)
This has been Rip the Lid Off It with Ron Burgundy!

INT. NEWS SET

Alicia, looking furious and Ron are at the desk after the piece has played.

ALICIA CORNINGSTONE
And since this report was filed Paul Danover has disappeared. Unfortunately police were days away from arresting him and now must start from scratch. That was quite a story Ron.

RON
Well it's my job, I'm a journalist, just like you...maybe I'm a little better than you...but I don't know, we're all part of the same team! Coming up after this commercial break it's weather with Brick Tamland.

We hear Brick's voice off camera.

I'm going to night school now for my law degree...

SECRETARY

DONNA
I had sex with the drummer from Foreigner.

The women laugh and drink and take pictures.

ALICIA CORNINGSTONE
Well thank you for inviting me. I don't have many women friends.
CONTINUED:

HELEN
I just can't believe what Ron did to you. It's so awful.
(takes a sip of her drink)
Did you ever think of fighting fire with fire?

ALICIA CORNINGSTONE
What do you mean?

HELEN
(leaning in)
Well here's some information that you can choose to use or not use.
Ron Burgundy will read anything that's put on that teleprompter. And I mean anything.

ALICIA CORNINGSTONE
No I couldn't do that Helen.

HELEN
Hey I'm just giving you information.
Like I said: use it or don't. It's up to you.

ED HARKEN
You're probably right. But my hands are tied. I gotta fire you Ron.

RON
Don't do this to me!

ED HARKEN
Ron I've got no choice! Maybe you can anchor in Maine or Hawaii. Just pray the story doesn't go national.

Garth enters.

GARTH HOLLIDAY
Ed the story just went national! There's also about three hundred very angry Portlandians out in front of the station.

ED HARKEN
We better get you out of here before that crowd decides to tear you apart.

A couple of security guards hustle Ron out the front door and through the angry crowd.

CROWD
BUR-GUN-DY SUCKS! BUR-GUN-DY SUCKS!

Alicia runs after him pushing through the furious mob.

ALICIA CORNINGSTONE
Ron! I never wanted it to happen like this!

RON
You've won Alicia! Are you finally happy?!

SECURITY GUARD
Come on! Let's move!

The guards usher Ron through the now frenzied crowd and out into the street.

He looks up at his billboard "If Ron Burgundy says it. Then its the truth." A guy with a beard is spray painting over "the truth" with "bullshit."

A bunch of kids run by and hit him with wiffle ball bats.

KIDS
Ron Burgundy's a go-nad!...Burgundy sucks!...etc.

Ron hangs his head and walks off down the night street.

NARRATOR (V.O.)
I've always said "A man can't expect much in this world. But he can expect a woman, a job and a good dog." Ron Burgundy, had lost all three.

MUSIC: SEVENTEEN BY JANICE IAN

1) An unshaven Ron is sitting on his messy, trash strewn bed eating spare ribs and drinking a forty ounce malt liquor. While he eats, he watches Alicia on the news.

RON
I will not eat garbage!

TINO
You eat it that garbage!

RON
No! I will not!

3) The phone rings in Ron Apartment and he picks it up.

RON (CONT'D)
Hello? Hello?

We see Alicia on the other line but she can't bring herself to speak.

4) Ron is walking down the street in a tank top drinking milk from a carton when he passes the news team.

RON (CONT'D)
Hey guys! It's me!

They keep walking. Brian talks out of the side of his mouth.

BRIAN FANTANA
The station won't let us be seen with you Ron. I'm sorry.

5) The phone rings again in the apartment. Ron picks it up.

RON
Who is this?! Stop calling!

We see it is the animated Love Panda on the other line. He hangs up sadly.

6) Burgundy alone in the shower, still in his suit, sobbing and clutching a stuffed Pink Panther doll.

The phone rings and we pan to the living room and see a giant, over-sized answering machine. We hear it pick up.

JESS MOONDRAGON (V.O.)

EXT. BACK PORCH

Ron and JESS MOONDRAGON, 72, a silver haired retired anchor (Bill Curtis) stand on the back porch looking at the beautiful valley below.

RON
You've done well for yourself Jess.

JESS MOONDRAGON
I dreaded retirement forever but then I found this piece of land.
It's God's country.

RON
Magnificent...

JESS MOONDRAGON
Mother Nature sure woke up on the right side of the bed today.

RON
She's a giving lady. Mother Nature she is.

JESS MOONDRAGON
She didn't even bother to put on make-up this morning!

They chuckle lightly

JESS MOONDRAGON (CONT'D)
I wish deeply that I could take her.
Make love to her.
CONTINUED:

RON
She's an elusive goddess, Mother Nature.

JESS MOONDRAGON
Still, just to hold her succulent breasts in my hands. Take a nice bite out of her ripe ass...while I fumble to undo my belt. You catch my drift friend.

RON
Mm-huh, I do. But there in lies the rub. For Mother Nature turns away all suitors.

JESS MOONDRAGON
I wanna lick her privates.

RON
Alright! I'm gonna have to stop you right there. You're making me uncomfortable.

JESS MOONDRAGON
I'm sorry Ron Burgundy. Mother Nature does that to me.

RON
So I guess you heard what happened to me.

JESS MOONDRAGON
I did old friend. And I wanted to tell to stay strong. You'll be back.

RON
Jess, everyone hates me. I can't work anywhere. My dream of going network is all but dead.

JESS MOONDRAGON
The world always needs a good anchor! And Ron Burgundy is a damn fine one! So... hang in there!

Beat.

RON
Is that your advice: hang in there?

JESS MOONDRAGON
Look, I never knew why you looked up to me in the first place. I'm not such a great guy.

RON
I'd better go.
(sees something in the

What is that smoke on the horizon?
Is there a fire!

We see what looks like a mountain compound.

JESS MOONDRAGON
Oh that's where a bunch of these
strange young people live. I always
hear clocks ringing. But they never
complain about my naked nature walks.

RON
You take naked nature walks?

JESS MOONDRAGON
Every day. Wanna join me for one?

He starts taking off his clothes.

RON
No, I'm good.

Ron stares at the compound in the distance.

He starts lighting it up. Ed slaps it out of his hand.

ED HARKEN (CONT'D)

Garth enters.

GARTH HOLLIDAY

Ed? I am sorry to interrupt but Alicia's MIA. And the police found this in her apartment.

He holds up an alarm clock.

ED HARKEN

Oh my God. Those maniacs kidnapped her.

CHRIS HARKEN

See Dad, I told you that wasn't me!!

ED HARKEN

Looks like I owe you Mother ten dollars.

INT. SEEDY BAR - DAY

Ron sits at one end of the bar nursing a drink with a full beard with bits of food in it. The bartender serves him another drink.

BARTENDER

Hey buddy, you're starting to stink.
CONTINUED:

RON
Are you hiring any news anchors?

BARTENDER
You take care of that stink or you're gone, you hear me?

A soap opera playing on the tv is interrupted by a special news bulletin. We then see Brian Fantana reporting in front of cops, cars and crowds.

BRIAN FANTANA
This is Brian Fantana reporting live from the apartment of news anchor Alicia Corningstone where last night police believe she was kidnapped by a radical group led by this man...

A picture of Paul Danover holding a bag of goldfish comes up full frame.

BRIAN FANTANA  (CONT'D)
...Paul Danover. Police have no idea where their hidden compound is but theorize it may be in the dense woods of the Cascades.

RON
They've got Alicia! Ahhh...if I hadn't broken that story before the police arrested that creep then she'd be safe.

BARTENDER
The Cascades. That's dense forest. They'll never find those loonies up there.

RON
I was just up there the other day to visit my mentor. Wait a minute...there was some kind of compound I saw...Sweet sevens and elevens! I know where they are!

BARTENDER
There's a phone over there if you wanna call the cops.

RON
No. If they go up there with sirens blaring those crazies could panic. I did this. And now I've gotta make it right.

Ron gets up disappears into the men's bathroom. Comes back, right away, clean shaven and in an immaculate suit.

BRIAN FANTANA
We can't. We could lose our jobs.

Beat.

BRIAN FANTANA (CONT'D)

Brian powers the boat off.

JESS MOONDRAGON
I'm good. Now remember, this is dangerous terrain. Be smart and be brave Ron Burgundy.

CHAMP KIND
How the hell are we gonna get up there?

JESS MOONDRAGON
I've taken care of that.

We see four ATVs near the dirt road. Somehow the ATVs have their names on their license plates and are color-coordinated to match the suits of the Action Team.

EXT. MOUNTAIN SIDE--FIVE MINUTES LATER

The News Team is driving off on their ATVs in full suits and perfect hair while Jess Moondragon waves goodbye.

JESS MOONDRAGON

ALICIA CORNINGSTONE

RON
I came for you Alicia... my little chinchila.

ALICIA CORNINGSTONE
Ron, there's something you have to know. That dirty trick with the teleprompter. That wasn't-

RON
Oh my God. Alicia, You didn't do it! It was The Alarm Clock wasn't it? I should have known you would never do such a thing.

ALICIA CORNINGSTONE
No Ron. I did it. But it wasn't me. It was a different Alicia. An ugly and ambitious person who I didn't like very much. I want you to know if we get out of here I'm resigning.

RON
The hell you are!...The only reason you did what you did was because I stole your story and messed everything up. I was a prideful jackass.

ALICIA CORNINGSTONE
Listen Ron. I ran background checks on the whole group before they kidnapped me and they're a wannabe radicals. Which means they're more dangerous because they've got something to prove. The CIA's been tracking them for months.

RON
(taking a deep breath)
My God... look how impressive you are.
CONTINUED:

RON (CONT'D)
Doing background checks, checking with the CIA. How did you think of all that?

ALICIA CORNINGSTONE
I just made some calls and did some research. That's what journalists do.

RON
(a revelation)
So that's what journalists do!

Paul walks toward them with the Muscular Guy and the Deedra X wielding guns.

PAUL DANOVER
It's show time! Here's what's going to happen Ms. Corningstone. We're going to interrupt the regular news and then the most trusted anchor in town is going to read our manifesto to the world.

He tosses some copy onto Alicia.

ALICIA CORNINGSTONE
The hell I will!

PAUL DANOVER
Then we kill you.

ALICIA CORNINGSTONE
Go ahead. I'm a news anchor. I'd rather die than lose my credibility.

RON
I'll do it!

INT. CONTROL ROOM - SAME TIME

Ed Harken and Garth Holiday are in the control during the six o'clock broadcast.

INT. NEWS SET -- CONTINUOUS

VINCE MASTERS
So, uh, anyone with information on the missing Action News Team should call... Where's the friggin phone number?

PABLO SCHMIDT
They can call me. I get very lonely.

VINCE MASTERS
Dammit, where's the number? I'm sick of this shit?!

PAUL DANOVER
We wanna stop the bullshit.
CONTINUED:

RON
And what "bullshit" specifically are you referring to?

DEEDRA X
I've been meaning to ask you that too Paul.

PAUL DANOVER

RON
What kind of government do you want?

PAUL DANOVER
Uh, you know. One run by the people or officials chosen by the people.

ALICIA CORNINGSTONE
That's a democracy. That's what we have!

SANDRA
Come on Paul! I dropped out of massage school to join you! What are we trying to do?!

ALL
Yeah!...Come on!...Read It!!

PAUL DANOVER
You want the manifesto?! Fine here it is. Here's the way The Alarm Clock will change the world forever... (he takes out some notes)
Um...you know how when we drink beer or soda and then we just throw out the bottles and cans? Well what if everyone started saving those bottles and cans so we could, you know, reuse them?

Beat

RON
You are a madman.

DEEDRA X
Ten months of living in the woods and that's all you came up with?! You've been wastin our time turkey!

MARCOS
Yeah, you'd have to have a whole
other garbage can for the bottles!
People'll never do that!

RON
Wait, you didn't let me get to the

have to be dependent on foreign oil!

OLIVER
Electric cars? Are you high?!

ALARM CLOCK MEMBERS
I can't believe this!...I was gonna
get my Masters before I joined
you!...Savin cans! That's like science
fiction?!

As they bicker Ron gives an attack signal.

RON
Now Action News Team! Now!

ending with a blow to the chest knocking the wind out of
him. 5) Champ comes bursting through a window and forward

RASHARD HARRIS

NANCY LEE
Rashard, this is typical of these fringe radical groups. According to Dr. Jason Hartley of UCLA medical school they are motivated by mania and a need for large scale public approval.

The scoring goes from tense into jazz flute.

RON

It's jazz...It's jazz!
(feelin the anchor groove)
I'm terribly sorry Portland, for the interruption. These misguided youths have attempted to take over the airwaves. But if there's one thing Ron Burgundy knows it's that that is not how we do things in the ol' US of A. You see gang. I'm a dreamer. And not just because I sleep eleven hours a night.

I'm not allowed to vote, or to be
more precise, I don't know how to

free.

Quick flash to different viewers riveted to the TV.

RON (CONT'D)
These crazies wanted us to wake up.
Well I'm awake now. I'm awake to the

ALICIA CORNINGSTONE
Ron, there are literally thousands
of men I should be with instead, but
I love you too.

They kiss. Quick cuts of everyone in Portland watching on TV
and applauding. Then the kiss starts getting a little more
passionate and then kind of sexual. Everyone gets
uncomfortable. We see the Skeevy Guy alone in his apartment.

SKEEVEY GUY
Oh yeah...

Then a groggy Paul Danover wakes up, wiping the blood from
his mouth. He raises his arm and points a GUN at Alicia.

PAUL DANOVER
The clock... has struck... twelve!

He fires the gun at Alicia. And Ron moving with surprising
speed leans in and takes the bullet in the shoulder.

ALICIA CORNINGSTONE
Ron!

RON
Spider Man's balls this hurts!

Champ subdues Paul.

ALICIA CORNINGSTONE
You...took a bullet for me.
CONTINUED:

RON
I would not do that again!! I care
for you deeply but it was not worth
it!! This hurts like a bitchy bitch!!

CUT TO:

EXT. HOSPITAL -- AN HOUR LATER

The ambulance pulls up to the hospital which is crowded with
police, reporters, Harken, Holiday, the Eyewitness News Team
everyone. The back opens and the news team gets out followed
by Alicia who helps Ron out with a bandage on his shoulder.
The crowd erupts in cheering.

MUSIC: TRIUMPHANT

CROWD
(chanting)
Bur-gun-dy! Bur-gun-dy!

Reporters and cameras press in on Ron. NETWORK REPORTER,
42, puts a mic in Ron's face.

NETWORK REPORTER
Mr. Burgundy, Terry Teagle, I'm with
the network. We're doing a "when the
newsman becomes the news" angle.
How'd you like to report your own
story?

He hands Ron the microphone.

RON
The network huh? Well why should I
do it when you have the best damn
reporter in the country right here.

Burgundy hands the mic to Alicia.

ALICIA CORNINGSTONE
Ron you should do this. It's your
dream.

RON
No. You're the better journalist.
Now get to it.

He gives her a swat on the butt. Alicia takes her moment and
seizes it. She is instantly commanding and articulate.

ALICIA CORNINGSTONE
I'm Alicia Corningstone reporting
for channel six, Action News.

ALICIA CORNINGSTONE (CONT'D)

Today could have been a very dark
day if not for the quick thinking of
one brave man....

Fireworks expode in the dusky sky. Frank Vitchard approaches
Ron.

FRANK VITCHARD

Ron Burgundy...I don't like you. But
dammit. I respect you.

They clasp hands like gladiators.

FRANK VITCHARD (CONT'D)

So how bout an interview Ron?

RON

Sorry Frank. No comment.

Ron strolls off as a dog runs up to Ron and jumps into his
arms.

RON (CONT'D)

Baxter! I knew you were still alive!

It's clearly not Baxter. It's a doberman or a collie.

GARTH HOLLIDAY

Hey Ron! That's not-

ED HARKEN

Shhh. Let him have it.

NARRATOR (V.O.)

Yeah, Burgundy had rolled with the
punches of change pretty good. He
had finally become more than a haircut
and a voice. He was truly an anchor-
man. Alicia of course went straight
to network. And Ron and Alicia kept
up an amazing long distance
relationship: six days of work and
one day of love making at the hotel
by the airport. But after awhile Ron
just grew restless anchoring the
news. He was no longer satisfied to
report on life. He wanted to live
it.

EXT. NEWS BUILDING- FOGGY DAY

We see a bearded Ron in a navy P-coat giving a firm embrace
to each Action news team member.

MUSIC: GORDON LIGHTFOOT "SUNDOWN"

NARRATOR (V.O.)
So Ron quit the business and took to the road like some kind of wandering gypsy poet. He let America flow over him like hot butter over a fresh boiled lobster. Groovin and digging on the heart beat of existence.

MUSIC: TANGLED UP IN BLUE

A Montage of Burgundy's travels and adventures through this great land of ours:

- Ron's hitchhiking by a highway.
- Someone is getting an elaborate tattoo of a wizard on their back. Pan up to reveal Ron is the tattoo artist now with a beard.
- Ron is skateboarding with a bunch of skaters in an empty pool.
- We pan down from Alf on the set of Alf to find it is Ron's hand inside.
- Ron naked and running with stallions in slow motion. We pull back to see Jess Moolodragon is also with him giving him the thumbs up.

NARRATOR
He became more myth than man. And all the while Alicia's star continued to rise...

SIXTY-MINUTES OPENING

EXT. NYC BROWNSTONE --- PRESENT DAY

Alicia gets out of a cab and says good bye to Diane Sawyer.

ALICIA CORNINGSTONE
Good night Diane.

DIANE SAWYER
Good night Alicia.

NARRATOR (V.O.)
And then after ten years of wandering,
Ron finally found his mission in
life. The one thing he was really
good at...loving Alicia.

Alicia enters the house and is greeted by three dogs and
three children ages 5-12. Ron is at the counter between the
kitchen and living room mixing a giant elaborate salad. They
rush to each other and hug and kiss.

RON
Hello sweet heart!! How was work?!

ALICIA CORNINGSTONE
It was great honey...I got the
interview with Arafat. They're flying
me to Israel tomorrow.

RON
Well hey! Gangbusters sweety! I had
a big day myself. I finally got the
Tivo to work and I paid the gas bill!!

Their seven year old son runs up and tugs on Alicia's coat.

SEVEN YEAR OLD SON
(in a deep rich voice)
Mom, Dad wouldn't let me drink
cologne!

Ron scoops up his other son who was playing with a fire poker
and cleans up a puddle from one of the dogs all in one motion.

NARRATOR (V.O.)
Ron became a great House Husband.
But when he wasn't busy doing laundry
or picking up the kids from voice
lessons he found time to finally
realize his dream of going national.
And he chose the biggest network of
them all.

INT. RECORDING STUDIO

We see Ron is a voice over booth.

TECHNICIAN
And we're rolling Mr.Burgundy...

RON
Alrighty, here we go...
(He clears his throat)

RON (CONT'D)
The number you have reached has been
disconnected. No further information
is available.

The second he's done he pumps his fist in triumph.

RON (CONT'D)
Yes!! I nailed it!! I'm on fire
baby!!! What's that basketball
player's name? Michael Gordon! I'm
like him!!

He goes on celebrating while we see Alicia with the children
making their way into the studio, giving Ron a thumbs up.
