Dear Dr. Miah Muhammad Adel,

I have had an opportunity to read your article entitled "Farakka Barrage, the greatest ever riparian bluff for upstream water piracy" on the journal titled "Academia Journal of Environmental Sciences". Through your works, I know you are an expert in this area.

Environment and Natural Resources Research is an international, double-blind peer-reviewed, open-access journal. ENRR is published by the Canadian Center of Science and Education in both print and online versions. ENRR is striving to provide the best platform for researchers and scholars worldwide to exchange their latest findings. The scopes of the journal include, but are not limited to, the following topics: environmental assessment and management, environmental health and education, environmental science and engineering, environmental protection, ecological environment, planning and environmental design, urban and regional landscape design, environment and sustainable development, natural resources use and recycle.

Your submission will make an important contribution to the quality of this journal. You are sincerely invited to submit manuscripts at any time. Please find the journal's profile and submit manuscripts online at: <http://www.ccsenet.org/enrr>. Or you can send your manuscripts directly to the e-mail: enrr@ccsenet.org

We are also recruiting reviewers for the journal. If you are interested to be a reviewer, it's our great honor to invite you to join us. Please find the application form and details at: <http://www.ccsenet.org/reviewer.html> and send the application form to: enrr@ccsenet.org

It is appreciated if you could share this information with your colleagues and associates. Thank you.

If you have any questions, please contact with us at: enrr@ccsenet.org

Best Regards,

Joan Lee
