

Music Theory Worksheet 1

Annette Mackey

1.  This is a whole note. Each whole note gets 4 counts. Draw a whole note on each line.

2.  This is a half note. Each half note gets 2 counts. Draw a half note on each line.

3.  This is a quarter note. Each quarter note gets 1 count. Draw a quarter note on each line.

4. This is a staff with notes on it. Beneath each note write "W" for whole note, "H" for half note, or "Q" for quarter note. Then write how many counts each note gets.
