# Shop Online with your SNAP Benefits!

## Illinois now allows SNAP participants to purchase groceries online for delivery or pick-up.

This option is available at select retailers, with additional limits depending on your location.

### HOW DO I MAKE A PURCHASE ONLINE?

- Go to Walmart SNAP online: <https://www.walmart.com/cp/snap-online/1465096>
- Sign into Walmart pickup and delivery account.
  - If you don't have an account, simply create one
- Select "Payment Methods," and choose EBT as your method of payment.
  - If your store accepts EBT online, you'll see an option to add EBT card to your account.
- Add card info and click "Save."
  - By connecting your EBT card to your account, you will be able to use EBT online with no basket minimum.
- Shop for products.
- At checkout, select EBT.
- Select time and make sure to review what store you want to pick up order from.
- Confirm list of items.
- Select person who will pick up products.
- Enter PIN number.
- Confirmation will be sent with instructions for pickup.
