
HOUSE BILL 1065

State of Washington

67th Legislature

2021 Regular Session

By Representative Eslick

Prefiled 12/31/20.

1 AN ACT Relating to epidemic or pandemic vaccines, including
2 vaccines used to prevent SARS-CoV-2 or COVID-19; adding new sections
3 to chapter 70.54 RCW; and declaring an emergency.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** A new section is added to chapter 70.54
6 RCW to read as follows:

7 (1) No law, rule, or order, by any government or private entity,
8 shall require the receipt of any epidemic or pandemic vaccines,
9 including vaccines used to prevent SARS-CoV-2 or COVID-19, for any
10 reason, including, but not limited to, as a condition of employment,
11 school attendance, professional licensure, educational certification
12 or degree, admittance to any place of business or entertainment, or
13 access to any mode of transportation, if the following have not been
14 met:

15 (a) The vaccine has been licensed for use by the United States
16 food and drug administration;

17 (b) The vaccine product has been evaluated for its long-term
18 potential to cause cancer, impair fertility, mutate genes, or cause
19 autoimmune, neurological, or any other chronic or serious adverse
20 effects;

1 (c) The pivotal clinical trial relied upon by the United States
2 food and drug administration for approval of the vaccine product has
3 been evaluated for its safety:

4 (i) For no less than three years after the vaccine product is
5 administered; and

6 (ii) Against a control group that received:

7 (A) A true placebo; or

8 (B) Another vaccine product approved by the United States food
9 and drug administration based on a pivotal clinical trial that has
10 evaluated the safety of that vaccine product against a control group
11 that received a true placebo;

12 (d) Studies have been conducted to determine what injuries and
13 health conditions are caused by the vaccine product when administered
14 alone as well as with other vaccines;

15 (e) The risk of permanent disability and death from the vaccine
16 product has been proven to be less than that caused by the disease it
17 is intended to prevent;

18 (f) The infection targeted by the vaccine product is highly
19 transmissible in public settings and:

20 (i) There are no reasonable nonpharmaceutical interventions
21 capable of reducing risk of the spread;

22 (ii) There are no effective nutrient or drug treatments available
23 to reduce the risk of infection; and

24 (iii) There are no effective nutrient or drug treatments
25 available to reduce risk of severe disease;

26 (g) The infection targeted by the vaccine poses a grave health
27 risk to the population being required to receive it; and

28 (h) The vaccine product has been proven to prevent person-to-
29 person transmission of the targeted infection.

30 (2) For purposes of this section, "true placebo" means an inert
31 substance such as saline, with no pharmacological or immunological
32 action.

33 NEW SECTION. **Sec. 2.** A new section is added to chapter 70.54
34 RCW to read as follows:

35 A person or his or her dependent or dependent child shall be
36 exempt from any requirement for epidemic or pandemic vaccines,
37 including vaccines used to prevent SARS-CoV-2 or COVID-19, imposed by
38 any law, rule, or order, by any government or private entity
39 consistent with section 1 of this act, including, but not limited to,

1 as a condition of employment, school attendance, professional
2 licensure, educational certification or degree, admittance to any
3 place of business or entertainment, or access to any mode of
4 transportation, upon verbal or written declaration of medical,
5 philosophical, or religious objection.

6 NEW SECTION. **Sec. 3.** This act is necessary for the immediate
7 preservation of the public peace, health, or safety, or support of
8 the state government and its existing public institutions, and takes
9 effect immediately.

--- END ---
