2019 VIAHA Hall of Fame Class Chosen

Fourth HOF Class features 12 Inductees

CHARLOTTESVILLE, VA — Twelve individuals who have made outstanding contributions through high school, college and professional careers have been selected to the 2019 class of the Virginia Interscholastic Association Heritage Association (VIAHA) Hall of Fame.

The class features six athletes (Charles Bonaparte – Armstrong HS, Richmond; Benjamin “Benny” Brown – Carter G. Woodson HS, Hopewell; Warren Canada – Dunbar HS, Lynchburg; Robert “Bobby” Dandridge – Maggie L. Walker HS, Richmond; Fred Harold “Doc” Sawyer – Booker T. Washington HS, Norfolk; and Louis Richard Harris – Parker-Gray HS, Alexandria); three coaches (William Bailey – Booker T. Washington HS, Suffolk; James “Blue” Earley – Phenix HS, Hampton; and Carl Peal, Peabody/Petersburg HS, Petersburg) and three contributors (William Albert “W. A.” Brown, Principal, Carver HS, Chesterfield County; Cheryl Anthony Epps – Southside HS, Dinwiddie County; and Roger Gregory – Peabody/Petersburg HS, Petersburg). Members of the Class of 2019 will bring total membership to 62. The fourth annual Hall of Fame Banquet will be held at 5:00 p.m. on Friday, June 28, 2019 at the DoubleTree by Hilton Hotel, Charlottesville, VA.

The Hall is dedicated to recognizing and preserving the rich heritage and legacy of African-American students and adults who participated in the Virginia Interscholastic Association from 1954-70 and its predecessor organization, the Virginia Interscholastic Athletic League (VIAL). Therefore, promoting greater appreciation and understanding of the contributions of Blacks to the history of the Commonwealth of Virginia is a primary objective.

Prior to public school desegregation, one of the most influential organizations in Virginia was the Virginia Interscholastic Association (VIA), which served young African American students who attended segregated high schools in the state. The impact this association had on shaping the lives of these students went far beyond governing athletic events. The VIA brought together students, parents and mentors to develop a strong foundation of character and ethical responsibility in the students. The notable careers of many VIA graduates are testaments to the successful efforts of their teachers, principals and counselors.

Athletes and coaches considered for nomination are those who excelled on VIA athletic teams. Contributors are professionals who may have excelled in VIA non-athletic activities or in such areas as school administration, media, officiating, medical services and other professions. A fourth group is best described as the Legacy category. This includes such potential nominees as VIA athletic teams that gained extraordinary distinction or coaches, athletes, contributors and/or teams from VIAL or post-VIA era history.

The VIAL/VIA’s original home was at Virginia State College (now Virginia State University) from 1954–1970. After merging with the Virginia High School League (VHSL), all VIA records are now stored at Virginia State University.

The deadline for submitting nominations in 2019 is September 30.

Athletes

Charles Bonaparte

Armstrong High, Richmond (1965)

Basketball

Charles Bonaparte was a high achieving academic student who participated in a full range of school activities and was one of the best high school basketball players in Virginia. His Armstrong High team won the 1964 VIA Group I State Basketball Championship. This team subsequently played in the National Black High School Tournament in Nashville, TN. Bonaparte was selected to the all-tournament team as Armstrong lost the national championship game to Parker High (Alabama) by a score of 81-79. After being recruited by several Division I basketball schools, he chose to play at Norfolk State University (NSU). Playing with former Richmond high school rival Bobby Dandridge, Bonaparte was a part of Coach Ernie Fears' high scoring teams that compiled a record of 88-16 from 1965-1969, including the 1968 Central Intercollegiate Athletic Association (CIAA) Basketball Championship. He still holds the single game scoring record for the post-season Portsmouth Invitational Tournament with 59 points in 1969. *The Virginian Pilot* said in 1996 that "the greatest one-two punch in Hampton Roads basketball history was that of Charles Bonaparte and Bob Dandridge of Norfolk State." After college, Mr. Bonaparte returned to Armstrong High as a teacher and basketball coach. He was recognized as a highly respected mentor, counselor and community leader. He passed away in 1996 and was posthumously elected to the NSU Athletics Hall of Fame in 2011 and the Richmond Public Schools Athletic Hall of Fame in 2015.

Benjamin "Benny" Brown

Carter G. Woodson High, Hopewell (1956)

Basketball

Benny Brown was a VIA Group III All State point guard on Carter G. Woodson's 1955 and 1956 State Championship Basketball teams. As a three-year starter, he was team captain in his junior and senior years and averaged 17 points per game for his high school career. His leadership was demonstrated by the fact that Group III Woodson lost only one game over two seasons; defeated only by Group I Peabody High of Petersburg. He was called an ideal point guard who was able to penetrate and score at the basket, pass the ball to open teammates or pull up for jump shots himself. In fact, he was considered an innovator of the jump shot in an era when the two-handed set shot was used by most players. His consistent, controlled play at all times was the embodiment of a "coach on the floor." He was considered a model student in the classroom. He participated in Student Government, the Acapella Choir, and Math and Science Clubs, and other activities. After graduating from Carter G. Woodson High, Brown played basketball at Virginia State College (now University) for two seasons before joining the U. S. Army. He played several years with the semi-professional Hopewell Vikings basketball team. He was elected to the Hopewell Athletic Wall of Fame in 2017.

Warren Canada

Dunbar High, Lynchburg (1963)

Basketball

Warren Canada was an all-around athlete who participated in football, basketball and track and field. He was team captain in football and basketball. He was selected as an All VIA Group I Western District basketball player four years and was most valuable player in the district tournament three times. At six feet, three inches tall, his skills around the basket as rebounder and scorer earned him the nickname "miniature Wilt (Chamberlain)." He set the all-time Dunbar High single game scoring record at 46 points; in the same game he collected 21 rebounds and

blocked seven shots. On another occasion, he had a two game total of 54 points and 49 rebounds. After graduating from Dunbar, he attended Norfolk State University and played alongside Bob Dandridge. Mr. Canada worked with at risk juveniles at the Lynchburg Detention Center for more than 30 years. His work with youths was a reflection of the positive attitude and coachability he possessed as an outstanding athlete at Dunbar High.

Robert “Bobby” Dandridge

Maggie L. Walker High, Richmond (1965)

Basketball

Robert “Bobby” Dandridge is among Virginia’s all-time great basketball players. He developed his skills under legendary coach Arthur “Stretch” Gardner at VIA Group I Maggie L. Walker High School. In his senior year, he scored 32.9 points per game on the nation’s highest scoring team, which averaged 110 points per game. As a fourth round draft pick of the NBA’s Milwaukee Bucks, he was selected to the league’s All-Rookie Team in 1970. He was a key player on NBA World Championship Teams with the Milwaukee Bucks (1972) and the Washington Bullets (1978). Known for his remarkable ability to run the court, he earned the nickname “the Greyhound” and played at a consistently high level on both offense and defense, usually guarding the opponents’ best offensive player. He was an NBA All-Star four times and an All-Defensive player in 1979. That consistency was evidenced by career averages of 18.5 points, 6.8 rebounds and 3.4 assists per game. In 98 career playoff games, his averages increased to 20.1 points, 7.7 rebounds and 3.7 assists. Retiring after 13 professional seasons in 1982, he scored a total of 15,530 points. The Bucks retired his uniform number “10” in 2015. Mr. Dandridge has been elected to the Norfolk State University Athletics Hall of Fame (1983), the Virginia Sports Hall of Fame (1992) and the Hampton Roads Sports Hall of Fame (2012). He currently lives in Norfolk, VA.

Fred Harold “Doc” Sawyer

Booker T. Washington High, Norfolk (1957)

Football

Fred Sawyer was a scholar-athlete who learned the value of hard work in the classroom, respect for others and good sportsmanship. He became an outstanding academic student and played baseball and football. By his junior year he had acquired the nickname “Doc” because he mentored fellow students in mathematics and science courses. In football he became the starting offensive center and defensive middle linebacker. In 1956 he was Co-Captain of Booker T. Washington’s (Norfolk) undefeated VIA Group I State Football Championship team (10-0-0). At Virginia State College (now University) he compiled an outstanding academic record and was an All-CIAA football player in 1960 and 1961 as a two-way offensive guard and defensive linebacker. Upon graduation he was commissioned a 2nd Lieutenant in the U. S. Army. A Sports Illustrated and Playboy Magazine All-American selection in his senior year, he played defensive back for the Pittsburg Steelers (1968-69). In 1970 he returned to Kent State University and completed requirements for his B. S. degree in Engineering Technology. After his NFL career he worked for several engineering firms in Ohio and Washington, D. C. He was also recognized for outstanding performance as an employee of the U. S. Department of Energy. After his death, the department created the Louis R. Harris Federal Energy and Water Management Award, which was given in his memory. Contributors

William Albert "W. A." Brown

Carver High, Chesterfield County

Principal

William Albert (W. A.) Brown's career as a teacher and administrator in Virginia's segregated schools is representative of the successes achieved by African American teachers within the system of "separate and unequal" public education. A native of Petersburg, VA, Brown graduated from Peabody High in 1926 and received a B. S. degree from Virginia Union University in 1930. In 1947 he was awarded the Master's Degree in Secondary Education at Virginia State College (now University). He was Principal of three African American high schools for 28 years: Russell Grove, Amelia (1936-1940), Nottoway County Training School (1940-1942) and Carver High, Chester, VA (1948-1970). Throughout his career, he fought the inequities of the segregated school system in Virginia. As principal in Nottoway County, he openly supported a suit by NAACP lawyer Oliver Hill which resulted in a court order requiring free school buses for all students, black and white. At Carver he fought for improvements to a school building which exceeded its capacity when opened. Upon the formation of the VIA in 1954 he helped establish guidelines for Science and Mathematics activities at the District and State levels. He also helped lead the transition to the full integration of Chesterfield County Public Schools in 1970. To facilitate early adjustment to the new environment, he decided that Carver would affiliate with the formally all white Virginia High School League for its final two academic years (1968-69 and 1969-70). As Carver's only principal, his dedication to the teachers, support staff and students fostered a spirit of togetherness among all who entered the building. Under his leadership and guidance, Carver produced outstanding citizens who have made great contributions to the state and nation. In his honor, the George Washington Carver Alumni and Friends Association annually awards the William Albert "W. A." Brown Memorial Scholarship to a deserving Chesterfield County student.
