Scan and email all documents in pdf format to TNIIndigent@smartstartinc.com. We cannot use documents sent as an image. You may also fax them to 615-452-4550.

The Indigent office will not accept photos of the Indigent application or an application dated more than 80 days old. The client must email the completed application as a scanned pdf document or fax it to 615-452-4550

The TN Department of Treasury will not approve you for the Electronic Monitoring Indigent Fund if you are missing any of these documents or the documents are incomplete. Do not send partially completed documents, as this will delay the approval process. You will be responsible for all fees until approved by the TN Department of Treasury. Applications are only approved for 1 year and you are responsible for all fees after the year has ended unless we receive an approval for further funding from the EMIF office. If you are required to have the interlock longer by the TN DOS, we will automatically request this funding extension for you. You do not need to submit a new Indigent application.

Indigent funds do not cover violation fees or services outside of the state of TN.
