REPORTS
The council reviewed the Administration report. Steve gave a cable update. He found out that legislature passed in 2007 basically makes our current contract null and void if the cable company applies for a state license. A lot of cities have to pay for their cable service in their buildings. We got 2 letters stating they applied for a state license but they didn’t say what was going on and that they didn’t have to comply with their contract. We have been talking to their attorney’s due to LaDonna’s article. We are waiting on them now to let us know what they will do. Mike Talley said that they can still honor the contract if they chose to. We are at their mercy. Steve said that Mediacom did not lobby for that bill, it was AT&T and Verizon. The line will be coming down Bishop Street
to the building so they shouldn’t have to cut our new streets. They are bringing it to the building for us and we are not going to have to pay for that. They are just about done with Phase III of Thom’s Station Trail. There are 20 days left on the contract.

Public Works report – there was nothing to add to the report.
Police Department report – there was nothing to add to the report.

**COMMITTEE REPORTS**
The Nuisance Committee had nothing to report.
The Long Range Planning Committee had nothing new to report.
The Budget/Finance Committee had nothing to report.
The Human Resource Committee reported had nothing to report.
The Public Facilities Committee had nothing to report.
The Code Review Committee had nothing to report.
The Citizen’s for Better Life had nothing to report.

**UNFINISHED BUSINESS**
Richard Zaccardelli asked about a PA system for the dining hall and the whole building. The reason is because of fire or if you are looking for someone you have to walk around the whole building. He would like to include it in next years budget. Steve said that there is a sound system in the gym. We do have 2 separate buildings basically and everything has to be connected by conduit.

Mark Powers then went over the CPI for the new trash rates.

**NEW BUSINESS**
Steve asked for a work session on the roundabouts before the next meeting 8/3/10 for a presentation. Everyone is invited to listen.

Kurt is looking at a machine that will punch a hole through the collapsed sewer line so that we can line it. We hope that might be a less expensive way to repair that line.

Steve said that we have issued 168 cards to our fitness center. Our treadmills are wearing out since we bought high end residential hoping they would last a year. We will have to go to commercial eventually.

Steve said that the mayor would like to appoint Walter Hayes to P&Z. Walter will be gone for the next few meetings.

Chief Haase discussed summer uniforms for the officers.

**ADJOURNMENT**
Mark Powers motioned to adjourn the meeting. Carl Skaggs seconded. All in favor. No opposed. Meeting adjourned at 8:05 PM.
