CHAMBER QUARTERLY REPORT
Gary Stubblefield gave a copy of the survey to the council (see attached). He stated that the city includes the Chamber in the budget each year. They have a contract with HSTCC in doing another survey. They will put in it play 3/18. What he handed out is a sampling of what they are trying to extract. It is a tourism based venue and they will expand that survey. They would like the City’s help and would like it put on the City website and Facebook and have hard copies here at City Hall. The Chamber wants to know how to serve the community. They are also working with the Public Facilities Committee to find ways to find how to do more at this facility. They are working with Kenny for some ideas. They had their Expo last weekend and they had 62 exhibitors. The attendance was good but down on Saturday. April will be busy with their annual city wide rummage sale. May 5th is city cleanup day and they will add electronics to it. They will also be having another golf tournament this year. They already are working on Bluegrass event. It will be a 3 day event this year. Mayor Powers asked Mike Talley if it was a problem if the survey was on our website. Mike Talley will review the questions. Steve said that it would be involved with Economic Development for the City. Mike Talley said as long as we can justify it that way. He will look at it.

REVIEW AND APPROVAL OF BIDS FOR BUILDING INSPECTOR TRUCK
Steve Lawver reported that we had received 3 bids for the Building Inspector Truck. They are Bob McCosh Chevrolet $25,568.00; Thompson Classic Chevrolet $26,772.00; McCarthy Chevrolet $26,406.00. Steve is recommending we accept the bid from Bob McCosh Chevrolet. Jeff Hammons asked if the truck is automatic. Steve said yes. Mike Burns stated that it is in the budget. Richard Zaccardelli said that he needs it. Don Marshall motioned to approve the recommendation of the City Administrator to approve Bob McCosh Chevrolet for $25,568.00. Roger Spencer seconded. All in favor. No opposed.

REVIEW AND APPROVAL OF WASHER AND DRYER HOOKUP BIDS FOR PD
Chief Haase stated that we had received the following bids: Jeffries $13,952.00 (includes all work); Colgin Pro Air $2351.19 (heating and air only); Dalton Killinger Const $7781.00 (does not include heat/air unit installed). Chief Haase was disappointed in the bid process. The total cost with Jeffries and Colgin Pro Air is $10312.19. There will be another charge for the electricity. The original prices were cheaper than the bid we received. Chief Haase also stated that the bid we received came in late. Chief Haase needs a decision from the council because we are spending a tremendous amount of money on laundry. He also thinks that we can go with a heavy duty washer and dryer rather than commercial due to the amount of work they will be doing. Mike Talley said all bids need to be rejected since they did not turn them in during the bid process. Mike Burns said we have $18000 for next year's budget for this project. It was discussed that we need to rebid it and have the bids in by the next council meeting. Richard Zaccardelli motioned to go back out for bid. Roger Spencer seconded. All in favor. No opposed.

It also includes $30,000 accrual fund for Memorial Park improvements. Those are the highlights of the budget. There was some discussion about miscellaneous income and expenses for last year.
