- Temperature & Symptom Checks for Employees

Our maximum occupancy is currently:

## WHAT YOU CAN DO

- Face masks are strongly recommended / required
- Leave at-risk individuals at home when possible
- Maintain a six-foot distance from others
- Do not enter our shop if you are feeling ill or displaying any COVID symptoms
- Limit the size of your group

We have done our best to minimize the possibility of your exposure to the Coronavirus, but potential exposure cannot be completely eliminated. Please enter at your own risk.

Our business is adhering to all measures and requirements of the "Safe Start Washington" plan, the Department of Labor & Industries, the Washington State Department of Health, and our industry-specific requirements.
