

HOW CAN YOU HELP?

School supplies for success in the classroom - incentives to help motivate students – leveled books and novels to open exciting new worlds – science and math materials to inspire curiosity and critical thinking - technology to engage learning and increase student performance – financial opportunities to achieve a higher education - endless possibilities with unlimited benefits for students of all ages

Santa Rosa Education Foundation has opened educational doors for 32 years. We provide educational opportunities and support for all public school students, teachers, and administrators in Santa Rosa County.

We need your help. Your contributions, great or small, will make a positive impact on education in Santa Rosa County.

Your donations may be matched dollar for dollar with state matching funds to double the impact on students.
