**RATES (Per Foot): \$1.15/Night, \$7/Week, \$28/Month. POWER: \_\_\_\_\_**

I, \_\_\_\_\_, (the "Boater") enter into this agreement with CSS St. Andrews, LLC ("CSS") for transient dock space at the CSS Yacht Basin (the "Basin").

Boater acknowledges that they have received an up to date copy of the Basin Rules and Regulations with this agreement that may also be found online at [www.cssyacht.com/docking](http://www.cssyacht.com/docking). Boater agrees to abide by these rules and regulations.

Boater certifies that they carry liability insurance on their vessel and acknowledges that they will be held responsible for any damage caused by Boater, Boater's vessel, Boater's equipment, and Boater's invitees. Boater agrees to indemnify and hold harmless CSS from all claims arising while at the Basin. CSS assumes no liability for Boater, Boater's vessel, Boater's equipment, or Boater's invitees while boat is docked in the Basin including damage caused by submerged items. Guests and invitees must remain under supervision of the Boater and shall be subject to the same Rules and Regulations as the Boater. Actions of guest and invitees while at the Basin shall be the responsibility of the Boater. Boater is solely responsible for ensuring Boater's vessel is appropriately tied to the slip in which they are assigned.

Although CSS strives to ensure all facilities are in excellent condition, CSS does not certify or warranty the condition or operation of any facilities or amenities including but not limited to ice machines, Wi-Fi, water service, or power service. Boater understands that ships store and fuel depot are not in any way affiliated with CSS and are operated by the City of Panama City.

Boater acknowledges that failure to obey any CSS rules or docking in a slip other than the slip assigned to them may result Boater's vessel being towed or removed at Boater's expense. Discharge of waste or bilge water into the Basin is strictly prohibited. Boater acknowledges that slip must be vacated by 12:00 AM Midnight on day of departure to avoid being charged an extra day.

Boater acknowledges that payment is due prior to entering the Basin. In the event Boater stays longer than anticipated, additional balance must be paid prior to departure. All payments are subject to additional applicable Florida State Sales Tax. Boater acknowledges that CSS may place a lien on Boater's Vessel for any balance left open 30 days following departure from the Basin.

Boater understands that CSS may at any time and for any reason terminate this agreement without refund.

I accept and agree to abide by these rules and regulations.
