

QC2021 UPDATE

Since our last QC2021 update we now have a theme: Classy Cruisin' Birds. Thanks to Betsy and her team of clever wordsmiths for this accomplishment. Maybe we can find an artist to create a theme LOGO.

Now, as far as our Embassy Suite venue is concern, we have good news and “wait-and-see news. Translating, it means the event is still on their calendar, but the details of the banquet Saturday night cannot be made until “...restrictions are lifted...” Quotes are taken from the email I received Friday from Embassy Suites offices. So, where does that put us? I still will pursue this event like “a dog with a bone” and bank on the hope that by May vaccines and decreasing covid numbers will permit us to gather. I wish we could nail down this event, but we can't. Just be ready to “fly” to San Luis Obispo on a moment's notice!

In short: KEEP THE CIRCLES ON THE MAY14-16 DATES!
