

Virginia G. Piper Cancer Care Network

Welcome to the HonorHealth Virginia G. Piper Cancer Care Network.

We understand how challenging a cancer diagnosis can be and are committed to helping you every step of the way. Our valley-wide cancer care network puts you, the patient, at the center of everything we do. We are here to support you and your family through diagnosis, treatment, and survivorship.

Because a cancer diagnosis can affect patients in different ways, our team of cancer specialists will provide you with extensive resources as a coordinated care team. Services available within our network include:

- Imaging
- Pathology
- Surgery
- Immunotherapy
- Patient navigation
- Stem cell transplant
- Symptom management
- Social work services
- Interpreter services
- Physical, occupational and lymphedema therapy
- Laboratory
- Genetic counseling
- Chemotherapy
- Radiation therapy
- Mind, body and spirit program
- Palliative care
- Nutritional support
- Clinical trials
- Financial counseling
- Advanced care in leukemia, lymphoma and bone marrow transplants

The doctors, nurses, and caregivers in the HonorHealth Virginia G. Piper Cancer Care Network look forward to providing you with outstanding cancer care.

If you have questions, please do not hesitate to talk to your physician. You may also call 855-485-HOPE (4673) for additional medical oncology and gynecologic oncology support.

It is an honor to serve you during this time.
