

IQ-South Committee Break-Out Questions

- Feedback and/or Questions on New Programs and Return to Work Plans
 - New Programs
 - Save and Virtual Energy Efficiency
 - Ameren IL MF Initiative
 - MDI
 - Return to Work Plans

- Reopening Plan:
 - What are some of your biggest concerns regarding EE programs as Illinois begins to reopen?
 - How can Ameren IL support CBOs/CAAs/IQ Implementers in the reopening efforts?
 - What actions is your organization taking to return to EE work?
 - What are some gaps and how can Ameren IL provide additional support so organizations can deliver EE programs and measures safely?
 - What are some outstanding needs that *your* organization requires to reopen and/or operate safely while still adhering to Gov. Pritzker's guidelines? Does your organization require additional PPEs and other resources to operate safely?

- EE Programs:
 - Are your programs experiencing higher demand or need due to COVID-19?
 - What are your current obstacles to delivering energy efficiency programs due to COVID-19?
 - Do you have some suggestions on additional safety measures EE programs should consider?

- Urgent Community Needs:
 - What are current COVID-19 impacts on your organization and community?
 - Do your community members require additional access to masks, sanitizers, more information about COVID-19 to other public health related items?
