I. What Is Our Focus?

- What is our goal for student learning?
- What are the learning targets that capture what we want the students to know and be able to do?

II. How Will We Work Together?

- There are options for how we can work together in your classroom. Let's talk through these options and pick some that feel right to you.
- There are also options for how we can collect student evidence when we are working together in the classroom? How would you like to go about doing this?
- How will we reflect, both individually and collectively, about our work and students' growth?

III. How Will We Approach Co-Planning?

- We will need at least thirty-five to forty minutes each week for planning. What time works for you?
- It is helpful to create a planning system that works for you. How would you like to share this information (Google Docs, planning template, etc.)?
