

Private Tour Agreement

Regular Price: \$69.95/person

Harvest Tour Price: \$89.95/person

Thank you for your interest in taking a private tour of our vineyard and winery. We are happy to have you experience our process of making the delicious wines that you love. We are food grade capacity and do have a few rules and regulations that we need to abide by. You will find all instructions in the waiver - everyone who plans to attend the tour will need to print, read, sign and bring the waiver with you the day of the tour.

Below are a few important things you will need to know before booking your tour:

- We are food grade capacity with licensed servers. All alcohol is to be handled by St Clair employees only
- Groups larger than 10 please inquire about large group rates, if you are receiving a special rate it is because you are guaranteeing a certain amount of guests. St Clair Winery reserves the right to revoke a special rate if you do not meet expectations
- We do require an up front down payment of 40% in order to reserve your date
- As a courtesy groups of 10 will receive a complimentary shuttle
- Please indicate any dietary restrictions and we will work to accommodate
- All tours that charter their own vehicle will start and end in Deming, NM. However, each guest will receive a special discount if you wish to end the tour by having dinner at the Las Cruces Bistro. We will take care of reservations for you.
- We request three weeks notice prior to your tour date with an exact number of guests that will be attending
- If for any reason you need to cancel we ask for 72 hours notice in order to receive reimbursement in full
