

Cozumel and Playa Del Carmen Mexico

December 7 - 14, 2019

Package: \$1695 USD per person

Based on double occupancy

Dive the best that Yucatan Mexico has to offer. Beautiful reef structures and fish in Cozumel and crystal clear cenotes in Playa Del Carmen. The Island of Cozumel is a place of legends. Once an island capital of the eastern Mayan empire, Cozumel's attraction now lies in its diving, restaurants, and nightlife. The focus of Playa del Carmen, apart from its beaches, is the famous 5th Avenue and its adjacent streets. It would not be an exaggeration to say that Playa del Carmen has one of the best beaches in the world.
