

Join Blue Green Expeditions on an incredible journey to Oman! Oman offers pristine reefs, stunning deserts, rugged mountains and endless beaches. The Arabian sea and Gulf of Oman provide large coral reefs in the deep fjords of Musandam, at Daymaniyat Islands off the coast of Muscat and Hallaniyat Islands off the coast of Mirbat in southern Oman as well as untouched and undiscovered reefs and wrecks. The sea is full of fascinating life- whales, sharks, dolphins, rays, sharks, turtles, mobula, eels, nudibranchs and more! Over 1000

different types of fish and shell fish call the Arabian Sea and Gulf of Oman home! Our journey will continue as we travel through Oman for 3 days. We will tour through the silken sands of the Wahiba desert, hike the majestic mountains for the most amazing scenic views and visit traditional Bedouin camps. This itinerary is exclusively designed by Blue Green Expeditions to highlight the best diving in the region as well as the best land adventures! This is one expedition you don't want to miss!
