Are you stuck in the cycle of “just” surviving?

Barely making ends meet...

Does there seem to be a lot more **month** at the end of your **money**?

Are you ready to get “unstuck” and identify the barriers that keep you where you are?

If so, ACTIVATION, a series of 3 week trainings may be for you!

With Activation training you can:
- Understand the causes of poverty/instability
- Identify the barriers that keep you in “survival mode”
- Learn real life skills that can help you make positive individual choices and become a powerful problem solver
- Create safe and stable plans that include SMART Goals to begin moving ahead
