

## Punch Card Policy

Those who purchase the pass in the full annual amount are eligible for a refund, or an expiration date freeze:

Should your dog pass away, if training is unable to be continued due to an ailment for which there is no recovery, or if you should move from the territory we feel obligated to offer you a full refund on the balance remaining on your card.

In the case of a recoverable ailment, we will freeze the validation period indefinitely until you, or your dog are able to continue.

---

Monthly payments may result in a balance owing, or a refund, determined based on payments already made and classes already taken.

---

The punch card is non-transferrable; it cannot be sold, nor redeemed for cash except as stated above. One household may use the card for multiple dogs.
